Section 2

Property Subject to this Declaration

2.1 Name of Community. The name of the Community is “The Square at Glen Iris.”

2.2. Property Hereby Subjected to this Declaration. The real property described in Exhibit “A” attached hereto and by reference made a part hereof is, by the recording of this Declaration, subject to the covenants and restrictions hereafter set forth and, by virtue of the recording of this Declaration, shall be held, transferred, sold, conveyed, used, occupied and mortgaged or otherwise encumbered subject to this Declaration.

2.3. Other Property. Only the real property described in Section 2.2 is hereby made subject to this Declaration; provided, however, by one or more Supplementary Declarations, Declarant and the Association have the right, but not the obligation, to subject other real property to this Declaration, as provided in Sections 10.1 and 10.2.

Section 3

Association Membership and Voting Rights

3.1. Membership. Every Person, including the Declarant, who is the record owner of a fee or undivided fee interest in any Lot that is subject to this Declaration shall be deemed to have a membership in the Association. The foregoing is not intended to include Persons who hold an interest merely as security for the performance of an obligation, and the giving of a security interest shall not terminate an Owner’s membership. No Owner, whether one or more Persons, shall have more than one membership per Lot. If a Lot is owned by multiple Owners, votes and rights of use and enjoyment shall be as provided in this Declaration and in the Bylaws. Membership shall be appurtenant to and may not be separated from ownership of any Lot. The rights and privileges of membership, including the right to vote and to hold office, may be exercised by a member or the member’s spouse, but in no event shall more than one vote be cast for each Lot owned.

3.2. Voting. Members shall be entitled to one vote for each Lot owned. When more than one Person holds an ownership interest in any Lot, the vote for the Lot shall be exercised as those Owners themselves determine and advise the Secretary of the Association prior to any meeting. A vote related to a Lot shall be suspended if more than one Person seeks to exercise it.

3.3. Management of Association.

(a) The Association shall be managed by a Board of Directors and officers, who shall be appointed or elected as specified in the Bylaws.

(b) The Board of Directors may employ for the Association a property management company or agent at a compensation established by the Board of Directors, to perform the duties and services as the Board of Directors shall authorize. The Board may also designate the property management company or one or more other parties as a “designee” empowered to perform certain rights or duties of the Board under this Declaration.

(c) Declarant or an affiliate of Declarant may be employed as managing agent or manager.

(d) The term of any management agreement shall not exceed one year and shall be subject to termination by either party, without cause and without penalty, upon not more than 90 days’ written notice.

Section 4
Assessments

4.1. Purpose of Assessments. The assessments provided for herein shall be used for the general purposes of promoting the recreation, health, welfare, common benefit and enjoyment of the Owners and Occupants of Lots, including the maintenance of real and personal property, all as may be more specifically authorized from time to time by the Board.

4.2. Creation of the Lien and Personal Obligation for Assessments.

(a) Each Owner of a Lot, by acceptance of a deed therefor, whether or not it shall be so expressed in the deed, covenants and agrees to pay to the Association:

- (i) annual assessments or charges set forth in Section 4.3;
- (ii) special assessments set forth in Section 4.4; and
- (iii) specific assessments against any particular Lot set forth in Section 4.5.

(b) All assessments, together with late charges (in an amount determined by the Board from time to time in its sole discretion), and interest on the principal amount due (at a rate not to exceed the lesser of the maximum rate permitted by law or 18% per annum), shall be a

charge on the land and a continuing lien upon the Lot against which each assessment is made. As provided in O.C.G.A. Section 44-5-60(e), the obligation for the payment of assessments and fees arising hereunder shall include the costs of collection, including, without limitation, reasonable attorney's fees actually incurred, and the award of attorney's fees shall not be construed in accordance with the provisions of O.C.G.A. Section 13-11(a)(2).

(c) Each assessment, together with late charges, interest, costs of collection and reasonable attorney's fees actually incurred, shall also be the personal obligation of the Person who was the Owner of the Lot at the time the assessment fell due. Each Owner shall be personally liable for the portion of each assessment coming due while the Owner of a Lot, and each grantee of an Owner shall be jointly and severally liable for such portion thereof as may be due and payable at the time of conveyance. Any first Mortgagee taking title through foreclosure proceedings or deed in lieu of foreclosure shall not be liable for the unpaid assessments of the grantor.

(d) Assessments shall be paid at a uniform rate for all similarly situated Lots in the manner and on the dates as may be fixed by the Board, which may include, without limitation, acceleration, upon 10 days written notice, of assessments for delinquent amounts.

4.3. Computation; Annual Assessment.

(a) It shall be the duty of the Board to prepare a budget covering the estimated costs of operating the Association during the coming year, which may include a capital contribution or reserve in accordance with a capital budget separately prepared. The Board shall cause the budget and the annual assessment to be levied against each Lot for the year (or portion thereof in the case of the initial budget) to be delivered to each member at least 30 days prior to the due date of the annual assessment (or the first installment thereof). Notwithstanding the foregoing, if the Board fails for any reason so to determine the budget for the succeeding year, then and until such time as a budget has been determined, as provided herein, the budget in effect for the then current year shall continue for the succeeding year and the annual assessment shall be based on that budget. No vote of the Owners shall be required to approve the budget during the Declarant Control Period.

(b) After the Declarant Control Period, if the Board proposes a budget that increases annual assessments by more than 30% over the previous year's annual assessments, members may request a special meeting pursuant to Section 2.3 of the Bylaws to vote on the proposed budget. The proposed budget shall be deemed approved unless disapproved at the special meeting by a Majority of the Total Association Vote.

4.4. Special Assessments. In addition to the other assessments authorized herein, the Association may levy special assessments against all Owners subject to assessment for any expenses that were unbudgeted, unanticipated or in excess of the budget. So long as the total amount of special assessments allocated to each Lot does not exceed the greater of (i) \$500.00 or (ii) 25% of annual assessments in any one fiscal year, the Board may impose the special assessment without a vote of the members. Except for special assessments levied pursuant to Section 9.2, any special assessment which would cause the amount of special assessments

allocated to any Lot to exceed this limitation shall be effective only if approved by a Majority of the Total Association Vote and, during the Declarant Control Period, the Declarant. Special assessments shall be paid as determined by the Board and may be paid in installments extending beyond the fiscal year in which the special assessment is imposed.

4.5. Specific Assessments.

(a) The Board shall have the power to levy specific assessments pursuant to this Section as, in its discretion, it shall deem appropriate. Failure of the Board to exercise its authority under this Section shall not be grounds for any action against the Association or the Board and shall not constitute a waiver of the Board's right to exercise its authority under this Section in the future with respect to any expenses, including an expense for which the Board has not previously exercised its authority under this Section.

(b) By way of explanation and not limitation, the following shall constitute specific assessments under the Declaration:

- (i) fines levied or attorney's fees incurred pursuant to Section 16.2;
- (ii) the capital contribution set forth in this Section 4.9;
- (iii) the costs of maintenance performed by the Association for which an Owner is responsible under Section 5.1 and 5.3;
- (iv) the costs of maintenance, repair and replacement to any private road, drive and/or alley; and
- (v) the water expenses pursuant to Section 5.7.

(c) The Board may also specifically assess Lots for the following Association expenses:

- (i) Expenses of the Association which benefit less than all of the Lots may be specifically assessed equitably among all of the Lots which are benefited according to the benefit received;
- (ii) Expenses of the Association which benefit all Lots, but which do not provide an equal benefit to all Lots, may be specifically assessed equitably among all Lots according to the benefit received; and
- (iii) Expenses incurred by the Association which are attributable to or the result of a particular Owner or the Occupants, guests, tenants, invitees or licensees of such Owner may be specifically assessed against the Owner's Lot.

4.6. Lien for Assessments.

(a) All sums assessed against any Lot pursuant to this Declaration, together with late charges, interest, costs of collection and reasonable attorney's fees actually incurred, as provided herein, shall be secured by a lien on the Lot in favor of the Association, and the Association shall be entitled to file a lien in the Fulton County, Georgia land records. The lien shall be superior to all other liens and encumbrances on such Lot, except for:

- (i) liens of ad valorem taxes;
- (ii) liens for all sums unpaid on a first Mortgage; or
- (iii) liens for all sums on any Mortgage to Declarant duly recorded in the Fulton County, Georgia land records and all amounts advanced pursuant to the Mortgage and secured thereby in accordance with the terms of the instrument.

(b) All other Persons acquiring liens or encumbrances on any Lot after this Declaration is recorded in the Fulton County, Georgia land records shall be deemed to consent that such liens or encumbrances shall be inferior to future liens for assessments, as provided herein, whether or not prior consent is specifically set forth in the instruments creating the liens or encumbrances.

4.7. Effect of Nonpayment of Assessments; Remedies of the Association.

(a) All sums (including assessments or installments thereof) assessed against any Lot pursuant to this Declaration which are not paid when due shall be delinquent. Any sums delinquent for a period of more than 10 days shall incur a late charge in an amount as the Board may from time to time determine. The Board shall be entitled to collect interest on the principal amount due at a rate not to exceed the lesser of the maximum rate permitted by law or 18% per annum.

(b) The Association may cause a notice of delinquency to be given to any member who has not paid within 10 days following the due date. If any sums are not paid within 30 days after the due date, the Board may accelerate and declare immediately due all sums (including annual assessments or installments thereof) without any further notice being given to the delinquent Owner, and a lien, as herein provided, shall attach. The lien shall include all late charges, interest on the principal amount due, costs of collection, reasonable attorney's fees actually incurred, and any other amounts provided or permitted by law.

(c) If any sum assessed against any Lot pursuant to this Declaration remains unpaid after 60 days from the due date, the Association may, as the Board shall determine, institute a lawsuit to collect the amounts and/or to foreclose its lien. Each Owner, by acceptance of a deed or as a party to any other type of a conveyance, vests in the Association or its agents the right and power to bring all actions against him or her, personally, for the collection of such charges as a debt or to foreclose the aforesaid lien in the same manner as other liens for the improvement of

real property. The lien provided for in this Section shall be in favor of the Association and shall be for the benefit of all other Owners. The Association, acting on behalf of the Owners, shall have the power to bid on the Lot at any foreclosure sale or to acquire, hold, lease, mortgage or convey the same. The Association may also suspend the membership rights of the delinquent Owner, including the right to vote, and the right to use and enjoy the Common Area, and, upon 10 days written notice, the right to receive services and other benefits as may be provided by the Association, including, without limitation, water service to the Lot. Any suspension shall not affect an Owner's obligation to pay assessments coming due during the period of suspension and shall not affect the permanent lien on the Lot in favor of the Association.

(d) No Owner may waive or otherwise exempt himself from liability for the assessments provided for herein, including, by way of illustration, but not limitation, abandonment of the Lot or nonuse of the Common Area. No diminution or abatement of any assessment shall be claimed or allowed by reason of any alleged failure of the Association to take some action or perform some function required to be taken or performed by the Association under this Declaration or the Bylaws, or for any inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken by the Association to comply with any law, ordinance or order or directive of any municipal or other governmental authority, the obligation to pay assessments being a separate and independent covenant on the part of each Owner.

(e) As provided in O.C.G.A. Section 44-5-60(e), the obligation for the payment of assessments and fees arising hereunder shall include the costs of collection, including, without limitation, reasonable attorney's fees actually incurred, and the award of attorney's fees shall not be construed in accordance with the provisions of O.C.G.A. Section 13-1-11(a)(2).

(f) All payments shall be applied first to costs and attorney's fees, then to late charges, then interest and then to delinquent assessments.

4.8. Date of Commencement of Assessments/Assessment Obligation of Declarant.

(a) The assessments provided for herein shall commence as to all Lots subject to assessment hereunder upon conveyance of a Lot by the Declarant to a Person other than Declarant or an affiliate of Declarant. All assessments shall be due and payable in a manner and on a schedule as the Board may provide. All assessments shall be rounded up to the nearest dollar.

(b) Each Lot owned by Declarant or its respective affiliates which does not contain an occupied residence shall not be subject to any assessment provided for herein.

(c) Any Lot which has been approved by Declarant for use as a model home for marketing and sales purposes shall not be deemed to be occupied for residential purposes and shall not be subject to assessments under this Declaration whether owned by Declarant or any other Person, so long as the Lot is approved for use as a model home and is not occupied for residential purposes.

(d) Notwithstanding anything to the contrary herein, Declarant or its respective affiliates may contribute assessments due from them in services or materials or a combination of services and materials, rather than in money (herein collectively called “in kind contribution”). The amount by which monetary assessments shall be decreased as a result of any in kind contribution shall be the fair market value of the contribution. If the Declarant or its respective affiliates and the Association agree as to the value of any contribution, the value shall be as agreed. If the Association and the Declarant or its respective affiliates cannot agree as to the value of any contribution, the Declarant or its respective affiliates shall supply the Association with a detailed explanation of the services performed and materials furnished, and the Association shall acquire bids for performing like services and furnishing like materials from 3 independent contractors approved by the Declarant or its respective affiliates who are in the business of providing such services and materials. If the Association and the Declarant or its respective affiliates, as the case may be, are still unable to agree on the value of the contribution, the value shall be deemed to be the average of the bids received from the independent contractors.

4.9. Capitalization of Association.

(a) An initiation fee (sometimes also referred to as a “working capital assessment” or “capital contribution”) must be paid to the Association by or on behalf of any purchaser of a Lot (other than Declarant or its affiliates) upon the transfer or sale of the Lot, as follows:

Purchaser	Maximum Initiation Fee
Initial Owner (the party purchasing from the Declarant, a developer or a builder)	An amount equal to up to 100% of the annual assessment being charged by the Association for the year in which the closing of the transfer or sale of the Lot occurs, as determined by the Board from time to time.
Second and subsequent Owners	An amount equal to up to 100% of the annual assessment being charged by the Association for the year in which the closing of the transfer or sale of the Lot occurs, as determined by the Board from time to time.

(b) This initiation fee set forth in subsection (a) above shall constitute a specific assessment against the Lot, and shall be in addition to, not in lieu of, any other assessments levied on the Lot and shall not in any way be construed as part of, identical to or as an advance payment of, any such assessments. These initiation fees shall be collected at the closing of the Lot, or if not collected at closing, shall be paid immediately upon demand by the Association. The initiation fee shall be disbursed to the Association for any use which provides a direct benefit to the Community, including, without limitation, covering operating and other expenses (including reserves) incurred by the Association pursuant to the terms of this Declaration and the Bylaws.

(c) No initiation fee under subsection (a) shall be required from the holder of any first Mortgage on a Lot who becomes the Owner of a Lot through foreclosure or any other means pursuant to the satisfaction of the indebtedness secured by a Mortgage, but an initiation fee shall be required from the Owner acquiring the Lot from the foreclosing Mortgagee.

4.10. Budget Deficits during Declarant Control. To the extent not inconsistent with the provisions of this Section, the general rules of law regarding party walls and fences and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

(b) Sharing of Repair and Maintenance. The responsibility for and cost of repair and maintenance of a party wall or party fence shall be allocated as set forth in Section 5.1. If the cost is not allocated to the Association under Section 5.1, then it shall be shared by the Owners who make use of the wall or fence, in equal proportions, without prejudice, however, to the right of any Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

(c) If the Lots are not served by a submeter, water usage for each Lot will be determined and allocated by the Board based on unit size, number of bedrooms, number of occupants, estimates based on averages, pro-rata or any other technique determined by the Board in its discretion. The same method of calculation must be used for each Lot which benefits from

water provided to the Lot through the master water meter. The costs shall be a specific assessment against each Lot in accordance with Section 4.5.

(d) Whether or not the Lots are served by submeters, the Board may also specifically assess each Lot for an equal proportionate share of the difference between (i) the total water usage as reflected by the master water meter, and (ii) the water usage attributable to (A) specific Lots and (B) irrigation of the Common Property. The intent of this provision is for the Association to pay only the water usage directly attributable to operation of the Common Property, while Owners pay for all other water usage.

(e) The Association may contract with an independent service provider to read any submeters in order to measure the water consumption provided to each Lot and to directly bill, receive and process payment for water consumed by each Lot. The cost of this service may be assessed in the same manner as the water charges.

(a) All Lots shall be used for single-family residential purposes exclusively, and no trade, business or business activity of any kind shall be carried on or conducted in or from any Lot or any part of the Community at any time without the prior written approval of the Board, except that the Owner or Occupant residing at a Lot may conduct ancillary business activities within the residence located on the Lot so long as:

(b) The terms "business" and "trade," as used herein, shall have their ordinary, generally accepted meanings, and shall include, without limitation, any occupation, work or activity undertaken on an ongoing basis which involves the provision of goods or services to persons other than the provider's family and for which the provider receives a fee, compensation or other form of consideration, regardless of whether:

- (i) the activity is engaged in full- or part-time;
- (ii) the activity is intended to or does generate a profit; or
- (iii) a license is required therefor.

(c) Notwithstanding anything to the contrary herein, this Section shall not apply to activities of the Association nor shall it be construed as prohibiting the Declarant or its respective affiliates from maintaining model homes, speculative housing or sales and construction trailers in the Community.

For purposes of this paragraph, a vehicle shall be considered "disabled" if it does not have a current license tag or is inoperable. A vehicle shall be considered "stored" if it remains in the Community for 3 consecutive days or longer without being moved and without the prior written permission of the Board.

(d) If any vehicle is parked on any portion of the Common Area (including on a driveway) in violation of this Section or in violation of the Association's rules and regulations, the Board may place a notice on the vehicle specifying the nature of the violation and stating that after 24 hours the Association (if permitted by law to do so) may cause a private towing service to tow the vehicle or may request or cause the City of Atlanta to tow the vehicle. The notice shall include the name and telephone number of the person or entity which will do the towing and the name and telephone number of a person to contact regarding the alleged violation. If 24 hours after the notice is placed on the vehicle the violation continues or thereafter occurs again within 6 months of the notice, the Association (if permitted by law to do so) may cause a private towing service to tow the vehicle or may request or cause the City of Atlanta to tow the vehicle, in accordance with the notice, without further notice to the Owner or user of the vehicle. A vehicle that is moved temporarily to circumvent the limitation in this paragraph will be automatically (without further notice) considered in violation of this paragraph if the circumstances that led to the initial notice of violation re-occur. If a vehicle is parked on a private road, drive and/or alley (other than in designated parking spaces) or is extending from a driveway into a street or alley such that it is blocking another vehicle or access to a Lot, is obstructing the flow of traffic, or otherwise creates a hazardous condition, no notice shall be required and the Association (if permitted by law to do so) immediately may cause a private towing service to tow the vehicle or may request or cause the City of Atlanta to tow the vehicle.

(e) If a vehicle is towed in accordance with this Section, neither the Association nor its directors, officers or agents, nor the Declarant shall be liable to any person for any claim of damage or otherwise as a result of the towing activity. Notwithstanding anything to the contrary herein, the Board may elect to impose fines or use other available sanctions, rather than exercise its authority to tow.

(f) Notwithstanding anything to the contrary in this Section 6.4, the Declarant and its respective agents, subcontractors and assigns shall have the right, during regular business hours, to park vehicles on any and all streets within the Community as needed in order to facilitate the construction, development, sale of homes, and build out of the Community.

6.5. Occupants Bound. All provisions of the Declaration and of any rules and regulations or use restrictions promulgated pursuant thereto which govern the conduct of Owners and which provide for sanctions against Owners shall also apply to all Occupants of any Lot even though Occupants are not specifically mentioned. Fines may be levied against Owners or Occupants. If a fine is first levied against an Occupant and is not paid timely, the fine may then be levied against the Owner. Unpaid fines shall constitute a lien on the Lot.

6.6. Animals and Pets.

(a) No animals, livestock or poultry of any kind may be raised, bred, kept or permitted on any Lot, with the exception of dogs, cats or other usual and common household pets in a reasonable number as determined by the Board from time to time.

(e) An Owner's failure to remove fecal matter or other solid waste left on any Common Area by an animal owned by an Occupant of such Owner's Lot (or their guests or invitees) shall be conclusively deemed to be a nuisance, and shall subject the Owner to reasonable penalties as may be determined by the Association, including without limitation, upon repeated violations, the removal of the animal as described above.

(f) All Owners must control their pets at all times, whether or not the Owners are present, in a manner that will prevent any pet from (all of the following as determined by the Association in its sole discretion):

(g) The Association may require that an Owner remove any animal that presents an actual threat to the health or safety of residents and require abatement of any nuisance or unreasonable source of annoyance. If an Owner fails to remove an animal as provided herein, the Association shall have the right to institute legal action to have the animal removed and all costs associated therewith shall be a specific assessment against the Lot of the Owner.

(h) Pets in the Community shall be subject to such further rules and regulations as the Board may adopt from time to time, in its discretion.

6.7. Nuisance.

(a) Each Owner and Occupant must prevent the development of any unclean, unhealthy, unsightly or unkempt condition on his or her Lot. No Lot shall be used, in whole or in part, for the storage of any property or thing that will cause the Lot to appear to be in an unclean or untidy condition or that will be obnoxious to the eye. No substance, thing or material will be kept on a Lot that will emit foul or obnoxious odors or that will cause any noise or other condition that will or might disturb the peace, quiet, safety, comfort or serenity of the Occupants of surrounding property. No noxious or offensive activity shall be carried on on a Lot, nor shall anything be done thereon tending to cause embarrassment, discomfort, annoyance or nuisance to any Person using any property adjacent to a Lot. Owners and Occupants shall not maintain any plants or animals or device or thing of any sort whose activities or existence in any way is noxious, dangerous, unsightly, unpleasant or of a nature as may diminish or destroy the enjoyment of the Community. Without limiting the generality of the foregoing, no speaker, horn, whistle, siren, bell, amplifier or other sound device, except devices as may be used exclusively for security purposes, shall be located, installed or maintained upon the exterior of any Lot unless required by law.

(b) Notwithstanding anything to the contrary herein, each Owner and Occupant acknowledges that the Declarant and its respective agents and subcontractors may engage in construction activities on one or more Lots in the Community and further agrees that the construction activities shall not be deemed a nuisance.

6.8. Unsightly or Unkempt Conditions. Owners and Occupants may not pursue or undertake any hobbies or other activities that might tend to cause disorderly, unsightly or unkempt conditions in any part of the Community. This includes (and specifically prohibits), without limiting the generality of the foregoing, the assembly and disassembly of motor vehicles, engines and other mechanical devices.

6.9. Antennas and Satellite Dishes.

(a) No transmission antennas or satellite dishes of any kind, and no direct broadcast satellite (“DBS”) antennas or multi-channel multi-point distribution service (“MMDS”) antennas larger than 1 meter in diameter, shall be placed, allowed or maintained upon any portion of the Community, including any Lot, without the prior written consent of the Board. DBS and MMDS antennas and satellite dishes 1 meter or less in diameter, antennas designed to receive or transmit fixed wireless signals and television broadcast service antennas (each a “Permitted Antenna”) may be installed only if reasonably screened and located as approved by the Board and installed in accordance with the rules and regulations of the Federal Communications Commission and of the Association, both as may be amended from time to time. However, neither the Board nor the Association may restrict the location of a Permitted Antenna if:

- (i) the restriction imposes unreasonable delay or prevents the use of the antennae;
- (ii) the restriction unreasonably increases the cost of installation; or

(iii) an acceptable quality signal cannot otherwise be obtained.

(b) The Board and Declarant reserve the right to (but shall not be obligated to) erect any type and size of master antenna, satellite dish or other similar master system for the benefit of the Community. Each Owner and Occupant acknowledges that this provision benefits all Owners and Occupants and each Owner and Occupant agrees to comply with this provision despite the fact that the erection of an individual outdoor antenna or similar device would be the most cost-effective way to receive the signals sought to be received.

6.10. Miscellaneous Items Outside a Lot. In addition to other restrictions in this Declaration, the following shall not be placed, allowed or maintained upon any portion of the Community:

- (a) Vegetable gardens (it being understood that any landscaping or garden planting may be done only in accordance with the Architectural Guidelines or, if Architectural Guidelines have not been established, with prior written consent of the Board);
- (b) Statuary;
- (c) Recreational equipment, including, without limitation, basketball goals or swingsets;
- (d) Woodpiles;
- (e) Clotheslines; or
- (f) Grills, except as follows: Grills will be (i) permitted on the rear deck or patio, or on the upper level "rooftop terrace", but (ii) not permitted on the front stoop or main level front porch.

6.11. Tree Removal.

- (a) No trees shall be removed without the express prior consent of the Board, except for:
- (i) trees removed by the Declarant or its respective affiliates; and
 - (ii) diseased or dead trees.

(b) In addition to all other remedies available to the Board, violating Owners may be required to plant trees of comparable size, type and density of those removed or the Board may plant trees as are reasonably deemed necessary by the Board at the sole expense of the violating Owner. The Association and Owners shall also comply with all zoning conditions and local ordinances regarding tree removal. If there is a conflict between the provisions of this Section and any zoning conditions or local ordinances, the more restrictive provision shall control.

6.12. Lighting.

(a) Notwithstanding Section 7, the following exterior lighting may be installed without the necessity of obtaining the prior approval of the Board:

- (i) seasonal decorative lights during the holiday season, subject to any rules or regulations promulgated by the Board;
- (ii) illumination of model homes and entrance features constructed by the Declarant or its affiliates; and
- (iii) other lighting originally installed by the Declarant or its affiliates.

(b) All exterior lighting must comply with the Architectural Guidelines. If the proposed lighting does not comply with the Architectural Guidelines, the lighting plan must be submitted for review and approval in accordance with Section 7. Implementation of the lighting plan may not take place until approval has been given by the ARC.

6.13. Drainage.

(a) Catch basins and drainage areas are for the purpose of natural flow of water only. No obstructions or debris shall be placed in these areas. No Owner or Occupant of any Lot may obstruct or re-channel the drainage flows after the location and installation of drainage swales, storm sewers or storm drains. Each Owner, however, has the obligation to clear and maintain the flow of all storm water drainage facilities located on and used exclusively in connection with that Owner's Lot.

(b) Declarant, for itself and its affiliates, reserves the right to modify slopes, swales and final grades for the purposes of maintaining drainage within the Community. Declarant, for itself and its affiliates, hereby reserves a perpetual easement across all Community property for the purpose of altering drainage and water flow. Rights exercised pursuant to this reserved easement shall be exercised with a minimum of interference to the quiet enjoyment of affected property, reasonable steps shall be taken to protect the property, and damage shall be repaired by the Person causing the damage at its sole expense.

6.14. Sight Distance at Intersections. All property located at street intersections shall be so landscaped as to permit safe sight across the street corners. No fence, wall, hedge, or shrub planting shall be placed or permitted to remain at any corner where this would create a traffic or sight problem.

6.15. Garbage.

(a) All rubbish, trash and garbage shall be regularly removed from the Lot and shall not be allowed to accumulate thereon. Garbage cans and other similar items shall be located or screened so as to be concealed from the view of neighboring Lots, streets and property located adjacent to the Lot. No garbage or trash shall be placed on the Common Area, temporarily or otherwise, except as required for regular pick-up as provided herein.

(b) The Association may, but shall not be required to, contract with a private trash collection company to pick up all usual and customary household trash on a regular basis. While

the removal of normal household trash will be covered by the contract and included in the annual assessment, additional charges may be incurred by the Association for the removal of used appliances or other large items, which costs may be specifically assessed against the applicable Lot. Trash and recycling receptacles must be placed at the curb no earlier than 5:00 p.m. the day before pick up and must be removed within 24 hours.

(c) Trash removal and recycling shall be subject to such further rules and regulations as the Board may adopt from time to time, in its discretion.

6.16. Subdivision of Lot. No Lot shall be subdivided or its boundary lines changed. Declarant, however, hereby expressly reserves the right to replat any Lots or other property in the Community with the consent of the Owner thereof. No such division, boundary line change or replatting may violate the applicable subdivision and zoning regulations.

6.17. Firearms and Fireworks. The display or discharge of firearms or fireworks within the Community is prohibited. However, the display of lawful firearms is permitted by law enforcement officers and is also permitted for the limited purpose of transporting firearms to or from a Lot. The term "firearms" includes, but is not limited to, B-B guns, pellet guns, archery equipment and firearms of all types, regardless of size. The term "fireworks" shall include, but not be limited to, those items listed in O.C.G.A. Section 25-10-1, as amended.

6.18. Solar Devices. No artificial or man-made device which is designed or used for the collection of or heating by solar energy or other similar purposes shall be placed, allowed or maintained upon any portion of the Community, including any Lot, without the prior written consent of the Board.

6.19. Fences. Except for fences installed by the Declarant or the Association, no fence or fencing type barrier of any kind shall be placed, erected, allowed or maintained upon any portion of the Community.

6.20. Exterior Colors. The exterior of all improvements, including, without limitation, residences, constructed, erected, allowed or maintained in the Community must be painted or repainted in a color used by Declarant or its affiliates in the original construction and marketing of residences within the Community, or in accordance with applicable Architectural Guidelines. If the proposed color does not comply with the Architectural Guidelines, the color selection must be submitted for review and approval in accordance with Section 7. Implementation of the exterior color may not take place until approval has been given by the ARC.

6.21. Detached Structures.

(a) Except for detached structures installed by Declarant or its affiliates, no detached structure shall be placed, erected, allowed or maintained within the Community. Storage sheds or structures are specifically prohibited. No trailers, campers, vehicles, shacks, tents, any garages (attached and detached), barns or other structures may be used as a residence or living space in any manner whatsoever, either temporarily or permanently, within the Community.

Specifically, no garage, including, but not limited to, attached and detached garages, shall be utilized in any manner whatsoever as an additional living space or residence.

(b) Notwithstanding anything to the contrary herein, nothing in this Section shall be construed to prevent Declarant and those engaged in development, construction, marketing, property management or sales in the Community from using sheds, trailers or other temporary structures for any of the foregoing purposes. In addition, nothing in this Declaration shall be construed to prevent Declarant from developing, constructing, marketing, or maintaining model homes or speculative housing or sales and construction trailers in the Community.

6.22. Entry Features and Street Signs. Owners shall not alter, remove or add improvements to any entry features or street signs constructed within the Community, or any part of any easement area associated therewith, without the prior written consent of the Board.

6.23. Swimming Pools. No swimming pools shall be permitted in the Community unless installed by the Declarant. However, portable, inflatable wading pools designed for use by small children shall be permitted so long as they are properly maintained and stored out of view of neighboring Lots, driveways, alleys and streets.

6.24. Garage Sales. No garage sale, yard sale, flea market or similar activity shall be conducted in the Community without the prior written consent of the Board. If permitted, such activities shall be subject to all conditions imposed by the Board.

6.25. Window Coverings; Window Treatments. All shades, drapery linings and other window treatments visible from the exterior of a Lot shall be white, off-white or other acceptable color determined by the Board or as set forth in the Architectural Guidelines. No foil or other reflective material shall be used on any windows for sun screens, blinds, shades or any other purpose. If the proposed window covering or treatment does not comply with the Architectural Guidelines, the window covering or treatment must be submitted for review and approval in accordance with Section 7. Implementation of the window coverings or treatments may not take place until approval has been given by the ARC.

6.26. Use of Common Area.

(a) No one may obstruct the Common Area, or keep, park or store anything on any part of the Common Area without the prior written consent of the Board.

(b) Certain portions of the sidewalk located at the perimeter of the Community (as may be shown on recorded plats for the Community) will be owned, maintained, repaired, and/or replaced by the Association. The general public may not be restricted from these areas, even though the sidewalks are part of the Common Area.

6.27. Prohibition of Damage.

(a) Without the prior written consent of the Board, nothing shall be done or kept in the Community which would:

- (i) increase the rate of insurance that the Association is obligated to obtain and maintain hereunder;
 - (ii) be in violation of any statute, rule, ordinance, regulation, permit or other validly imposed requirements of any governmental body; or
 - (iii) increase the common expenses of the Association.
- (b) No Owner shall do any work which, in the reasonable opinion of the Board, would:
- (i) jeopardize the soundness or safety of the Community or any structure located within the Community;
 - (ii) reduce the value thereof; or
 - (iii) impair any easement or hereditament thereto.
- (c) No damage to or waste of the Common Area, or any part thereof, or of the exterior of any Lot shall be permitted by any Owner or member of his or her family or any invitee of any Owner. Each Owner shall indemnify and hold the Association and the other Owners harmless against all loss to the Association or other Owners resulting from any damage or waste caused by the Owner, members of his or her family, guests, invitees or Occupants of his or her Lot.

6.28. Window Air-Conditioning Lots. No window air conditioning units or window fans shall be installed on any Lot in the Community.

6.29. Traffic Regulations.

- (a) All vehicular traffic on a private road, drive and/or alley shall be subject to the provisions of the state and local laws concerning the operation of motor vehicles on public streets.
- (b) The Association is hereby authorized to promulgate, administer, and enforce reasonable rules and regulations governing vehicular and pedestrian traffic, including reasonable safety measures and speed limits similar to those in force on public streets, within the Community. The Association may establish enforcement procedures as it deems appropriate, including levying and collecting fines for the violations. If there is a conflict between the provisions of state and local laws and the rules and regulations promulgated by the Association, the rules and regulations of the Association shall govern.
- (c) Only drivers properly licensed to operate motor vehicles on the public roads within the State of Georgia may operate any type of motor vehicle within the Community. All vehicles of any kind and nature which are operated on the streets or alleys in the Community

shall be operated in a careful, prudent, safe, and quiet manner and with due consideration for the rights of all Owners and Occupants.

6.30. Flags. The Board may promulgate reasonable rules and regulations with respect to the display of flags in the Community, including, without limitation, regulating the size of flags that may be displayed and imposing reasonable time, place and manner restrictions pertaining to the displays. However, the Association shall not enact any rule or regulation which has the effect of prohibiting any Owner from displaying the flag of the United States of America on a Lot in the Community in contravention of the Freedom to Display the American Flag Act of 2005, or any other federal or state laws, rules or regulations.

6.31. Stormwater Management.

(a) A portion of the Community is encumbered by a Stormwater Management Facility Inspection and Maintenance/Indemnification Agreement with the City of Atlanta recorded on January 15, 2015 in Book 54543, Page 291, Fulton County, Georgia land records, as the same may be amended from time to time, (the "Stormwater Agreement").

(b) Declarant hereby reserves the right, without obligation, to enter into and record any and all amendments, modifications and other documents relating to the Stormwater Agreement in its sole and absolute discretion, without any approval of or vote by the Association or the Owners. Owners and the Association shall comply with all of the foregoing.

(c) Declarant hereby assigns to the Association, and the Association hereby assumes, all of the rights and obligations of Declarant, under the Stormwater Agreement. The Declarant shall not be responsible for any loss, damage, or injury to any person or property arising out of the authorized or unauthorized use of any of the encumbered property within the Community. The Board may issue rules and regulations on the permissible use of any area covered by the Stormwater Agreement by Owners, Occupants and guests, which rules and regulations shall not be inconsistent with the purposes and intentions of the Stormwater Agreements or applicable ordinances of the City of Atlanta or Fulton County.

6.32. Use of Limited Common Area. Use of Limited Common Area is restricted exclusively to the Owners of the Lots to which the Limited Common Area is assigned, and the Owner's family members, guests, tenants and invitees. The Limited Common Area is reserved for the exclusive use of the Lot Owners, but shall not be construed or interpreted to be separate and apart from the Common Area in general, and the restrictions applicable to the Common Area shall also apply to the Limited Common Area.

Section 7
Architectural Standards

7.1. General

(a) No exterior construction, alteration, addition or erection of any nature whatsoever (including, without limitation, fences, pools, tennis courts, exterior lighting, landscaping, trees, treehouses and play equipment) shall be commenced or placed upon any part of the Community, except as is (i) installed by the Declarant or its affiliates or the Association, (ii) approved in accordance with this Section, or (iii) otherwise expressly permitted herein.

(b) No exterior construction, addition, erection or alteration shall be made unless and until the plans and specifications showing the nature, kind, shape, height, materials and location shall have been submitted in writing to, actually received by, and approved in writing by the Board. The Board may promulgate written guidelines for the exercise of this review. The Board shall be the sole arbiter of the plans and specifications and may withhold approval on any reasonable basis, including purely aesthetic considerations, and it shall be entitled to stop any construction in violation of these restrictions. If the Board fails to approve or to disapprove plans and specifications within 60 days after the plans and specifications have been actually received by it, the plans and specifications will be deemed approved. However, all activities pursuant to plans which have been deemed approved must be consistent with the plans and must be consistent and in accordance with, and may not violate, this Declaration and any design guidelines.

(c) The Board may adopt Architectural Guidelines, and application and review procedures, which may provide for a review fee. The Architectural Guidelines or the application and review procedures may be modified, in whole or in part, repealed or expanded by the Board at any time and from time to time at its sole discretion. If the Board modifies, expands or repeals all or any portion of the Architectural Guidelines or the application and review procedures, the new Architectural Guidelines or application and review procedures shall be distributed to all Owners and Occupants prior to the date that they are to become effective and shall thereafter be binding upon all Owners and Occupants. The Board shall make the Architectural Guidelines available to Owners and Occupants who seek to engage in construction upon all or any portion of their Lot and the Owners and Occupants shall conduct their operations strictly in accordance therewith and with the provisions of this Section 7.

(d) All Owners and Occupants of Lots are hereby notified that the use of their Lots is limited by the Architectural Guidelines as they may be amended, expanded, and otherwise modified hereunder. Each Owner, by acceptance of a deed or entering into a contract of sale, acknowledges and agrees that the use and enjoyment and marketability of his or her Lot can be affected, that the Architectural Guidelines may change from time to time, and that the changed Architectural Guidelines may or may not be set forth in an instrument recorded in the Fulton County, Georgia land records.

7.2. Architectural Review Committee. The Board may, but shall have no obligation to, establish an ARC, which shall then have the rights, powers and authority as may be granted to it by the Board. The Board may grant to the ARC all of its rights, powers and authorities hereunder, or may grant the ARC limited rights as it deems appropriate in its sole discretion. If all or any portion of the rights, powers and authorities are granted to an ARC, this Section 7 or portions thereof, as appropriate, shall then be read and interpreted as if any reference to the authority of or action by the Declarant in this Section 7 were a reference to the ARC. Notwithstanding anything herein to the contrary, the Board shall have the sole right and authority to appoint and remove the members of the ARC.

7.3. Inspection Rights. Any member of the Board shall have the right, during reasonable hours, to enter upon any property to determine whether or not these restrictive covenants have been or are being complied with and such Person or Persons shall not be deemed guilty of trespass by reason of the entry. Nothing herein shall authorize entry into dwelling located on a Lot without the permission of the Owner.

7.4. Owner Responsibilities. As a condition of any approval granted under this Section, the Owner making the application, on behalf of the Owner and the Owner's successors-in-interest, shall assume all responsibility for the maintenance, repair, replacement and insurance to and on any change, modification, addition or alteration. In the discretion of the Board, an Owner may be required to verify such condition of approval by a recordable written instrument acknowledged by the Owner on behalf of the Owner and the Owner's successors-in-interest.

7.5. New Construction. Notwithstanding anything to the contrary in this Section 7, during the Declarant Control Period, Declarant shall have the sole right, power and authority to review and approve all plans and specifications for new home construction in the Community. Upon the termination of the Declarant Control Period or upon the voluntary surrender of the right by Declarant in a document executed and recorded in the land records, the Board shall have the right to review and approve all plans and specifications for new home construction in the Community.

7.6. Limitation on Liability. PLANS AND SPECIFICATIONS ARE NOT REVIEWED BY THE BOARD OR ARC FOR ENGINEERING OR STRUCTURAL DESIGN, QUALITY OF MATERIALS, COMPLIANCE WITH ZONING CONDITIONS, BUILDING CODES, PERMITTING REQUIREMENTS OR OTHER LOCAL OR GOVERNMENTAL LAWS AND ORDINANCES GOVERNING CONSTRUCTION IN THE COMMUNITY. BY APPROVING PLANS AND SPECIFICATIONS, THE DECLARANT, THE BOARD, ITS MEMBERS, AND THE ASSOCIATION DO NOT ASSUME LIABILITY OR RESPONSIBILITY THEREFOR, NOR FOR ANY DEFECT IN ANY STRUCTURE CONSTRUCTED FROM THE PLANS AND SPECIFICATIONS OR FOR VIOLATIONS OF BUILDING CODES, ZONING CONDITIONS, PERMITTING REQUIREMENTS OR OTHER VIOLATIONS OF LOCAL LAWS AND ORDINANCES GOVERNING CONSTRUCTION IN THE COMMUNITY. DECLARANT, ITS PARTNERS AND AFFILIATES, THE ASSOCIATION, THE BOARD AND THE OFFICERS, DIRECTORS, MEMBERS, SHAREHOLDERS, EMPLOYEES AND AGENTS OF ANY OF THEM, SHALL NOT BE LIABLE IN DAMAGES OR OTHERWISE TO ANYONE SUBMITTING PLANS AND

SPECIFICATIONS FOR APPROVAL, OR TO ANY OWNER OF PROPERTY AFFECTED BY THESE RESTRICTIONS, BY REASON OF ANY MISTAKE IN JUDGMENT, NEGLIGENCE OR NONFEASANCE ARISING OUT OF OR IN CONNECTION WITH THE APPROVAL OR DISAPPROVAL OR THE FAILURE TO APPROVE OR DISAPPROVE ANY SUCH PLANS AND SPECIFICATIONS. EVERY PERSON WHO SUBMITS PLANS AND SPECIFICATIONS AND EVERY OWNER AGREES THAT SUCH PERSONS AND OWNERS WILL NOT BRING ANY ACTION OR SUIT AGAINST DECLARANT, ITS PARTNERS AND AFFILIATES, THE ASSOCIATION, THE BOARD OR THE OFFICERS, DIRECTORS, MEMBERS, SHAREHOLDERS, EMPLOYEES AND AGENTS OF ANY OF THEM, TO RECOVER ANY DAMAGES OR FOR ANY OTHER PURPOSE, AND SUCH PERSONS AND OWNERS HEREBY RELEASE, REMISE, QUITCLAIM AND COVENANT NOT TO SUE FOR ALL CLAIMS, DEMANDS AND CAUSES OF ACTION, ARISING OUT OF OR IN CONNECTION WITH ANY MISTAKE IN JUDGMENT, NEGLIGENCE OR NONFEASANCE IN CONNECTION WITH THE APPROVAL OR DISAPPROVAL OR THE FAILURE TO APPROVE OR DISAPPROVE ANY PLANS AND SPECIFICATIONS. ALL SUCH PERSONS AND OWNERS HEREBY WAIVE THE PROVISIONS OF ANY LAW WHICH PROVIDE THAT A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS, DEMANDS AND CAUSES OF ACTION NOT KNOWN AT THE TIME THE RELEASE IS GIVEN.

7.7. **Declarant Exclusion.** This Section 7 shall not apply to any activities of the Declarant or its affiliates. No architectural review is required for any activities of Declarant or its affiliates.

Section 8 **Leasing**

8.1 General.

(a) In order to preserve the character of the Community as predominantly owner-occupied, and to comply with the eligibility requirements for financing in the secondary mortgage market, leasing of the individual townhome units located on Lots (the “Units”) shall be governed by the applicable zoning conditions and the restrictions imposed by this Section. As used herein, “leasing” shall mean the regular, exclusive occupancy of a Unit by any Persons other than the Owner for which the Owner receives any direct or indirect monetary or economic benefit. The occupancy of a Unit by a roommate of an Owner then occupying a Unit and occupancy of a Unit by a member of an Owner’s family shall not constitute leasing. Except as provided herein, the leasing of Units shall be prohibited.

(b) Owners desiring to lease their Unit may do so only if they have applied for and received from the Board a “leasing permit,” or “hardship leasing permit” pursuant to an application process to be promulgated by the Board. Such a permit, upon its issuance, will allow an Owner to lease a Unit in strict accordance with the terms of the permit and this Section. The Board shall have the authority to establish conditions as to the duration and use of such permits consistent with this Section. Each leasing permit or hardship leasing permit, as applicable, shall be valid only as to a specific Owner and Unit and shall not be transferable between either Units

or Owners (including a subsequent Owner of a Lot for which a permit was issued to the Owner's predecessor in title with respect to the Unit thereon).

8.2 Maximum Allowable Leases. An Owner's application for a leasing permit shall be considered if the number of then current, outstanding leasing permits (including hardship leasing permits) for Units, including the request then under consideration, does not exceed the "Maximum Allowable Leases." The Maximum Allowable Leases is currently set at 6.

8.3 Revocation of Leasing Permit. A leasing permit shall be automatically revoked upon the happening of any of the following events:

(a) the sale or transfer of the Lot with the leased Unit to a third party, excluding sales or transfers to:

- (i) an Owner's spouse,
- (ii) a person cohabiting with the Owner, and
- (iii) a corporation, partnership, company, or legal entity in which the Owner is a principal;

(b) the failure of an Owner to lease the Owner's Unit within 90 days of the leasing permit having been issued;

(c) the failure of an Owner to have the Owner's Unit leased for any consecutive 90-day period thereafter; or

(d) an Owner occupies the Unit.

8.4 Waiting List. If the number of current leasing permits, including the request then under consideration, exceeds the Maximum Allowable Leases, no additional leasing permits shall be issued until the number of outstanding current leasing permits, including the next request under consideration, would fall at or below the Maximum Allowable Leases. Owners who have been denied a leasing permit shall automatically be placed on a waiting list for a leasing permit and shall be issued the same if they so desire when the number of current outstanding leasing permits, including the next one to be issued, falls to less than the Maximum Allowable Leases.

8.5 Hardship Leasing.

(a) If leasing permits equaling the Maximum Allowable Leases have been issued, an Owner who believes that he or she must lease his or her Unit to avoid undue hardship shall submit a written application to the Board setting forth the circumstances necessitating the leasing, a copy of the proposed lease, and such other information as the Board may reasonably require. Those Owners who have complied with this Section, have demonstrated that the inability to lease their Unit would result in undue hardship, and have obtained written Board approval for a hardship leasing permit may lease their Unit for such duration as the Board

reasonably determines is necessary to prevent undue hardship in accordance with the terms of the hardship leasing permit.

(b) For purposes of this Section, undue hardship shall include, but not be limited to, the following situations:

(i) an Owner must relocate his residence outside the greater Atlanta metropolitan area and cannot, within 6 months from the date that the Lot with the leased Unit was placed on the market, sell the Lot except at a price below the current appraised market value, after having made reasonable efforts to do so;

(ii) the Owner is deceased and the Lot with the leased Unit is being administered by a personal representative; or

(iii) the Owner takes a leave of absence from employment or temporarily relocates for employment purposes and intends to return to reside in the Unit, in which case the Owner must reapply every year for renewal of the hardship exception.

(c) In determining whether to issue a hardship leasing permit the Board may consider the following factors, which include, but are not limited to:

(i) the nature, degree and likely duration of the hardship;

(ii) the harm, if any, which will result to the Community if the hardship leasing permit is approved;

(iii) the number of hardship leasing permits which have been issued to other Owners;

(iv) the Owner's role in causing the hardship or ability to cure the hardship; and

(v) whether previous hardship leasing permits have been issued to the Owner.

8.6 Leasing Provisions. Any leases that are permitted must satisfy the following provisions:

(a) Notice. At least 7 days prior to entering into the lease of a Unit, the Owner shall provide a copy of the proposed lease agreement to the Board.

(b) Form of Lease. The Board may approve or disapprove the form of said lease. If a lease is disapproved, the Board shall notify the Owner of the requisite action to be taken in order to bring the lease in compliance with the Declaration and any rules and regulations adopted pursuant thereto.

(c) General. Units may be leased only in their entirety. No fraction or portion of a Unit may be leased. There shall be no subleasing of Units or assignment of leases without prior written Board approval. Any lease must provide for a term of at least one year. Within 10 days

after executing a lease agreement for the lease of a Unit, the Owner shall provide the Board with a copy of the lease, the name of the lessee and all other people occupying the Unit and the Owner's address and other contact information other than at the Unit. The Owner must provide the lessee copies of the Governing Documents.

(d) Limitation on Board's Approval. Nothing herein shall be construed as giving the Association the right to approve or disapprove a proposed lessee. The Board's approval or disapproval shall be limited to the form of the proposed lease.

(e) Liability for Assessments, Use of Common Area, and Compliance with Declaration, Bylaws, Rules and Regulations and Architectural Guidelines. Each Owner covenants and agrees that any lease of a Unit shall contain the following language and agrees that if the language is not expressly contained therein, then the language shall be incorporated into the lease by existence of this covenant. The lessee, by occupancy of the Unit, agrees to the applicability of this covenant and incorporation of the following language into the lease:

(i) Compliance with Declaration, Bylaws, Rules and Regulations and Architectural Guidelines. The Owner's lessee shall comply with all provisions of the Governing Documents, and shall control the conduct of all other Occupants and guests of the leased Unit in order to ensure compliance. The Owner shall cause all Occupants of the Unit to comply with the Governing Documents and shall be responsible for all violations by the Occupants, notwithstanding the fact that the Occupants of the Unit are fully liable and may be sanctioned for any violation. If the lessee, a guest of the lessee, or a person living with the lessee, violates the Governing Documents for which a fine is imposed, notice of the violation shall be given to the Owner and the Owner's lessee, and the fine may be assessed against the lessee in accordance with Section 16.2. If the fine is not paid by the lessee within the time period set by the Board, the Owner shall pay the fine upon notice from the Association of the lessee's failure to pay the fine. Unpaid fines shall constitute a lien against the Lot containing the applicable leased Unit.

(ii) Violations of the Governing Documents. Any violation of the Governing Documents by the lessee, any Occupant, or any guest of lessee, is deemed to be a default under the terms of the lease and it gives the Owner the right to terminate the lease without liability and to evict the lessee in accordance with Georgia law. The Owner hereby delegates and assigns to the Association, acting through the Board, the power and authority of enforcement against the lessee for breaches resulting from the violation of the Governing Documents, including, without limitation, the power and authority as attorney-in-fact on behalf and for the benefit of the Owner to evict the lessee. If the Association proceeds to evict the lessee, any costs, including reasonable attorneys' fees actually incurred and court costs, associated with the eviction shall be an assessment and lien against the Lot containing the applicable leased Unit.

(iii) Use of Common Area. The Owner transfers and assigns to the Owner's lessee, for the term of the lease, any and all rights and privileges that the Owner has to use the Common Area, including the Limited Common Area.

(iv) Liability for Assessments; Assignment of Rent. If an Owner who is leasing a Unit fails to pay any annual, special or specific assessment or any other charge for a

period of more than 30 days after it is due and payable, then the delinquent Owner hereby consents to the assignment of any rent received from the lessee during the period of delinquency, and, upon request by the Board, the lessee shall pay to the Association all unpaid annual, special and specific assessments and other charges payable during and prior to the term of the lease and any other period of occupancy by the lessee. However, the lessee need not make payments to the Association in excess of, or prior to the due dates for, monthly rental payments unpaid at the time of the Board's request. All payments made by the lessee shall reduce, by the same amount, the lessee's obligation to make monthly rental payments to Owner. If the lessee fails to comply with the Board's request to pay assessments or other charges, the lessee shall pay to the Association all amounts authorized under the Declaration as if the lessee were an Owner. The above provision shall not be construed to release an Owner from any obligation, including the obligation for assessments, for which an Owner would otherwise be responsible.

8.7 Mortgage Exemption. The provisions of this Section shall not apply to any Mortgage in possession of a Unit through foreclosure or otherwise as a result of the exercise of any rights arising out of a first priority Mortgage on a Lot, as provided in Section 13.3.

8.8 Leasing Rights Reserved by Declarant.

(a) Notwithstanding the restriction on the leasing of Units as described herein, Declarant may grant an Owner the right to lease a Unit for any reason and the extent and duration of said privilege granted by Declarant shall be determined solely by Declarant. Any ability to lease a Unit granted by the Declarant which extends beyond the termination of Declarant's rights under this Declaration shall be valid and may not be terminated by the Association so long as the Owner complies with the terms and conditions imposed by Declarant.

(b) The leasing restrictions of this Section 8 shall not apply to any Lots or Units owned by the Declarant.

Section 9
Insurance and Casualty Losses

9.1. Insurance Obtained by Association.

(a) By virtue of taking title to a Lot subject to the terms of this Declaration each Owner acknowledges that the Association shall have no obligation to maintain insurance covering the personal property of an Owner or Occupant within a Lot. Each Lot Owner covenants and agrees with all other Owners to obtain and maintain the following (the policies required hereunder shall be in effect at all times):

- (i) a liability policy covering damage or injury occurring in a Lot; and
- (ii) insurance covering an Owner's or Occupant's personal property.

(b) Unless otherwise determined by resolution of the Board and at least 30 days' prior written notice to each Owner, the Association shall obtain a blanket casualty insurance policy

providing property insurance coverage for all structures constituting Lots. Insurance obtained and maintained by the Association shall cover loss or damage by fire or other hazards, including extended coverage, vandalism and malicious mischief and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. Alternatively, the Board may purchase "all-risk" coverage in like amounts.

(c) The deductible for any casualty insurance policy carried by the Association shall, in the event of damage or destruction, be allocated among the Persons who would be responsible for the loss in the absence of insurance. If the loss affects more than one Lot or a Lot and the Common Area, the cost of the deductible may be apportioned and assessed equitably by the Board among the parties suffering loss in accordance with the total costs of repair, unless the insurance policy provided that the deductible will apply to each Lot separately. If any Lot Owner fails to pay the deductible when required hereunder, the Association can pay the deductible and assess the cost to the Owner pursuant to Section 4.5.

(d) If available at reasonable cost, as determined in the sole discretion of the Board, the Board shall obtain a public liability policy applicable to the Common Area insuring the Association and its members for all damage or injury caused by the negligence of the Association or any of its members or agents. The public liability policy shall have a combined single limit of at least \$1,000,000.00. If available at reasonable cost, as determined in the sole discretion of the Board, the Board shall also obtain directors' and officers' liability insurance.

(e) The Board is hereby authorized to contract with or otherwise arrange to obtain the insurance coverage required hereunder through the Declarant or its affiliates, which may be under a blanket policy at the Declarant's sole discretion, and to reimburse the Person so providing or arranging the insurance coverage for the cost thereof. The Declarant or its affiliates shall be authorized, but not obligated, to purchase insurance coverage for the benefit of the Association and the Owners upon Declarant or its affiliate, as the case may be, and the Association agreeing upon the terms and conditions applicable to reimbursement by the Association for costs incurred by Declarant or its affiliate, as the case may be, in obtaining the coverage. Notwithstanding anything contained in this Declaration to the contrary, the Board shall not be required to comply with the provisions of this Section 9 if it has contracted for or otherwise arranged to obtain the required insurance coverage through the Declarant or its affiliates.

(f) Premiums for all insurance shall be common expenses of the Association. The policies may contain a reasonable deductible, and the amount thereof shall not be subtracted from the face amount of the policy in determining whether the insurance at least equals the full replacement cost. The premiums for property insurance which the Association maintains on behalf of the Lots will, if reasonably possible, be included as a line item in the budget.

(g) All insurance coverage obtained by the Board shall be written in the name of the Association, on its own behalf and as trustee for the respective parties which may be benefited by the insurance, as their interests may appear. The insurance shall be governed by the provisions hereinafter set forth:

- (i) All policies shall be written with a company authorized to do business in the state in which the Community is located.
- (ii) Exclusive authority to adjust losses under policies obtained by the Association shall be vested in the Board; provided, however, no Mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related thereto.
- (iii) In no event shall the insurance coverage obtained and maintained by the Board hereunder be brought into contribution with insurance purchased by individual Owners, Occupants, or their Mortgagees.
- (iv) All casualty insurance policies shall have an inflation guard endorsement and an agreed amount endorsement, if these are available at a reasonable price.
- (v) The Board will make reasonable efforts to ensure that insurance policies provide for the following:
 - (A) a waiver of subrogation by the insurer as to any claims against the Board, its manager, the Owners and their respective tenants, servants, agents and guests;
 - (B) a waiver by the insurer of its rights to repair and reconstruct instead of paying cash;
 - (C) that no policy may be canceled, subjected to nonrenewal, invalidated or suspended on account of the acts of any one or more individual Owners;
 - (D) that no policy may be canceled, subjected to nonrenewal, invalidated or suspended on account of any defect or the conduct of any director, officer or employee of the Association or its duly authorized manager without prior demand in writing delivered to the Association to cure the defect or to cease the conduct and the allowance of a reasonable time thereafter within which a cure may be effected by the Association, its manager, any Owner or Mortgagee;
 - (E) that any "other insurance" clause in any policy exclude individual Owners' policies from consideration; and
 - (F) that no policy may be canceled, subjected to nonrenewal, or substantially modified without at least 30 days' prior written notice to the Association.

(h) In addition to other insurance coverage required by this Section, the Board shall obtain workers compensation insurance, if and to the extent necessary to satisfy the requirements of applicable law.

(i) If available at reasonable cost, as determined in the sole discretion of the Board, the Board shall obtain a fidelity bond or employees dishonesty coverage covering directors, officers, employees and other Persons handling or responsible for the Association's funds. The amount of fidelity or employees dishonesty coverage, if obtained, shall be determined in the Board's judgment. The coverage, if obtained, shall contain a waiver of all defenses based upon the exclusion of Persons serving without compensation and shall not be subject to cancellation, nonrenewal or substantial modification without at least 10 days' prior written notice to the Association.

(j) The Association shall also obtain construction code endorsements, steam boiler coverage and flood insurance, if and to the extent necessary to satisfy the requirements of The Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association, the U.S. Department of Veterans Affairs ("VA") or the U.S. Department of Housing and Urban Development ("HUD").

9.2. Damage and Destruction -- Property Insured by Association.

(a) Immediately after the damage or destruction by fire or other casualty to all or any portion of any improvement covered by insurance written in the name of the Association, the Board or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under the insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this Section, means repairing or restoring the property to substantially the same condition and location that existed prior to the fire or other casualty, allowing for any changes or improvements necessary to comply with applicable building codes.

(b) Any damage or destruction to property required to be covered by insurance written in the name of the Association shall be repaired or reconstructed unless, within 60 days after the casualty, at least 75% of the Total Association Vote and the Declarant (in the case of property which primarily benefits or is available for use by all Owners), or Owners representing at least 75% of the applicable group or class of Lots and the Declarant (in the case of property which primarily benefits or is available for use by a group or class of Owners only) otherwise agree. If for any reason either the amount of the insurance proceeds to be paid as a result of the damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within such period, then the period shall be extended (up to 60 days) until the information shall be made available. No Mortgagee shall have the right to participate in the determination of whether damage or destruction shall be repaired or reconstructed.

(c) If the damage or destruction for which the insurance proceeds are paid is to be repaired or reconstructed and the proceeds are not sufficient to defray the cost thereof, the Board

shall, without the necessity of a vote of the Association's members, levy a special assessment against all Owners in proportion to the number of Lots owned by such Owners (in the case of property which primarily benefits or is available for use by all Owners), or against all Owners in a particular group or class of Lots (in the case of property which primarily benefits or is available for use by a group or class of Owners only). Additional assessments may be made in like manner at any time during or following the completion of any repair or reconstruction. If the funds available from insurance exceed the costs of repair or reconstruction or if the improvements are not repaired or reconstructed, the excess funds shall be deposited to the benefit of the Association.

(d) If it should be determined in the manner described above that the damage or destruction shall not be repaired or reconstructed and no alternative improvements are authorized, then, and in that event, the property shall be restored to its natural state and maintained as an undeveloped portion of the Community by the Association in a neat and attractive condition consistent with the Community-Wide Standard and this Declaration.

Section 10

Annexation and Withdrawal of Property

10.1. Unilateral Annexation by Declarant.

(a) As the owner of the real property, or if not the owner, with the consent of the owner of the real property, Declarant shall have the unilateral right, privilege and option from time to time at any time until 10 years after the recording of this Declaration to subject all or any portion of the real property described in Exhibit "B" attached hereto and by reference made a part hereof to the provisions of this Declaration and the jurisdiction of the Association by filing for record in the Fulton County, Georgia land records a Supplementary Declaration describing the property being annexed. The annexation will be effective upon the filing for record of the Supplementary Declaration unless a later effective date is provided therein. The Declarant may unilaterally amend this Declaration to reflect the different character of any annexed real property, as long as covenants applicable to the real property previously subjected to this Declaration are not changed and as long as rights of then Owners are not adversely affected.

(b) The rights reserved by Declarant to subject additional land to this Declaration shall not be implied or construed so as to impose any obligation upon Declarant to subject any additional land to this Declaration or to the jurisdiction of the Association. If additional land is not subjected to this Declaration, Declarant's reserved rights shall not impose any obligation on Declarant to impose any covenants and restrictions similar to those contained herein upon additional land, nor shall the rights in any manner limit or restrict the use to which the additional land may be put by Declarant or any subsequent owner thereof, regardless of whether the uses are consistent with the covenants and restrictions imposed herein.

10.2. Other Annexation. Subject to the consent of the owner thereof and, during the Declarant Control Period, the consent of the Declarant, upon the affirmative vote or written consent, or any combination thereof, of at least 2/3 of the Total Association Vote, the Association may annex other real property to the provisions of this Declaration and the

jurisdiction of the Association by filing for record in the land records of the county in which the property to be annexed is located a Supplementary Declaration describing the property being annexed. This Supplementary Declaration shall be signed by the President and Secretary of the Association, and the annexation shall be effective upon the filing for record of the Supplementary Declaration, unless a later effective date is provided therein.

10.3. Withdrawal of Property. During the Declarant Control Period, Declarant reserves the right to amend the Declaration to remove any portion of the Community then owned by Declarant or its respective affiliates or the Association (or if not so owned, removal/withdrawal may be accomplished with the written consent of the owners of the property) from the coverage of this Declaration, so long as the withdrawal is not unequivocally contrary to the overall uniform scheme of development for the Community. Any withdrawal shall be accomplished by the filing for record of an amendment to this Declaration describing the property being removed and shall be effective upon filing for record in Fulton County, Georgia land records, unless a later effective date is provided therein. The amendment shall be executed by the Declarant and the Owners of the property being removed and shall not require the vote or consent of any other Person.

10.4. Additional Covenants, Restrictions and Easements. The Declarant may unilaterally subject any portion of the property submitted to this Declaration initially or by Supplementary Declaration to additional covenants, restrictions and easements and/or modify the applicability of the covenants, restrictions and easements contained in this Declaration as to such property. The additional covenants, conditions, restrictions and easements may be set forth in a Supplementary Declaration or a separate declaration of protective covenants or other document filed either concurrently with or after the annexation of the subject property. Any such document filed by the Declarant may supplement, create exceptions to, or otherwise modify the terms of this Declaration as it applies to the subject property in order to reflect the different character and intended use of the property. No Person shall record any declaration of covenants, conditions and restrictions, easements, or similar instrument without Declarant's review and written consent. Any attempted recordation without such consent shall result in the instrument being void and of no force and effect unless subsequently approved by written consent signed by the Declarant and recorded in the Fulton County, Georgia land records. No instrument recorded by any Person, other than the Declarant pursuant to this Section, may conflict with the Governing Documents.

Section 11 **Easements**

11.1. Easements for Encroachment and Overhang.

(a) There is hereby reserved and established by the Declarant for the benefit of each Lot a reciprocal appurtenant easement for encroachment and overhang between adjacent Lots and between a Lot and adjacent Common Area, due to the original construction or the unintentional placement or settling or shifting of the improvements constructed, reconstructed, or altered thereon (in accordance with the terms of this Declaration) to a distance of not more than 2 feet, as measured from any point on the common boundary. In no event shall an easement for

encroachment exist if the encroachment occurred due to willful conduct on the part of an Owner or Occupant after the original construction of the Lot. If any Lot is damaged or destroyed as a result of fire or other casualty or as a result of condemnation or eminent domain proceedings, the Owner of the Lot shall have an easement to reconstruct the encroachments in connection with the reconstruction of the dwelling.

(b) Easements shall also exist for encroachment upon the Common Area and/or Lots as necessary for the express purpose of maintenance, repair and restoration of any Lot, structure or improvement located thereon. The easements shall be used only for the period of time as is reasonably necessary in order to complete the needed maintenance, repair and restoration. The Owner of the Lot exercising the easement right shall be liable for the prompt repair of any damage to the property over which the easement is exercised which is caused by the maintenance, repair or restoration work. The damaged portions of the property shall be restored to substantially the same condition as existed prior to the damage. No easement for encroachment shall exist if the encroachment occurred due to willful conduct on the part of an Owner, tenant or the Association.

11.2. Easements for Use and Enjoyment.

(a) Every Owner of a Lot shall have a right and easement of ingress and egress, use and enjoyment in and to the Common Area which shall be appurtenant to and shall pass with the title to his Lot, subject to the following provisions:

- (i) The Association may suspend the voting rights of an Owner:
 - (A) for any period during which any assessment against such Owner's Lot remains unpaid, and
 - (B) for a reasonable period of time, for an infraction of the Governing Documents.
- (ii) The Association may:
 - (A) borrow money for the purpose of improving the Common Area, or any portion thereof, or for constructing, repairing or improving any facilities located or to be located thereon, and
 - (B) give as security for the payment of any loan a Mortgage conveying all or any portion of the Common Area. The lien and encumbrance of any Mortgage given by the Association must be subject and subordinate to any rights, interests, options, easements and privileges herein reserved or established for the benefit of Declarant and/or its affiliates, any Lot or Lot Owner, and/or the holder of any Mortgage, regardless of when executed, given by Declarant or any Lot Owner encumbering any Lot or other property located within the Community. Any provision in this

Declaration or in any Mortgage given by the Association to the contrary notwithstanding, the exercise of any rights therein by the holder thereof in the event of a default thereunder shall not cancel or terminate any rights, interests, options, easements or privileges herein reserved or established for the benefit of Declarant and/or its respective affiliates, any Lot or Lot Owner, and/or the holder of any Mortgage, regardless of when executed, given by Declarant or any Lot Owner encumbering any Lot or other property located within the Community). No Mortgage given by the Association shall be effective unless the loan has been approved by the Declarant and, following the Declarant Control Period, at least 2/3 of the Total Association Vote.

- (iii) The Association may, acting through the Board and without a vote of the members, dedicate or grant licenses, permits, easements and rights-of-way over, under and through the Common Area.
- (iv) The Association may dedicate, transfer or convey all or any portion of the Common Area subject to conditions as may be agreed to by the members of the Association. No dedication or transfer shall be effective unless the dedication or transfer has been approved by Declarant and, following the Declarant Control Period, at least 2/3 of the Total Association Vote.
- (v) Use of Common Area is subject to all other rights of the Association, the Declarant, Owners and Occupants set forth in this Declaration, any Supplementary Declaration, or in any deed conveying Common Area to the Association.
- (vi) Use of Common Area is subject to encumbrances and other matters shown by the public records affecting title to the Common Area.

(b) Any Owner may delegate his or her right of use and enjoyment in and to the Common Area and facilities located thereon to the members of his immediate family, his tenants and guests and shall be deemed to have made a delegation of all such rights to the Occupants of the Owner's Lot if it is leased.

11.3. Association Easements for Utilities.

(a) Declarant hereby establishes for the benefit of each Lot a nonexclusive easement for access to and installation, maintenance, repair, replacement and use of all pipes, wires, cables, conduits, utility lines, flues and ducts serving the Lot and situated in, on or under any other Lot or the Common Property. If any Owner desires access to another Lot to install, maintain, repair or replace any utility pipe, wire, cable, conduit, utility line, flue or duct, the Owner shall contact the Owner of the other Lots at least 2 days in advance of the date that access is needed and attempt to agree on a convenient date and time for access by the Owner and the Owner's contractors. Access in emergency situations shall be granted promptly upon request.

Any Owner of a Lot to which access is needed under this Section shall not unreasonably withhold, condition or delay the access. Rights exercised pursuant to this easement shall be exercised with a minimum of interference to the quiet enjoyment of affected Lots, reasonable steps shall be taken to protect the Lots and the property of the Owners and Occupants thereof, and damage shall be repaired by the Person causing the damage at its sole expense.

(b) There is hereby reserved to the Declarant and granted to utility providers and the Association blanket easements upon, across, above and under all property within the Community for access, ingress, egress, installing, repairing, replacing and maintaining all utilities serving the Community or any portion thereof, including, but not limited to, gas, water, sanitary sewer, storm drainage and storm sewer, telephone and electricity utilities, as well as other services, such as, but not limited to, master television antenna systems, cable television systems, or security systems, which the Declarant or Association might decide to have installed to serve the Community. However, these easement areas shall not include any portion of a Lot within the outer perimeter of the dwelling structure.

(c) The Declarant, the Association, or their respective designees, as the case may be, may install, repair, replace and maintain, or authorize the installation, repair, replacement and maintenance of wires, conduits, cables and other equipment related to the providing of any utility or service. If any party furnishing any utility or service requests a specific license or easement by separate recordable document, the Board shall have the right to grant an easement.

11.4. Easements for Association Maintenance. Declarant hereby grants to the Association a perpetual easement across portions of the Community, determined in the sole discretion of the Association, as are necessary to allow for the maintenance required under Section 5. The maintenance shall be performed with a minimum of interference to the quiet enjoyment of Owners' property, reasonable steps shall be taken to protect the property, and damage shall be repaired by the Person causing the damage at its sole expense.

11.5. Easements for Maintenance and Repair. There shall be reciprocal appurtenant easements between adjacent Lots for the purpose of maintaining or repairing Lots, which easements shall extend to a distance of not more than 5 feet as measured from any point on the common boundary between the Lots and along a line perpendicular to the boundary at such point. The easement shall be used only for the period of time as is reasonably necessary in order to complete the needed maintenance or repair. The Lot Owner exercising this easement right shall be liable for the prompt repair of any damage to the Lot over which this easement is exercised which is caused by the maintenance or repair work. The damaged portions of the Lot shall be restored to substantially the same condition as existed prior to the damage.

11.6. Easements for Entry. In addition to the right of the Board to exercise self-help as provided in Section 16.3, the Board shall have the right, but shall not be obligated, to enter upon any property within the Community for emergency, security and safety reasons, which right may be exercised by the property manager and all policemen, firemen, ambulance personnel and similar emergency personnel in the performance of their respective duties. Except in an emergency situation, entry shall only be during reasonable hours and after notice to the Owner, and the entering party shall be responsible for any damage caused. This right of entry

shall include the right of the Board to enter to cure any condition which may increase the possibility of a fire, slope erosion or other hazard if an Owner or Occupant fails or refuses to cure the condition upon request by the Board.

11.7. Easements for Entry Features and Street Signs. There is hereby reserved to the Declarant and granted to the Association, and their respective designees, an easement over and upon all of the Community for ingress to, egress from, installation, construction, landscaping and maintenance of entry features and street signs for the Community. The easement and right herein reserved shall include the right to cut, remove and plant trees, shrubbery, flowers and other vegetation around all entry features and the right to grade the land under and around the entry features.

11.8. Easements for Drainage.

(a) There is hereby reserved by the Declarant and granted to the Association and to the appropriate county or city authority an easement upon, across, above and under all storm water drainage easement areas as shown on the recorded subdivision plats for the Community for access, ingress, egress, installation, alteration, repair, replacement, and maintenance of the storm water drainage system and related facilities serving the Community or any portion thereof. This easement shall include the right to construct and maintain catch basins, retention ponds, detention ponds, drainage swales, storm sewers, storm drains, sloping banks, cut or fill.

(b) There is hereby reserved to the Declarant and granted to the Association a blanket easement across the Community for creating and maintaining satisfactory drainage in the Community; provided, however, the easement area shall not include any portion of a Lot within the outer perimeter of the dwelling structure. It is anticipated that increased storm water run-off across downstream Lots will result from the construction of impervious surface in the Community. The Declarant, the Association nor any other builder or Owner constructing according to plans and specifications approved under Section 7 shall have any liability to any Owner due to the increased flow or increased velocity of surface water resulting from approved construction within the Community.

Section 12
Condemnation

If all or any part of the Common Area shall be taken (or conveyed in lieu of and under threat of condemnation by the Board, acting on behalf of the Association or on the written direction of all Owners of Lots subject to the taking, if any) by any authority having the power of condemnation or eminent domain, the Association shall represent the Owners. The award made for the taking shall be payable to the Association as trustee for all Owners. The provisions of Section 9.2 above, applicable to damage or destruction of property insured by the Association, shall govern replacement or restoration and the actions to be taken if the improvements are not restored or replaced. Any and all condemnation proceeds relating to Common Area shall remain the property of the Association. No portion of any condemnation proceeds related to Common Area shall be paid or payable to any Owners or their Mortgagees.

Section 13
Mortgage Provisions

13.1. General. The following provisions are for the benefit of holders of first Mortgages on Lots in the Community. The provisions of this Section apply to both this Declaration and to the Bylaws, notwithstanding any other provisions contained therein.

13.2 Notices of Action. An institutional holder, insurer or guarantor of a first Mortgage who provides a written request (which must state the name and address of the holder, insurer or guarantor and the Lot number) to the Association (therefore becoming an “eligible holder”) will be entitled to timely written notice of:

- (a) any condemnation loss or any casualty loss which affects a material portion of the Community or which affects any Lot on which there is a first Mortgage held, insured or guaranteed by the eligible holder;
- (b) any delinquency in the payment of assessments or charges owed by an Owner of a Lot subject to the Mortgage of the eligible holder, where the delinquency has continued for a period of 60 days;
- (c) any default in the performance by an Owner of a Lot of any obligation under the Declaration or Bylaws of the Association which is not cured within 60 days;
- (d) any lapse, cancellation or material modification of any insurance policy maintained by the Association; or
- (e) any proposed action which would require the consent of a specified percentage of Mortgage holders.

13.3 No Priority. No provision of this Declaration or the Bylaws gives or shall be construed as giving any Owner or other party priority over any rights of the first Mortgagee of any Lot in the case of distribution to an Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Area.

13.4 Notice to Association. Upon request, each Owner shall be obligated to furnish to the Association the name and address of the holder of any Mortgage encumbering the Owner’s Lot.

13.5 Amendments by Board. If the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation subsequently deletes or modifies any of their respective requirements that affect this Declaration, then the Association or the Board, without approval of the Owners, may cause an amendment to this Section to be recorded to reflect the changes.

13.6 Applicability of Section 13. Nothing contained in this Section shall be construed to reduce the percentage vote that must otherwise be obtained under the Declaration, Bylaws, or Georgia law for any of the acts set out in this Section.

13.7 Failure of Mortgagee to Respond. Any Mortgagee who receives a written request from the Board to respond to or consent to any action shall be deemed to have approved the action if the Association does not receive a written response from the Mortgagee within 30 days of the date of the Association's request.

Section 14 **Use of Recreational Facilities by Nonmembers**

As of the date that this Declaration is recorded in the Fulton County, Georgia land records, Declarant does not intend to construct recreational facilities in the Community. However, in the event that Declarant or the Association constructs recreational facilities in the Community (whether on property currently within the Community, or after acquired property annexed pursuant to Section 10), the Declarant or the Association, as the case may be, will establish reasonable rules with respect to such recreational facilities. Such rules may provide for use by non-members of the Association.

Section 15 **Amendments**

15.1 Unilateral Amendments By Declarant. This Declaration may be amended unilaterally at any time and from time to time by Declarant:

- (a) if the amendment is necessary to bring any provision hereof into compliance with any applicable governmental statute, rule, or regulation or judicial determination which shall be in conflict therewith;
- (b) if the amendment is necessary to enable any reputable title insurance company to issue title insurance coverage with respect to the Lots subject to this Declaration;
- (c) if the amendment is required by an institutional or governmental lender or purchaser of Mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to enable the lender or purchaser to make or purchase Mortgage loans on the Lots subject to this Declaration; or
- (d) if the amendment is necessary to enable any governmental agency or reputable private insurance company to guarantee or insure Mortgage loans on the Lots subject to this Declaration. Any amendment may not adversely affect the title to any Owner's Lot unless any the Owner shall consent thereto in writing.

15.2 Amendments During Declarant Control Period. During the Declarant Control Period, Declarant may unilaterally amend this Declaration for any other purpose (beyond the list in Section 15.1). Any such amendment may not:

- (a) materially adversely affect the substantive rights of any Owners hereunder;
- (b) adversely affect title to any Lot without the consent of the affected Owner; or
- (c) adversely affect the rights of the holder of any security interest granted by Declarant encumbering any portion of the Community unless the holder thereof consents thereto in writing.

15.3 Amendments By the Members. In addition to the above, this Declaration may be amended upon the affirmative vote or written consent, or any combination thereof, of at least 2/3 of the Total Association Vote and, during the Declarant Control Period, the written consent of the Declarant.

15.4 General. Amendments to this Declaration shall become effective upon recordation, unless a later effective date is specified therein. During the Declarant Control Period, no provision of this Declaration which reserves or grants special rights to the Declarant and/or its respective affiliates shall be amended without the prior written consent of the Declarant and/or its respective affiliates affected by the amendment. Any lawsuit challenging any aspect of an amendment to this Declaration must be filed in a court of competent jurisdiction in the county in which the Community is located within 1 year of the recordation of the amendment.

Section 16 **Enforcement and Remedies**

16.1. Enforcement.

(a) Each Owner and every Occupant of a Lot shall comply strictly with the Governing Documents, as they may be lawfully amended or modified from time to time, and with the covenants, conditions and restrictions set forth in this Declaration and in the deed to his or her Lot, if any.

(b) The Board may exercise any of the remedies set forth in this Declaration, including, without limitation the following:

- (i) impose fines following the process outlined in Section 16.2 or other sanctions as provided herein;
- (ii) the remedies set forth in Section 4.7 relating to nonpayment of assessments;

- (iii) the remedies set forth in Section 5.3(c) for failure to perform maintenance and
- (iv) the remedies set forth in Section 6 for failure to follow the use restrictions and rules.

(c) Failure to comply with the Governing Documents shall be grounds for an action to recover sums due for damages or injunctive relief, or both, maintainable by the Board, on behalf of the Association, or, in a proper case, by an aggrieved Owner.

(d) Failure by the Association or any Owner to enforce any of the foregoing against any Owner shall in no event be deemed a waiver of the right to do so thereafter against that Owner or any other Owner failing to comply in a similar manner.

(e) The Board shall have the right to record in the appropriate land records a notice of violation of the Governing Documents and to assess the cost of recording and removing the notice against the Owner who is responsible (or whose Occupants are responsible) for violating the foregoing.

16.2 Fining Procedure. The Board may impose a fine (a late charge shall not constitute a fine) against an Owner as long as the following procedure is followed:

(a) Demand. Written demand to cease and desist from an alleged violation shall be served upon the alleged violator specifying:

- (i) the alleged violation;
- (ii) the action required to abate the violation; and

(iii) a time period, not less than 10 days, during which the violation may be abated without further sanction (if the violation is a continuing one), or a statement that any future violation of the same rule may result in the imposition of a fine (if the violation is not continuing). The Board or its designee may demand immediate abatement in circumstances which, in the Board's determination, pose a danger to safety or property.

(b) Notice. If the violation continues past the period allowed in the demand for abatement without penalty, or if the same rule is subsequently violated, the Board may, upon notice stating the nature of the violation, impose a fine within 12 months of the demand. Fines will be effective upon sending that notice. The notice will state a time period, not less than 10 days, during which the violator may request, in writing, a hearing regarding the proposed fine and violation. All rights to have the fine reconsidered are waived if a hearing is not requested within 10 days from the date of the notice. The violator may produce any statements, evidence, and witnesses at the hearing. If a hearing is requested on a timely basis, it shall be held before the Board in executive session, and the violator shall be given a reasonable opportunity to be heard. The minutes of the meeting shall contain a written statement of the results of the hearing.

16.3. Self-Help. In addition to any other remedies provided for herein, the Association or its duly authorized agent shall have the power to enter upon a Lot or any portion of the Common Area to abate or remove, using such force as may be reasonably necessary, any structure, thing or condition which violates the Governing Documents. Unless an emergency situation exists, the Board shall give the violating Owner 10 days' written notice of its intent to exercise self-help. All costs of self-help, including reasonable attorney's fees actually incurred, shall be assessed against the violating Owner and shall be collected as provided for herein for the collection of assessments.

Section 17 **General Provisions**

17.1. Duration.

(a) The covenants and restrictions of this Declaration shall run with and bind the Community, and shall inure to the benefit of and shall be enforceable by the Association or any Owner, their respective legal representatives, heirs, successors and assigns, perpetually to the extent permitted by law. However, if Georgia law limits the period during which covenants restricting lands to certain uses may run, any provisions of this Declaration affected thereby shall run with and bind the land so long as permitted by law, after which time any the provisions shall be:

- (i) automatically extended for successive periods of 10 years, unless a written instrument reflecting disapproval signed by the then Owners of at least 2/3 of the Total Association Vote and, during the Declarant Control Period, the Declarant, been recorded within the year immediately preceding the beginning of a 10 year renewal period agreeing to change the provisions, in whole or in part, or to terminate the same, in which case this Declaration shall be modified or terminated to the extent specified therein; or
- (ii) extended as otherwise provided by law.

(b) Every purchaser or grantee of any interest (including, without limitation, a security interest) in any real property subject to this Declaration, by acceptance of a deed or other conveyance therefor, thereby agrees that the provisions of this Declaration may be extended and renewed as provided in this Section.

17.2. Gender and Grammar. The singular, wherever used herein, shall be construed to mean the plural, when applicable, and the use of the masculine pronoun shall include the neuter and feminine.
