provisions and conditions as may be agreed upon by the Association and such grantee, including a provision that such property or interest shall cease to be subject to this Declaration or all or any part of the restrictions while held by any such municipality or other governmental body, agency or authority; and

(h) To sell, lease or otherwise convey all or any part of its properties and interest therein; provided, however that the Association shall not sell, encumber by security interest, convey, dedicate or transfer any Common Property or interest therein without the approval of two-thirds (2/3) of the Members and Declarant for so long as Declarant has the right to appoint and remove members of the Board.

Such easements shall be perpetual in duration and shall include the right to erect, maintain, repair, replace and re-erect any such structures within the easement areas, as well as the right to plant grass, plants, flowers, shrubs and trees, to tend and garden the same, and to generally landscape the area within said easements to keep them clean, attractive and uniform in appearance for the benefit of all Owners within the Community. All Owners taking title to any Lot upon which such an easement lies will take title subject to the easement rights set forth herein, as well as such rights as may be set forth in the deed conveying such easements to the Association. Such easements shall be Common Property.

2.06 Encroachment Easements. If any buildings or other improvements initially constructed by Declarant, or by any Owner who constructed the original dwelling so long as said Owner has had the plans for the original dwelling approved by the ACC, including without limitation any eaves, roof overhangs, balconies, siding, porches, or other structures which may be attached to the walls and roof of such buildings, encroach onto or over or extend into the air space of any portion of the Common Property, or, conversely, if any such improvements initially constructed on the Common Property encroach onto or over portions of any Lot, a valid easement for the encroachment and for the maintenance, repair and replacement thereof, shall exist so long as the encroachment exists.

2.07 Structural Support. Each Lot or improvement on a Lot which contributes to the structural support of another Lot or improvement on such Lot shall be burdened with an easement of structural support. Said easement for structural support shall be appurtenant to and shall pass with the title to every benefitted and burdened Lot.

2.08 Delegation of Use. Any Owner may delegate his right to use and enjoy the Common Property to the members of his family, his social invitees or his tenants who reside on a Lot. Tenants who reside on a Lot shall have the same rights of delegation as an Owner. Any delegation of rights must be made in accordance with the Bylaws and will be subject to reasonable regulation by the Board and in accordance with the procedures it may adopt.

ARTICLE III

THE ASSOCIATION

3.01 Purposes, Powers and Duties of the Association. The Association shall be formed as a non-profit organization for the primary purpose of performing certain functions for the common good and general welfare of the Community. To the extent necessary to carry out such purpose, the Association (a) shall have all of the powers of a corporation organized under the Georgia Nonprofit Corporation Code, and (b) shall have the power to exercise all of the rights, powers and privileges of the Association as set forth in this Declaration.

3.02 Membership in the Association. Every Owner shall automatically be a Member of the Association and such membership shall terminate only as provided in this Declaration.

3.03 Voting. Members shall be entitled to one equal vote for each Lot owned. When more than one Person holds an ownership interest in any Lot, the vote for such Lot shall be cast as those Owners decide and instruct the Secretary prior to any meeting. If the Secretary is not instructed, the Lot's vote shall be suspended in the event more than one Owner of a Lot attempts to cast it.

3.04 Board of Directors and Officers.

(a) Board. The affairs of the Association shall be managed by a Board of Directors. The Board may make and enforce reasonable rules and regulations governing the use of the Lots and the Common Property which rules and regulations shall be consistent with the rights and duties established by this Declaration. The number of directors and the method of election of directors shall be set forth in this Declaration and in the Bylaws of the Association. Except to the extent otherwise expressly required or authorized by the Georgia Nonprofit Corporation code or this Declaration, the Association's Bylaws or Articles of Incorporation, the powers inherent in or expressly granted to the Association may be exercised by the Board, acting through the officers of the Association, without any further consent or action on the part of the Members.

(b) Officers. The number of officers and the method of election of officers shall be set forth in this Declaration and the Bylaws of the Association. Notwithstanding any other language or provision to the contrary in this Declaration, in the Articles of Incorporation, or in the Bylaws of the Association, officers of the Association and/or the Board of Directors shall be appointed by the Declarant until such time as Declarant no longer has the right to appoint and remove the members to the Board of Directors.

(c) Intentionally Omitted

(d) Casting of Votes. The votes of the Members shall be cast under such rules and procedures as may be prescribed in this Declaration or in the Bylaws of the Association, as amended from time to time, or by law.

3.05 Suspension of Membership. The Board may suspend the voting rights of any Member and the right of enjoyment of the Common Property of any person who:

(a) Shall be delinquent in the payment of any assessments, fine or penalty levied by the Association pursuant to the provisions of this Declaration; or

(b) Shall be in violation of the rules and regulations of the Association relating to the use, operation and maintenance of the Common Property.

Any suspension shall be for the balance of the period in which said Member or person shall remain in violation, breach or default. No such suspension shall prevent an Owner's ingress to or egress from his Lot.

3.06 Voting Procedures. The procedures for the election of Directors of the Association and the resolution of such other issues as may be brought before the membership of the Association shall be governed by this Declaration, the Georgia Nonprofit Corporation Code, the Articles of Incorporation of the Association, and the Bylaws of the Association (the "Bylaws"), as each may be modified or amended.

3.07 Control by Declarant and Appointment of the Board. Until such time as Declarant no longer has the right to appoint and remove members of the Board, the Board of the Association shall consist of at least two (2) members.

Notwithstanding anything to the contrary which may be contained herein, in the Articles of Incorporation or the Bylaws of the Association, Declarant shall retain the right to appoint and remove members of the Board until the first of the following events shall occur: (i) five (5) years after the date on which Declarant or an affiliate of Declarant no longer has a fee simple interest in any of the Lots in the Community; or (ii) the surrender by Declarant of the authority to appoint and replace directors in writing executed by the Declarant or (iii) December 31, 2025. Upon the final expiration of all rights of Declarant to appoint and remove directors of the Association a special meeting of the Association shall be called. At such special meeting (the "Turnover Meeting") the Owners shall elect a new Board of Directors which shall undertake the responsibilities of the Board, and Declarant shall deliver the books, accounts, and records, if any, which Declarant has kept on behalf of the Association, and any agreements or contracts executed by or on behalf of the Association during such period, which Declarant has in its possession. Notwithstanding any other language to the contrary, the Board of Directors appointed by the Declarant may, by written notice to the Owners, retain the power and authority to act on behalf of the Association, and to exercise all rights available to Board members until such time as a new Board of Directors has been elected. At or prior to the Turnover Meeting, appointees of the Declarant may resign their positions as Members of the Board of Directors and/or Officers of the Association. Upon such resignation, the Declarant and all affiliated individuals, entities and appointees' positions of the Association shall have no responsibility or obligations for the management of the Association subsequent to the date of resignation. It shall be the Owners, through election of a Board of Directors comprised of Owners, responsibility to manage the Association subsequent to such

resignation. By acceptance of a deed, each Owner agrees to save harmless each Officer and Board Member appointed by the Declarant, as well as the Declarant, from and against any and all matters which in any way relate to the management of the Association subsequent to resignation of the Declarant appointees. Each Owner by acceptance of a deed to or other conveyance of a Lot vests in Declarant such authority to appoint and remove directors and officers of the Association as provided in this Section.

3.08 Implied Rights. The Association may exercise any other right or privilege given to it expressly by this Declaration or by law and any other right or privilege reasonably to be implied from the existence of any right or privilege given to it herein or reasonably necessary to effectuate any such right or privilege.

Community landscaping to be maintained by the Association shall include landscaping within medians or islands, if any, located in or along the Private Streets. Maintenance requirements shall include, but shall not be limited to, the maintenance of the stormwater drainage system and the investigation of complaints regarding the system. The obligations and duties set forth here and above shall be the sole responsibility of the Association and all costs and expenses incurred in performing such work shall be deemed to be Common Expenses. The Association shall not be liable for injury or damage to any person or property caused by the elements or by any Owner or any other person. No diminution or abatement of assessments shall be claimed or allowed by reason of any alleged failure of the Association to take some action or to perform some function required to be taken or performed by the Association under this Declaration or for inconvenience or discomfort arising from the making of improvements or repairs which are the responsibilities of the Association, or from any action taken by the Association to comply with any law, ordinance or with any other directive of any municipal or any governmental authority, the obligation to pay such assessments being a separate and independent covenant on the part of each Owner.

ARTICLE IV

The Declarant, to the extent that Declarant is required herein, hereby covenants and agrees, and each Owner, jointly and severally, for himself, his heirs, distributees, legal representatives, successors and assigns, by acceptance of a deed for a Lot, whether or not the covenants contained herein shall be expressed in any

such deed, hereby covenants and agrees as follows:

(a) To pay to the Association the annual assessments which may or shall be levied by the Association pursuant to this Declaration against all Lots owned by him;

(b) To pay to the Association any special or specific assessments for capital improvements and any fines, penalties or other charges which may or shall be levied by the Association pursuant to this Declaration against all Lots owned by him;

(c) That there is hereby created a continuing charge and lien upon all Lots owned by him against which all assessments, fines, penalties and other charges are made to secure payment of such items and any interest thereon as provided herein and costs of collection including reasonable attorneys' fees;

(d) That such continuing charge and lien on such Lots binds such Lots in the hands of the then Owner, and the Owner's heirs, devisees, legal representatives, successors and assigns. Such charge and lien is superior to any and all charges, liens or encumbrances which may hereafter in any manner arise or be imposed upon such Lots whether arising from or imposed by judgment or decree or by any agreement, contract, mortgage, deed to secure debt, or other instrument, except as may be stated herein;

(e) That no sale or transfer at foreclosure or in lieu of foreclosure shall relieve any Lot or Lots from liability for any assessment thereafter assessed:

(f) That all annual, specific, and special assessments (together with interest thereon and costs of collection including reasonable attorneys' fees) levied against any Lot or Lots shall be a personal obligation which will survive any sale or transfer of the Lots or Lots owned by an Owner. Each grantee of an Owner will be jointly and severally liable for such sums as may be due and payable at the time of the conveyance.

4.02 Purpose of Assessments. The assessments levied by the Association shall be used for the purpose of providing for the common good and general welfare of the people of the community of the Community, including, but not limited to, and in addition to other purposes set forth in this Declaration, security, acquisition, construction, improvement, maintenance and equipping of the Common Property, the enforcement of this Declaration, the enforcement of the architectural controls of the ACC, the payment of operating costs and expenses of the Association and the payment of all principal and interest when due on all debts incurred by the Association.

4.03 Accumulation of Funds Permitted. The Association shall not be obligated to spend in any calendar year all the sums collected in such year by way of annual assessments or otherwise, and may carry forward, as surplus, any balances remaining; nor shall the Association be obligated to apply such surplus to the reduction of the amount of the Annual Assessments in any succeeding year, but may carry forward from year to year such surplus as the Board may deem to be desirable for the greater financial security of the Association and the effectuation of its purposes.

4.04 Annual Assessment. It shall be the duty of the Board to prepare a budget covering the estimated costs of operating the Association during the coming year. The Board shall cause the budget

and the assessments to be levied against each Lot for the year to be delivered to each member at least thirty (30) days prior to the due date of any general assessment. The budget and the assessment shall become effective unless disapproved at a meeting by a majority of the Total Association Vote and the Declarant. Notwithstanding the foregoing, however, in the event the membership disapproves the proposed budget or the Board fails for any reason to determine the budget for any period, then and until such time as a budget shall have been determined, as provided herein, the budget in effect shall continue. Annual assessments shall be levied equally on all similarly situated Lots and shall be paid in such manner and on such dates as may be fixed by the Board of Directors, which may include, without limitation, acceleration, upon ten (10) days' written notice for any past due assessments. Unless otherwise provided by the Board, the annual assessment shall be paid in one annual installment. Annual assessments include any sums the Board determines necessary for the continued ownership, operation and maintenance of the Common Property, improvements to the Common Property, operating expenses of the Association, payment for any items of betterment and the establishment of reserve funds as the Board shall deem proper. Annual assessments may include, without limitation, sums for property taxes, insurance premiums, legal and accounting fees, management fees, charges for utilities, garbage collection, landscape maintenance, performing the functions required of the Association under the terms of Paragraph 3.09, expenses and liabilities incurred as provided herein and in the Articles of Incorporation and Bylaws for indemnification of officers and directors and in connection with the enforcement of rights and duties of the Association against Owners and others.

4.05 Special Assessments, Nonrecurring Maintenance, and Capital Improvements. The Association, acting through the Board of Directors, may levy a special assessment against all Owners of up to Five Hundred and No/100 Dollars (\$500.00) per Lot per year without a vote of the Association for any unbudgeted or unanticipated expenses or expenses in excess of those budgeted. In the event the Board levies a special assessment in an amount greater than Five Hundred and No/100 Dollars (\$500.00) per Lot per year, then such special assessment must be approved by a majority of the Members who attend an Association meeting to become effective. Special assessments shall be due and payable as determined by the Board. The Board may, in its sole discretion, permit a special assessment to be paid in installments extending beyond the fiscal year in which the special assessment is imposed.

4.06 Specific Assessments. The Board shall have the power to levy specific assessments as, in its discretion, it shall deem appropriate. Failure of the Board to exercise its authority under this Section shall not be grounds for any action against the Association and shall not constitute a waiver of the Board's right to exercise its authority under this Section in the future even if the Board has not previously exercised its authority under this Section. Fines levied pursuant to this Declaration and the Bylaws and the costs of maintenance performed by the Association for which an Owner is responsible shall be specific assessments. The Board of Directors may also specifically assess Owners for Association expenses as follows: (a) expenses of the Association which benefit less than all of the Lots may be assessed equitably among the benefited Lots according to the benefit received; and (b) expenses of the Association which benefit all Lots, but which do not provide an equal benefit to all Lots, may be assessed equitably among all Lots according to the benefit received.

4.07 Subordination of Liens to Mortgages. Notwithstanding anything to the contrary in this Declaration or any other document related thereto or executed in connection therewith, the lien of all assessments authorized herein is hereby made subordinate to the lien of any Mortgage placed on a Lot if, but only if, all assessments and charges with respect to such Lot having a due date either before or on the date the Mortgage is filed of record have been paid. This lien subordination applies only to

assessments and charges having a due date subsequent to the date such Mortgage is filed of record and prior to the satisfaction, cancellation or foreclosure of such Mortgage or the sale or transfer of the Lot pursuant to any proceeding in lieu of foreclosure or the sale or transfer of the Lot pursuant to a sale under power contained in such Mortgage. Such subordination is merely a subordination and shall not relieve the Owner of the Lot of the personal obligation to pay all assessments coming due during such period of his ownership. This subordination shall not relieve a Lot from the lien provided for in this Declaration (except to the extent a subordinated lien is extinguished by a foreclosure of a Mortgage). No sale or transfer of a Lot to the Mortgagee or to any other Person pursuant to a decree of foreclosure, or pursuant to any other proceeding in lieu of foreclosure or pursuant to a sale under power shall relieve any existing or previous Owner of such Lot of any personal obligation nor shall it relieve a Lot or the then Owner of a Lot from liability for any assessment which becomes due after such sale and transfer.

4.08 Remedies of the Association. Any assessments or installments thereof which are not paid when due shall be delinquent. In addition to the lien rights, the personal obligation of the then Owner to pay such assessments shall remain such Owner's personal obligation and shall also pass to such Owner's successors-in-title. Such Owner shall remain as fully obligated as before the conveyance to pay the Association any and all amounts due; and such Owner and such successors-in-title shall be jointly and severally liable with respect thereto, notwithstanding any agreement between such Owner and such successors-in-title creating any indemnification of the Owner or any relationship of principal and surety as between themselves. Any assessment or installment thereof delinquent for a period of more than ten (10) days shall incur a late charge in the amount of the greater of Ten (\$10.00) Dollars or Ten percent (10%) of the amount due. As provided in O.C.G.A. Section 44-5-60(e), the obligation for the payment of assessments and fees arising hereunder shall include the costs of collection, including, without limitation, reasonable attorney's fees actually incurred. The award of attorneys' fees shall not be construed in accordance with the provisions of O.C.G.A. Section 13-1-1 1(a)(2). The Association may cause a notice of delinquency to be given to any Owner who has not paid within ten (10) days following the due date. In the event that the assessment remains unpaid after sixty (60) days, the Association may institute suit to collect such amounts and/or to foreclose its lien. The Association may file a claim of lien on the public records of the county in which the Property is located, but no such claim of lien shall be required to establish or perfect the lien for unpaid assessments. Each Owner, by acceptance of a deed vests in the Association the right and power to bring all actions against such Owner personally, for the collection of such charges as a debt or to foreclose the lien. The lien provided for in this Declaration shall be in favor of the Association and shall be for the benefit of all Owners. The Association shall have the power to bid on the Lot at any foreclosure sale and to acquire, hold, lease, mortgage and convey the same. The Association may also suspend the membership rights of the delinquent Owner, including the right to vote, the right of enjoyment in and to the Common Property and recreational facilities and the right to receive and enjoy such servicing and other benefits as may then be provided by the Association. Any such suspension shall not affect such members obligation to pay assessments coming due during the period of such suspension and shall not affect the permanent lien on such Lot in favor of the Association.

4.09 Date of Commencement of Assessments. Assessments shall commence when the Board of Directors first determines a budget and levies assessments. The assessments provided for herein shall commence as to a Lot on the date that the Lot is first occupied for residential purposes. A Lot shall be deemed to be occupied for residential purposes when it has been improved with a dwelling for which a certificate of occupancy has been issued and has been conveyed to an owner who intends to occupy the dwelling, or, if the dwelling is occupied as a residence before such conveyance, the date of

such occupancy.

4.10 Budget Deficits During Declarant Control. For so long as the Declarant has the authority to appoint and remove the directors and officers of the Association, Declarant may, with Declarant's sole discretion: (a) advance funds to the Association sufficient to satisfy the deficit, if any, between the actual operating expenses of the Association (but specifically not including an allocation for capital reserves), and the sum of the annual, special and specific assessments collected by the Association in any fiscal year (such advances shall be evidenced by promissory notes from the Association in favor of the Declarant); or (b) cause the Association to borrow such amount from a commercial lending institution at the then prevailing rates for similar loans in the local area of the Community. No Mortgage secured by the Common Property or any of the improvements maintained by the Association shall be given in connection with such loan. Any advance of funds by Declarant shall not obligate Declarant to continue payment in the future.

4.11 Failure to Assess. The omission or failure of the Board to fix the assessment amounts or rates or to deliver or mail to each Owner an assessment notice shall not be deemed a waiver, modification, or a release of any Owner from the obligation to pay assessments. In such event, each Owner shall continue to pay assessments on the same basis as for the last year for which an assessment was made, if any, until a new assessment is made, at which time any shortfalls in collections may be assessed retroactively by the Association.

4.12 Estoppel Letter. The Association shall, within five (5) days after receiving a written request therefor for a reasonable charge, established by the Board, certify to the amount of any unpaid assessments constituting a lien on a specified Lot. A certification letter signed by an officer of the Association or the Association's managing agent, if any, as to the amount of assessments due with respect to a Lot shall be binding upon the Association.

4.13 Initiation Fee. Upon every sale of a Lot to an Owner other than a Declarant, successor Declarant or a Builder acquiring such Lot during the ordinary course of business, an initiation fee to the Association shall be collected from the new Owner at the closing of such transaction. If not collected at closing, it shall be paid immediately upon demand to the Association. The initiation fee shall constitute a specific assessment against the Lot, shall be in addition to, the annual and special assessment. It shall not be considered an advance payment. The initiation fee may be used by the Association for any purpose, including, without limitation, for the payment of operating expenses of the Association and other expenses incurred by the Association pursuant to the provisions of the Declaration. This specific assessment shall not apply to a Mortgagee who becomes the Owner of a Lot through foreclosure or other means pursuant to the satisfaction of the indebtedness secured by such Mortgage. Any Owner acquiring the Lot from a Mortgagee who became an Owner shall be required to pay an initiation fee.

ARTICLE V

ARCHITECTURAL CONTROL COMMITTEE

5.01 Purpose, Powers and Duties of the Architectural Control Committee (ACC). The purpose of the ACC is to review and approve any proposed installation, construction or alteration of any Structure on any Lot to preserve a harmonious and aesthetically pleasing design to the Community. All plans shall be submitted to the ACC for approval (i) as to whether the proposed installation, construction

or alteration is in conformity and harmony of external design and general quality with the existing standard of the neighborhood and with the standards of the Community, and (ii) as to the location of Structures with respect to topography, finished ground elevation and surrounding Structures. To the extent necessary to carry out such purpose, the ACC shall have all of the powers and duties to do each and everything necessary, suitable, convenient or proper for, or in connection with, or incidental to, the accomplishment of such purpose, including, without being limited to, the power and duty to approve or disapprove plans and specifications for any installation, construction or alteration of any Structure on any Lot.

5.02 Architectural Control Committee. Until the Declarant no longer has the right to appoint and remove members of the Board, the Declarant shall have the sole right, power and authority under this Article. Once Declarant no longer has the right to appoint and remove members of the Board in accordance with Section 3.07, the Board of Directors shall appoint an Architectural Control Committee of the Association, which shall then have such jurisdiction over architectural control under this Article as may have been relinquished by the Declarant. The Declarant may, in its sole discretion, relinquish architectural control as to certain types of improvements or modifications to the Architectural Control Committee while retaining control over all new building and construction in the Community. For example and without limitation, the Declarant may relinquish control over modifications of existing structures to the Architectural Control Committee while retaining all authority to review and approve new home construction. Any right, power or authority of the Declarant which may be relinquished to the Association prior to the termination of the rights of Declarant hereunder shall be by written instrument only. No such right, power or authority shall be relinquished by implication or otherwise. The establishment of an advisory Architectural Control Committee shall not be deemed to be a relinquishment by Declarant of any of its right, power and authority hereunder. After the termination of all rights of Declarant hereunder, the Architectural Control Committee shall have all right, power and authority to review and approve building and construction activity within the Community hereunder.

5.03 Operations of the ACC. The ACC may adopt and promulgate Design Standards, and when appropriate shall make findings, determinations rulings, and orders with respect to the conformity and harmony with the external design and the general quality of the Community and any Design Standards adopted by the ACC, of plans and specifications to be submitted for approval to the ACC pursuant to the provisions of this Declaration. The ACC shall, as required, issue permits, authorizations, or approvals, which may include specific requirements or conditions, pursuant to the provisions of this Declaration.

5.04 Design Standards.

(a) The ACC may from time to time (but shall not be required to) adopt, promulgate, amend, revoke and enforce guidelines (the "Design Standards") which shall be binding against all Owners unless overruled, cancelled or modified by a majority of the Members at a meeting and Declarant for the purposes of:

(i) Governing the form and content of plans and specifications to be submitted to the ACC for approval pursuant to the provisions of this Declaration;

(ii) Governing the procedure for such submission of plans and specifications;

(iii) Establishing guidelines with respect to the approval and disapproval of landscaping, design features, architectural styles, exterior colors and materials, details of construction, location and size of Structures and all other matters that require approval by the ACC pursuant to this Declaration; and

(iv) Assuring the conformity and harmony of external design and the general quality of the Community.

(b) The ACC may publish copies of any current Design Standards adopted by it, in which case they shall be made readily available to Owners and prospective Owners and to all applicants seeking the ACC's approval.

5.05 Submission of Plans and Specifications. No Structure shall be commenced, erected, placed, moved onto or permitted to remain on any Lot nor shall any existing Structure upon any Lot be altered in any way which materially changes the exterior appearance of the Structure or Lot, unless plans and specifications therefor shall have been submitted to and approved in writing by the ACC. Such plans and specifications shall be in such form and shall contain such information as may be reasonably required by the ACC.

5.06 Approval of Plans and Specifications. Approval for use, in connection with any Lot or Structure, of any plans and specifications shall not be deemed a waiver of the ACC's right, in its discretion, to disapprove similar plans and specifications or any of the features or elements included therein if such plans, specifications, features or elements are subsequently submitted in connection with another Lot or Structure. Approval of any such plans and specifications relating to any Lot or Structure, however, shall be final as to that Lot or Structure and such approval may not be revoked or rescinded thereafter, provided that Owner has adhered to, and complied with, the approved plans, and any conditions attached to any such approval.

5.07 Disapproval of Plans and Specifications. The ACC shall have the right to disapprove any plans and specifications submitted pursuant to this Declaration for any of the following reasons:

(a) The failure to include information in such plans and specifications as may have been requested;

(b) The failure of such plans or specifications to comply with this Declaration or the Design Standards;

(c) Any other matter which, in the judgment of the ACC and/or its authorized agent would be likely to cause the proposed installation, construction or alteration of a Structure (i) to fail to conform with the external design and general quality of the Community, or (ii) to be incompatible with topography, finished ground elevation and surrounding Structures. In any case in which the ACC, or its authorized agent shall disapprove any plans and specifications submitted hereunder, or shall attach conditions to its approval, such disapproval or qualified approval shall be accompanied by a statement of the grounds upon which such action was based. The ACC shall, if requested, make reasonable efforts to assist and advise the applicant in order that an acceptable proposal may be prepared and submitted for approval.

5.08 Obligation to Act. The ACC shall take action on any plans and specifications submitted as herein provided within forty five (45) days after receipt thereof. Approval by the ACC, if granted, together with any conditions imposed by the ACC, shall be in writing. Failure by ACC to take action within forty-five (45) days of receipt of plans and specifications properly submitted for approval shall be deemed approval of such plans and specifications. Upon the approval of the plans and specifications, no further approval under this Article V shall be required unless such construction has not substantially commenced within six (6) months of the approval of such plans and specifications.

5.09 Inspection Rights. Any employee or agent of the Association or the ACC may, after reasonable notice, at any reasonable time or times enter upon any Lot and Structure thereon for the purpose of ascertaining whether the installation, construction, alteration or maintenance of any Structure or the use of any Lot or Structure is in compliance with the provisions of this Declaration. Neither the Association, nor the ACC, nor any such agent shall be deemed to have committed a trespass or other wrongful act solely by reason of such entry or inspection, provided such inspection is carried out in accordance with the terms of this Section.

5.10 Violations. If any Structure shall be erected, placed, maintained or altered upon any Lot, other than in accordance with the plans and specifications approved by the ACC, such erection, placement, maintenance or alteration shall be deemed to have been undertaken in violation of this Article. If there is a violation, then the Board shall have the right to pursue its legal remedies (as authorized and defined in Article VIII).

Notwithstanding the foregoing, if any Structure shall be erected, placed, maintained or altered upon any Lot other than in accordance with the provisions of this Article, and no action is taken by the ACC or the Board for a time period commencing with the completion of said structure and ending nine (9) months thereafter, without any effort to conceal the improvement, then such erection, placement, maintenance or alteration shall be deemed to be approved and the ACC, the Board of Directors and the Association shall be estopped from enforcing any of their rights under this Article.

5.11 Fees. The ACC may impose and collect reasonable fees to cover the costs of inspections and plan reviews performed pursuant to this Article. Said fees may include, but shall not be limited to, the fees of a licensed landscape architect or architect employed by the ACC to review submitted plans and specifications.

5.12 Nondiscrimination by ACC. The ACC shall not discriminate against any applicant requesting its approval of plans and specifications because of such applicant's race, color, sex, religion, age or national origin. Further, the ACC in the exercise of its powers granted pursuant to this Declaration shall not take any action the intent or effect of which is to discriminate against persons of a particular race, color, sex, religion, age or national origin.

5.13 Disclaimer as to ACC Approval. Plans and specifications are not reviewed for engineering or structural design or quality of materials, and by approving such plans and specifications neither the ACC, the members thereof, nor the Association assumes liability or responsibility therefor, nor for any defect in any structure constructed from plans and specifications nor compliance with any local, state or federal law including local building codes and zoning ordinances. Neither Declarant, the Association, the ACC, the Board, nor the officers, directors, members, employees, and agents of any of them shall be liable in damages to anyone submitting plans and specifications to any of them for

approval, or to any Owner of property affected by reason of any mistake in judgment, negligence, or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any such plans or specifications. Every person who submits plans or specifications and every Owner agrees that he will not bring any action or suit against Declarant, the Association, the ACC, the Board or the officers, directors, members, employees, and agents of any of them to recover any such damages and hereby releases, remises, quit-claims, and covenants not to sue for all claims, demands, and causes of action arising out of or in connection with any judgment, negligence, or nonfeasance by any of the above.

5.14 Declarant. Notwithstanding anything to the contrary which may be contained herein the provisions contained in this Article, as well as all other architectural control provisions contained in the Declaration, the Design Standards or the Bylaws shall not apply to Declarant, affiliates of the Declarant, any predecessor of Declarant, or improvements to the Common Property by or on behalf of the Association. In addition, said provisions shall not apply to any Builder; provided, however, any Builder must submit to Declarant (in a format satisfactory to Declarant within Declarant's sole discretion) plans and specifications of Builder's proposed structures(s). Builder shall not commence construction of any structure on the Lot without obtaining Declarant's written approval, said approval being in Declarant's sole discretion. This Article may not be amended without the written consent of Declarant until such time as Declarant no longer has the right to appoint and remove members of the Board.

ARTICLE VI

GENERAL COVENANTS AND RESTRICTIONS

6.01 Application. The covenants and restrictions contained in this Article VI shall pertain and apply to all Lots and to all Structures erected or placed thereon.

6.02 Maintenance. Each Owner shall keep and maintain each Lot and Structure owned by him, as well as all landscaping located thereon, in good conditions and repair. No hobbies which might tend to cause disorderly, unsightly or unkempt conditions shall be pursued or undertaken in any part of the Community including, but not limited to, the disassembly of motor vehicles and other mechanical devices.

6.03 Restriction of Use. Lots may be used for single-family residence purposes only and for no other purpose. The use of a portion of the residence as an office by Owner or his tenant shall not be a violation of this covenant if such use does not create regular customer client or employee traffic or otherwise create a nuisance. Declarant may operate a sales office and/or model home on a Lot or Lots. No business may be conducted within a Lot which would require increased subdivision traffic by the regular attendance of non-residents of the Community within and to such Lot. No trade or business of any kind may be conducted in or from a Lot, except that the Owner or Occupant in residence at the Lot may conduct business activities within the house so long as the business activity: (a) does not otherwise violate the provisions of the Declaration or ByLaws; (b) is not apparent or detectable by sight, sound or smell outside of the Lot; (c) does not unduly increase traffic flow or parking congestion; (d) conforms to all zoning requirements for the Community; (e) does not increase the insurance premium paid by the Association or otherwise negatively affect the ability of the Association to obtain insurance coverage; (f) is consistent with the residential character of the Community; (g) does not constitute a nuisance or a hazardous or offensive use; and (h) does not threaten the security or safety of other residents of the

Community, all as may be determined in each case in the sole discretion of the Board. The Board may issue rules regarding permitted business activities. The terms "business" and "trade" as used in this provision, shall be construed to have their ordinary, generally accepted meanings and shall include, without limitation, any occupation, work or activity undertaken on an ongoing basis which involves the provision of goods or services to Persons other than the provider's family and for which the provider receives a fee, compensation or other form of consideration, regardless of whether: (x) the activity is engaged in full or part-time; (y) the activity is intended to or does generate a profit; or (z) a license is required for the activity.

6.04 Resubdivision of Property. Except for split, division or subdivision of a Lot which is authorized by Declarant, no Lot may be split, divided, or subdivided for sale, resale, gift, transfer, or otherwise except if approved pursuant to Article V.

6.05 Erosion Control. No activity which may create erosion or siltation problems shall be undertaken on any Lot without prior written approval obtained pursuant to the terms of Article V. Any approval may, as a condition or approval of such plans and specifications, require the use of certain means of preventing and controlling such erosion or siltation. Such means may include (by way of example and not of limitation) physical devices of controlling the run-off and drainage of water, special precautions in grading and otherwise changing the natural landscape. Catch basins, retention ponds, detention ponds, drainage easement areas and related drainage facilities are for the purpose of controlling the natural flow of water only. No obstructions or debris shall be placed in these areas. No Owner may obstruct or alter the drainage flows after location and installation of catch basins, retention ponds, detention ponds, drainage swales, storm sewers or storm drains without approval of the ACC. In the event storm water drainage from any Lot or Lots flows across another Lot, provision shall be made by the Owner of such downstream Lot to permit such drainage to continue, without restriction or reduction, across the downstream Lot and into the natural drainage channel or course although no specific drainage easement for such flow of water is provided on the recorded plat for the Community. The elevation of a Lot shall not be changed so as to materially affect the surface elevation or grade of surrounding Lots. Perimeter foundation drains and sump pump drains shall be connected whenever feasible into a subsurface drainage tile. Down spouts and drains shall be designed to disperse runoff for overland flow to street or swale collection systems. Each Owner shall maintain the subsurface drains and tiles located on his Lot and shall be liable for the cost of all repairs thereto or replacements thereof.

6.06 Landscaping. No construction or alteration of any Structure shall take place without the prior written approval by the ACC.

6.07 Temporary Buildings. No temporary building, trailer, or building under construction shall be used, temporarily or permanently, as a residence on any Lot. Notwithstanding the foregoing, nothing shall prohibit the Declarant and/or a Builder purchasing a Lot from the Declarant from maintaining a sales trailer upon a Lot.

6.08 Signs.

(a) No signs whatsoever (including but not limited to commercial and similar signs) shall, without the ACC's prior written approval of plans and specifications therefor, be installed, altered or maintained on any Lot, or on any portion of a Structure visible from the exterior thereof, except signs

as may be required by legal proceeds, "For Sale" or "For Rent" signs having a maximum face area of four (4) square feet; provided, however, that if the Association is making "For Sale" or "For Rent" signs available for the use of Owners, the signs made available by the Association must be used; or one "life event" sign commemorating a birth, graduation or similar life event for a period not to exceed fourteen (14) days from the date of the event; political signs for time periods determined by the Board. .

(b) The Board may impose a fine of \$100.00 per day for the display of a sign in violation of this provision which is not removed by Owner within twenty four (24) hours after written notice to Owner.

(c) Notwithstanding any other provision in this Declaration, the Declarant may erect and place such signs on any portions of the Property owned by the Declarant or on any Common Property, which Declarant, in its sole discretion, deems appropriate.

6.09 Insects. No Person shall permit anything or condition to exist upon any Lot which shall induce, breed or harbor noxious insects. Electric bug killers, "zappers", and other similar devices shall not be installed at a location or locations which result in the operation thereof becoming a nuisance or annoyance to other Owners or Occupants. Any bug killing devices shall be operated only when outside activities require the use thereof and shall not be operated continuously.

6.10 Fences and Exterior Structures. No fence or wall of any kind shall be erected, maintained, or altered on any Lot except in accordance with the requirements of Article V. No artificial vegetation, exterior sculptures, fountains or similar items shall be constructed, placed or maintained on any Lot without the prior written approval of the ACC.

6.11 Entry Features and Driveways. No driveway or improvements to any entry feature shall be constructed or altered on any Lot without obtaining prior written approval in accordance with the requirements of Article V.

6.12 Antennae. No transmission antenna, of any kind, may be erected on a Lot unless approved in writing in accordance with the requirements of Article V. No such approval shall be necessary to install: (a) antennas designed to receive direct broadcast satellite services, including direct-to-home satellite services or to receive or transmit fixed wireless signals via satellite, that are one meter or less in diameter; (b) antennas designed to receive video programming services via multi-point distribution services or to receive or transmit fixed wireless signals other than via satellite that are one meter or less in diameter or diagonal measurement; or (c) antennas that are designed and intended to receive television broadcast signals. Owners shall install any permitted antennae on the rear of the dwelling unless such installation: (i) imposes unreasonable delay or prevents the use of the antennae; (ii) unreasonably increases the cost of installation; or (iii) an acceptable quality signal cannot otherwise be obtained.

6.13 Clotheslines, Garbage Cans, etc. No clotheslines shall be permitted. All equipment, pool pumps, garbage cans, and woodpiles shall be kept in garage or screened by adequate planting or approved fencing so as to conceal them from view by neighboring residences and streets. No trash or waste may be burned within the Community.

6.14 Vehicles and Parking.

(a) Vehicles shall be parked only in appropriate parking spaces serving the Lot or other designated parking areas established by the Board, if any. All parking shall be subject to such other rules and regulations as the Board may adopt from time to time. Notwithstanding the foregoing, the Declarant, and their respective agents, subcontractors and assigns shall have the right, during regular business hours, to park vehicles on any and all streets within the Community as needed in order to facilitate the construction, development and build out of the Community. The term "vehicles," as used herein, shall include, without limitation, motor homes, boats, trailers, motorcycles, minibikes, scooters, go carts, golf carts, trucks, campers, buses, vans and automobiles. The term "parking areas serving a Lot" shall refer to the number of garage parking spaces and if and only if the Owner or Occupants of a Lot have more vehicles than the number of garage parking spaces, those excess vehicles which are an Occupant's primary means of transportation on a regular basis may be parked on the driveway located on such Lot. All homes shall contain a garage; carports shall not be permitted. Garage doors should be kept closed at all times, except during times of ingress and egress from the garage. Garages shall be used primarily for the parking of vehicles and not for storage or other purposes. Garages shall not be converted to additional living space except with written permission pursuant to Article V hereof.

(b) No vehicle may be left upon any portion of the Community, except in a garage or other area designated by the Board, for a period longer than five (5) days if it is not licensed or if it is in a condition such that it is incapable of being operated upon the public highways. After such five-day period, such vehicle may be removed from the Community by the Board of Directors or the appropriate authority of the county or city in which the Community is located. Any towed vehicle, boat, personal watercraft, recreational vehicle, motor home, trailer, motorcycle, minibike, scooter, go cart, golf cart, commercial truck, camper, bus or mobile home regularly stored in the Community or temporarily kept in the Community, except if kept in a garage, for periods longer than twenty-four (24) hours may be removed from the Community by the Board of Directors (the temporary removal of such vehicle to break the continuity of the twenty-four (24) period shall not be sufficient to establish compliance with this restriction). Trucks with mounted campers which are used as a primary means of transportation shall not be considered recreational vehicles provided they are used on a regular basis for transportation and the camper is stored out of public view upon removal. No eighteen wheel trucks or the cabs of such trucks or trucks with a load capacity in excess of three-quarters of a ton shall be parked, kept or stored within the Community except during the time reasonably necessary to provide service or delivery within the Community.

ARTICLE X

LEASES

10.1 Purposes. In order to protect the equity of the individual Lot Owners, to carry out the purpose for which the Community was formed by preserving the character of the Community as a homogenous, adult, residential community of predominantly owner-occupied homes and by preventing the Community from assuming the character of a renter-occupied neighborhood, and to comply with the eligibility requirements for financing in the secondary mortgage market insofar as such criteria provide that the project be substantially owner-occupied, and in order to comply with zoning requirements leasing of Lots shall be governed by the restrictions imposed by this Article. The Board of Directors shall have authority to make and enforce reasonable rules and regulations in order to enforce this Article.

10.2 Definitions.

(a) Leasing means regular, exclusive occupancy of a Lot by any person(s) other than the Owner for which the Owner received any consideration or benefit, including, but not limited to, a fee, rent or gratuity. For purposes hereof the following shall not constitute leasing: (i) occupancy by a roommate of an Owner Occupant; (ii) occupancy by a member of the Owner's family, (iii) occupancy by one or more wards if the Lot is owned by their legal guardian, or (iv) occupancy by one or more beneficiaries of a trust if the Lot is owned in trust by the trustee.

(b) Open Leasing Status. Any Lot that is designated as being in "Open Leasing Status" shall authorize a Lot to be leased at any time. A Lot designated as being in Open Leasing Status shall remain in Open Leasing Status until such time as title to the Lot is conveyed or transferred to another person or entity, after which conveyance the Lot shall be converted to Restricted Leasing Status regardless of the continued occupancy by the same lessee unless the new Owner requests that the Lot remain in Open Leasing Status within ninety (90) days of said conveyance. Open Leasing Status may be temporarily conferred upon a Lot as provided hereinafter or may be applied for as provided below. Notwithstanding anything to the contrary herein, any Lot in Open Leasing Status shall automatically be converted to Restricted Leasing Status if the Lot is not subject to a lease for ninety (90) or more consecutive days.

(c) Restricted Leasing Status. Any Lot that is designated as being in "Restricted Leasing Status" shall prohibit a Lot Owner from leasing his or her Lot except as may be provided below. All Lots shall be in Restricted Leasing Status unless converted to Open Leasing Status as provided in this Section.

10.3 General. No Owner of a Lot in Restricted Leasing Status may lease his or her Lot if ten percent (10%) of the Lots in the Community are in Open Leasing Status, except as provided below for cases of undue hardship. Any Owner of a Lot in Restricted Leasing Status may apply in writing to the Board of Directors for conversion to Open Leasing Status in accordance with rules and regulations promulgated by the Board of Directors. Upon receipt of such written application, the Lot shall be placed at the end of a waiting list for each building for conversion to Open Leasing Status. At such times as less than ten percent (10%) of the Lots in the Community are in Open Leasing Status, the Board shall notify the Owner of the Lot at the top of the waiting list of its conversion to Open Leasing

Status, and such Owner shall have ninety (90) days within which to lease the Lot or it shall automatically revert to Restricted Leasing Status.

10.4 Undue Hardship. Notwithstanding the provisions above, the Board shall be empowered to allow reasonable leasing of a Lot upon application in accordance with this Paragraph to avoid undue hardship, including, but not limited to the following situations; (1) a Lot Owner must relocate his residence outside the greater Atlanta metropolitan area and cannot, within nine (9) months from the date that the Lot was placed on the market, sell the Lot except at a price below the current appraised market value, after having made reasonable efforts to do so; (2) the Owner is deceased and the Lot is being administered by a personal representative; or (3) the Owner takes a leave of absence from employment or temporarily relocates for employment purposes and intends to return to reside in the Lot, in which case the Lot Owner must reapply every year for renewal of the hardship exception. Those Owners who have complied with this section, have demonstrated that the inability to lease their Lot would result in undue hardship, and have obtained the requisite written Board approval may lease their Lots for such duration as the Board reasonably determines is necessary to prevent undue hardship.

Any Owner who believes that he or she must lease his or her Lot to avoid undue hardship shall submit a written application to the Board of Directors setting forth the circumstances necessitating the leasing, a copy of the proposed lease, and such other information as the Board of Directors may reasonably require. Leasing in the case of undue hardship shall be permitted only upon the Board of Director's written approval of the Owner's application. When an application is approved, the Owner shall provide the Board of Directors with the name and phone number of the lessee and the Owner's address other than at the Lot and other such information as the Board of Directors may reasonably require within ten (10) days after a lease has been signed by both parties.

10.5 Leasing Provisions. Such Lots as are permitted to be leased may be leased only in their entirety; no fraction or portion may be leased. With the exception of a lender in possession of a Lot following a default in a first Mortgage, a foreclosure proceeding, or any deed or other arrangement in lieu of foreclosure, no Owner shall be permitted to lease his Lot for transient or hotel purposes. All leases shall be in writing in a form approved by the Board of Directors prior to the effective date of the lease. The Board of Directors shall maintain in its files and, upon request, shall provide to any Owner a form which is deemed acceptable. There shall be no subleasing or assignment of leases. All leases must be for an initial term of at least one (1) year, except with written approval by the Board of Directors, which shall not be unreasonably withheld in cases of undue hardship. Within ten (10) days after executing a lease agreement for the lease of a Lot, the Owner shall provide the Board of Directors with a copy of the lease and the name of the lessee and all other people occupying the Lot, the phone number of the lessee and the Owner's address other than at the Lot and other such information as the Board of Directors may reasonably require within ten (10) days after a lease has been signed by both parties. The Owner must provide the lessee copies of the Declaration, Bylaws, and the rules and regulations and the lease form shall provide that the Owner has made available to the lessee copies of the Declaration, Bylaws, and the rules and regulations. Nothing herein shall be construed as giving the Association the right to approve or disapprove a proposed lessee; the Board of Director's approval or disapproval shall be limited to the form of the proposed lease.

(a) Notice. At least seven (7) days prior to entering into the lease of a Lot, the Owner shall provide the Board of Directors with a copy of the proposed lease agreement. The Board of Directors shall approve or disapprove the form of said lease. In the event a lease is disapproved, the

Board of Directors shall notify the Owner of the requisite action to be taken in order to bring the lease in compliance with the Declaration and any rules and regulations adopted pursuant thereto.

(b) Liability for Assessments, Use of Common Property, and Compliance with Declaration, Bylaws, and Rules and Regulations. Each Owner covenants and agrees that any lease of a Lot shall contain the following language and agrees that if such language is not expressly contained therein, then such language shall be incorporated into the lease by existence of this covenant, and the lessee, by occupancy of the Lot, agrees to the applicability of this covenant and incorporation of the following language into the lease:

(1) Compliance with Declaration, Bylaws, and Rules and Regulations. Lessee shall abide and comply with all provisions of the Declaration, Bylaws, and rules and regulations adopted pursuant thereto and shall control the conduct of all other Occupants and guests of the leased Lot in order to ensure such compliance. Owner agrees to cause all Occupants of his or her Lot to comply with the Declaration, Bylaws, and the rules and regulations adopted pursuant thereto and is responsible for all violations caused by such Occupants, notwithstanding the fact that such Occupants of the Lot are fully liable and may be sanctioned for any violation of the Declaration, Bylaws, and rules and regulations adopted pursuant thereto. In the event that the lessee or a person living with the lessee violates the Declaration, Bylaws, or a rule or regulation for which a fine is imposed, notice of the violation shall be given to the Owner and the lessee, and such fine may be assessed against the Owner. Unpaid fines shall constitute a lien against the Lot. Any violation of the Declaration, Bylaws, or rules and regulations adopted pursuant thereto by the lessee, any Occupant, or any guest of the lessee, is deemed to be a default under the terms of the lease and authorizes the Owner to terminate the lease without liability and to evict the lessee in accordance with Georgia law.

(2) Use of Common Property. The Owner transfers and assigns to the lessee, for the term of the lease, any and all rights and privileges that the Owner has to use the Common Property.

(3) Liability for Assessments. When an Owner who is leasing his or her Lot fails to pay any general or special assessment or any other charge for a period of more than thirty (30) days after it is due and payable, then the delinquent Owner hereby consents to the assignment of any rent received from the lessee during the period of delinquency, and, upon request by the Board of Directors, lessee shall pay to the Association all unpaid general and special assessments and other charges payable during and prior to the term of the lease and any other period of occupancy by lessee. However, lessee need not make such payments to the Association in excess of, or prior to the due dates for, monthly rental payments unpaid at the time of the Board of Director's request. All such payments made by lessee shall reduce, by the same amount, lessee's obligation to make monthly rental payments to lessor. If lessee fails to comply with the Board of Director's request to pay assessments or other charges, lessee shall pay to the Association all amounts authorized under the Declaration as if lessee were an Owner. The above provision shall not be construed to release the Owner from any obligation, including the obligation for assessments, for which he or she would otherwise be responsible.

10.6 Mortgagee Exemption. The provisions of this Article shall not apply to any Mortgagee in possession of a Lot through foreclosure or otherwise as a result of the exercise of any rights arising out of a first priority Mortgage on a Lot.

10.7 Rights Reserved by Declarant. Notwithstanding the restriction on the leasing of Lots as

described herein, Declarant may grant an Owner to lease a Lot for any reason and the extent and duration of said privilege granted by Declarant shall be determined solely by Declarant. Any ability to lease a Lot granted by Declarant which extends beyond the termination of Declarant's rights under this Declaration shall be valid and may not be terminated by the Association so long as the Owner complies with the terms and conditions imposed by Declarant.

ARTICLE XI

MISCELLANEOUS

11.01 No Reverter. No restriction herein is intended to be, or shall be construed as, a condition subsequent or as creating a possibility of reverter.

11.02 Severability. A determination by a court that any provision hereof is invalid for any reason shall not affect the validity of any other provisions hereof.

11.03 Headings. The headings of the Articles and Sections hereof are for convenience only and shall not affect the meaning or interpretation of the contents of this Declaration.

11.04 Gender. Throughout this Declaration, the masculine gender shall be deemed to include the feminine and neuter, and the singular, the plural, and vice versa.

Any written communication transmitted on behalf of or by the Board or the Association, shall be deemed received on the second business day after the writing was sent.

11.06 No Liability. Declarant has, using due diligence, prepared and recorded this Declaration so that each and every Owner shall have the right and the power to enforce the terms and provisions of this Declaration against every other Owner. However, in the event that this Declaration is, for any reason whatsoever, unenforceable by an Owner (or any other person) in a court of law or otherwise, Declarant shall have no liability of any kind as a result of such unenforceability, and each and every Owner, by acceptance of a deed conveying a Lot, acknowledges that Declarant shall have no such liability.

11.07 Environmental and Transportation Studies and/or Assessments. Each owner, by

acceptance of a deed conveying a Lot, acknowledges that certain environmental and transportation studies and/or assessments may be available for review prior to acceptance of such deed. The studies and/or assessments may be on file at the sales office located on the Property and/or the offices of the applicable governing authority. Declarant has made no further investigation pertaining to environmental and/or transportation issues affecting the Property and makes no warranties and representations in regard to the aforesaid studies and/or assessments or any and all issues related thereto.

11.08 No Merger. There shall be no merger of any of the covenants, conditions, restrictions or easements created or reserved hereby with the fee estate of Declarant, by reason of the fact that Declarant may own or hold the estate or interest both encumbered and benefited by such covenants, conditions, restrictions or easements and no such merger shall occur unless and until Declarant, while owning all of the estate or interests shall execute a written statement or instrument affecting such merger and shall duly record the same.

11.09 Preparer. This Declaration was prepared by Robin L. Wooldridge, The Abram Law Group, LLC, 1200 Ashwood Parkway, Suite 560, Atlanta, GA 30338.

11.10 No Discrimination. No action shall be taken by the Declarant, the Association or the Board of Directors which would discriminate against any person on the basis of race, creed, color, national origin, religion, sex, familial status or disability.

11.11 Security. The Declarant or the Association may, from time to time, take steps to provide some measure of security on the Common Property of the Community; provided, however, neither the Declarant nor the Association is a provider of security and shall have no duty to provide any security on the Common Property or otherwise. The obligation to provide security lies solely with each Lot Owner individually. Neither Declarant, the Association nor any Owner guarantees or assures to any other Owner or to any other party whomsoever that any security measures taken by the Declarant, the Association or an Owner will in any manner whatsoever provide personal protection or security to any Owner or Occupant, their personal possessions or to guests or invitees, or to any other person, and each Owner, by the acceptance of its deed, shall have assumed the entire risk as between such Owner and Declarant or the Association for any loss or damage to person or property within the Community arising from any deficiency, failure or defect in any security measures or otherwise.

11.12 Indemnification. To the fullest extent allowed by the Georgia Nonprofit Corporation Code, and in accordance therewith, the Association shall indemnify every current and former officer, director and committee member against any and all expenses, including, but not limited to, attorney's fees, imposed upon or reasonably incurred by any officer, director or committee member in connection with any action, suit or other proceeding (including settlement of any suit or proceeding, if approved by the then Board of Directors) to which such officer, director or committee member may be a party by reason of being or having been an officer, director or committee member of the Association. The officers, directors and committee members shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct or bad faith. The officers, directors and committee members shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association and the Association shall indemnify and forever hold each such officer, director and committee member free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall not be exclusive of any other rights to which any

officer, director or committee member, or former officer, director or committee member, may be entitled. The Association shall maintain adequate general liability and officers' and directors' liability insurance to fund this obligation, if such coverage is reasonably available.

11.13 Notice of Sale, Lease or Acquisition. Prior to the sale or lease of a Lot, the Owner shall provide the Association with written notice of the name of the purchaser or lessee, as the case may be, and such other information as the Board may reasonably require. Upon acquisition of a Lot each new Owner shall provide the Association with written notice of the name and mailing address of the Owner and such other information as the Board may reasonably require.

11.14 Variiances. Notwithstanding anything to the contrary contained herein, the Board of Directors shall be authorized to grant individual variances from any of the provisions of this Declaration, the Bylaws and any rule, regulation or use restriction promulgated pursuant thereto, if it determines that waiver of application or enforcement of the provision in a particular case is warranted and would not be inconsistent with the overall scheme of development for the Community.

11.15 Litigation. No judicial or administrative proceeding shall be commenced or prosecuted by the Association unless approved by at least 75% of the Total Association Vote and the consent of the Declarant. This Section shall not apply to (a) actions brought by the Association to enforce the provisions of this Declaration (b) the imposition and collection of assessments as provided herein, (c) proceedings involving challenges to *ad valorem* taxation, (d) counterclaims brought by the Association in proceedings instituted against it, or (e) actions brought by the Association against any contractor, vendor, or supplier of goods or services arising out of a contract for goods or services to which the Association is a party. This Section shall not be amended unless such amendment is made unilaterally by the Declarant as provided herein or is approved by the percentage votes necessary to institute proceedings as provided above.

11.16 Declarant's Interest. Regardless of whether Declarant owns any portion of the Property it is acknowledged by all Owners that Declarant either indirectly or directly benefits by maintaining its status as Declarant. By any Owners acceptance of the deed to Owner's Lot(s) Owner acknowledges and agrees that so long as Declarant has not transferred Declarant rights and obligations to the Association Declarant shall be deemed to have a valuable equitable interest in the Property along with other interest that any Owner shall be estopped from challenging.

ARTICLE XII

MORTGAGEE PROVISIONS

The following provisions are for the benefit of holders of first mortgages on Lots in the Community. The provisions of this Article apply to both this Declaration and to the By-Laws, notwithstanding any other provisions contained therein.

12.01 Notices of Action. An institutional holder, insurer, or guarantor of a first mortgage, who provides written request to the Association (such request to state the name and address of such holder, insurer, guarantor and the Lot number, therefore becoming an "eligible holder"), will be entitled to timely written notice of:

(a) any condemnation loss or any casualty loss which affects a material portion of the Community or which affects any Lot on which there is a first mortgage held, insured, or guaranteed by such eligible holder;

(b) any delinquency in the payment of assessments or charges owed by an Owner of a Lot subject to the mortgage of such eligible holder, which such delinquency has continued for a period of sixty (60) days; provided, however, notwithstanding this provision, any holder of a first mortgage, upon request, is entitled to written notice from the Association of any default in the performance by an Owner of a Lot of any obligation under the Declaration or By-Laws of the Association which is not cured within sixty (60) days;

(c) any lapse, cancellation, or material modification of any insurance policy maintained by the Association; or

(d) any proposed action which would require the consent of a specified percentage of eligible mortgagees.

12.02 Right to Records. Upon written request in accordance with Article XII, Section 12.01, all eligible holders shall:

(a) be entitled to attend and observe all meetings of Owners, but not meetings of the Board;

(b) be furnished with copies of annual financial reports made to the Owners; and

(c) be entitled to inspect the financial books and records of the Association during reasonable business hours.

12.03 Insurance on Common Property. The Association shall obtain the insurance coverage, if necessary, to satisfy the requirements of the Federal Home Loan Mortgage Corporation, the Federal National Mortgage Association ("Fannie Mae"), the U.S. Department of Veterans Affairs ("VA"), and the U.S. Department of Housing and Urban Development ("HUD"), as applicable to the Community. Accordingly, the Board of Directors shall obtain casualty insurance for all insurable improvements, whether or not located on the Common Property, which the Association is obligated to maintain. This insurance shall provide, at a minimum, fire and extended coverage and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. The Board of Directors shall obtain a public liability policy applicable to the Common Property covering the Association and its members for all damage or injury caused by the negligence of the Association or any of its members or agents, and, if reasonably available, directors' and officers' liability insurance. The public liability policy shall have a combined single limit of at least One Million (\$1,000,000.00) Dollars. Policies may contain a reasonable deductible as determined by the Board of Directors. In addition to the other insurance required by this Section, the Board of Directors shall obtain worker's compensation insurance, if and to the extent necessary to satisfy the requirements of applicable laws, and a fidelity bond or bonds on directors, officers, employees and other persons handling or responsible for the Association's funds, if reasonably available. If obtained, the amount of fidelity coverage shall cover the maximum funds that will be in the custody of the Association or its management agent at any time while the policy is in force, or any lesser amount of

fidelity coverage allowable under the applicable Fannie Mae guidelines. Fidelity coverage shall contain a waiver of all defenses based upon the exclusion of persons serving without compensation. All such insurance coverage shall be written in the name of the Association.

12.04 Individual Insurance. By virtue of taking title to a Lot subject to the terms of this Declaration, each Owner acknowledges that the Association has no obligation to provide any insurance for any portion of individual Lots and each Owner covenants and agrees with all other Owners and with the Association that each Owner shall carry all-risk casualty insurance on the Lot and all Structures constructed thereon and a liability policy covering damage or injury occurring on a Lot. The casualty insurance shall cover loss or damage by fire and other hazards commonly insured under an all-risk policy, if reasonably available and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. The policies required hereunder shall be in effect at all times.

12.05 Damage and Destruction - Insured by Association. Promptly after damage or destruction by fire or other casualty to any portion of any improvement covered by insurance, if any, written in the name of the Association, the Board of Directors or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this Section, means repairing or restoring the property to substantially the same condition and location that existed prior to the fire or other casualty, allowing for any changes or improvements necessitated by changes in applicable building codes. Any damage or destruction to property covered by insurance written in the name of the Association shall be repaired or reconstructed unless, within a reasonable time after the casualty, a proposal not to repair or reconstruct such property is approved at an Association meeting by a majority of the Members and the Declarant. If the damage or destruction for which the insurance proceeds are paid is to be repaired or reconstructed and such proceeds are not sufficient to defray the cost thereof, the Board of Directors shall, without the necessity of a vote of the members of the Association, levy a special assessment against the Owner of each Lot. Additional assessments may be made in like manner, as necessary, at any time during or following the completion of any repair or reconstruction. If the funds available from insurance exceed the costs of repair or reconstruction or if the improvements are not repaired or reconstructed, such excess shall be deposited to the benefit of the Association. In the event that it should be determined by the Association in the manner described above that the damage or destruction shall not be repaired or reconstructed and no alternative improvements are authorized, the Common Property shall thereafter be maintained by the Association in a neat and attractive condition.

12.06 Damage and Destruction -- Insured by Owners. The damage or destruction by fire or other casualty to all or any portion of any improvement on a Lot shall be repaired by the Owner thereof within 75 days after such damage or destruction or, if such repairs cannot be completed within 75 days, they shall be commenced within such period and shall be completed within a reasonable time thereafter. Alternatively, the Owner may elect to demolish all improvements on the Lot and remove all debris therefrom within 75 days after such damage or destruction. Thereafter Owner shall maintain the Lot in a manner consistent with the Community-Wide Standard.

12.07 No Priority. No provision of this Declaration or the By-Laws gives or shall be construed as giving any Owner or other party priority over any rights of the first mortgagee of any Lot in the cases of distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of

the Common Property.

12.08 Professional Management. Any agreement for professional management of the Association, or any other contract providing services of the Declarant, may not exceed three (3) years. Any such agreement must provide for termination by either party without cause and without payment of a termination fee of ninety (90) days written notice.

12.09 Notice to Association. Upon request, each Owner shall be obligated to furnish to the Association the name and address of the holder of any mortgage encumbering such Owner's Residence.

12.10 Amendment by Board. Should the Veterans' Administration, the Federal Housing Administration, the Federal National Mortgage Association, or the Federal Home Loan Mortgage Corporation subsequently delete any of their respective requirements which may have necessitated the provisions of this Article or make such requirements less stringent, the Board, without approval of the Owners, may cause an amendment to this Article to be recorded to reflect such changes.

12.11 Failure of Mortgagee to Respond. Any mortgagee who receives a written request from the Board to respond to or consent to any action shall be deemed to have approved such action if the Association does not receive a written response from the Mortgagee within thirty (30) days of the date of the Association's request.

12.12 Special FHLMC Provision. So long as required by the Federal Home Loan Mortgage Corporation, the following provisions apply in addition to and not in lieu of the foregoing. Unless at least two-thirds (2/3) of the first Mortgagees or Owners give their consent, the Association shall not:

(a) By act or omission, directly or indirectly, seek to abandon, partition, subdivide, encumber, sell, or transfer any real property owned by the Association (other than personal property). The granting of easements for public utilities or other similar purposes consistent with the intended use of the real property, if any, owned by the Association shall not be deemed a transfer within the meaning of this subsection;

(b) Change the method of determining the obligations, assessments, dues or other charges which may be levied against an Owner;

(c) By act or omission change, waive or abandon any scheme of regulations or enforcement thereof pertaining to the architectural design or the exterior appearance and maintenance of Lots and of any real property owned by the Association (the issuance and amendment or architectural standards, procedures, rules and regulations or use restrictions shall not constitute a change, waiver or abandonment within the meaning of this subsection);

(d) Fail to maintain insurance, as required by this Declaration; or

(e) Use hazard insurance proceeds received in connection with losses to any real property owned by the Association (other than personal property) for other than the repair, replacement or reconstruction of such property.

First Mortgagees may, jointly or singly, pay taxes or other charges which are in default and

which may or have become a charge against the real property owned by the Association and may pay overdue premiums on casualty insurance policies or secure new casualty insurance coverage upon the lapse of an Association policy, and first Mortgagees making such payment shall be entitled to immediate reimbursement from the Association.

12.13 HUD and/or VA Approvals. Provided the Declarant has not relinquished the right to appoint and remove members of the Board, is in existence and provided further that prior written approval has been issued by the Veterans Administration and/or The Department of Housing and Urban Community for the Property, as this term is defined in the Declaration, and/or portions thereof, then the following events shall require the prior approval of The Veterans Administration and/or The Department of Housing and Urban Development:

(a) Mortgaging of common area; and

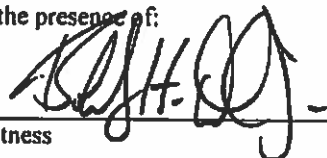

(b) Dissolution and amendment of the Articles of Incorporation Summit Point Residents Association, Inc. and/or By-Laws.
