Article 3

The foregoing is not intended to include Mortgagees and the giving of a security interest shall not terminate an Owner's membership. No Owner, whether one (1) or more Persons, shall have more than one (1) membership per Lot. Membership shall be appurtenant to and may not be separated from ownership of a Lot. The rights and privileges of membership, including the right to hold office, may be exercised by a member or the spouse of a member, but in no event shall more than one (1) Person representing a single membership hold office at the same time. This Section is not intended to prohibit the same individual from being both an officer and a director of the Association. Nothing in this Section shall restrict the number of votes cast or the number of officers and directors appointed by the Declarant.

3.2 Voting. Members shall be entitled to cast one (1) vote for each Lot owned. When more than one (1) Person holds an ownership interest in a Lot, the vote for such Lot shall be exercised as those Owners themselves determine and advise the Secretary prior to any meeting or referendum. The vote attributable to a Lot shall be suspended in the event more than one (1) Person seeks to exercise it. The Board of Directors may suspend the voting rights of an Owner for any period during which any past due assessment against any Lot of the Owner remains unpaid; and, for a reasonable period of time for an infraction of the Declaration, Bylaws, rules and regulations of the Association or Architectural Guidelines established pursuant to Section 6.3 hereof.

3.3 Voting - Master Declaration. For purposes of effecting ways and means of smooth and efficient communication between the Master Association and Owners of Lots in the Community, the Voting Delegate shall be entitled to communicate and deal with the Master Association in all matters affecting the Owners of Lots in the Community, and the Voting Delegate shall be entitled to cast all votes attributable to the Community in accordance with the Master Declaration, except for those matters under Georgia law where Lot Owners are personally entitled to cast a vote.

Article 4 Assessments

4.1 Purpose of Assessments. The assessments provided for herein shall be used for the general purposes of promoting the recreation, health, safety, welfare, common benefit, and enjoyment of the Owners of Lots, including, without limitation, the maintenance of real and personal property, all as may be more specifically authorized from time to time by the Board of Directors.

4.2 Creation of the Lien and Personal Obligation for Assessments.

(a) General. Each Owner of a Lot, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, covenants and agrees to pay to the Association: (a) general assessments; (b) special assessments; (c) specific assessments; and (d) assessments levied by the Master Association pursuant to the Master Declaration as provided in Section 4.7 hereof.

All assessments, together with late charges (in an amount equal to the greater of Ten and No/100 Dollars (\$10.00) or ten percent (10%) of the amount of the assessment or installment not paid when due), interest (at the rate of ten percent (10%) per annum on the principal amount due) and costs of collection, including, without limitation, reasonable attorneys' fees actually incurred, shall, from the time the sums become due and payable, be a charge on the land and a continuing lien in favor of the Association on the Lot against which each assessment is made. As provided in O.C.G.A. Section 44-5-60(e), the obligation for the payment of assessments and fees arising hereunder shall include costs of collection, including, without limitation, reasonable attorneys' fees actually incurred, and the award of attorneys' fees shall not be construed in accordance with the provisions of O.C.G.A. Section 13-1-11(a)(2).

(b) Creation of the Lien. The recording of this Declaration shall constitute record notice of the existence of the lien and no further recordation of any claim of lien shall be required. Each assessment, together with late charges, interest and costs of collection, including, without limitation, reasonable attorneys' fees actually incurred, shall also be the personal obligation of the Person who was the Owner of the Lot at the time the assessment fell due. Each Owner shall be personally liable for the portion of each assessment coming due while the Owner of a Lot, and each grantee of an Owner shall be jointly and severally liable for such portion thereof as may be due and payable at the time of conveyance; provided, however, the liability of a grantee for the unpaid assessments of the grantor shall not apply to any first Mortgagee taking title through foreclosure proceedings.

(c) No Exemption for Assessments. No Owner may waive or otherwise be exempt from liability for the assessments provided for herein for any reason, including, by way of illustration and not limitation, the following: (a) abandonment of the Lot; (b) nonuse of the Common Property, including, without limitation, nonuse of the Community recreational facilities; (c) the Association's failure to perform its obligations required under the Declaration; (d) inconvenience or discomfort arising out of the Association's performance of its duties; (e) nonuse of the Amenity Area; or (f) nonuse of the gardens located in the StableGate at Mountain Crest community. No diminution or abatement of any assessment shall be claimed or allowed by reason of any failure of the Association to take some action or perform some function required to be taken or performed by the Association, the obligation to pay assessments being a separate and independent covenant on the part of each Owner. All payments shall be applied first to costs, then to late charges, then to interest and then to delinquent assessments.

4.3 Operating Budget. It shall be the duty of the Board to prepare a budget covering the estimated costs of operating the Association during the coming year. Costs incurred pursuant to the Easement and Cost Sharing Agreement shall be a line item in the budget. The Board shall cause the budget and the general assessment to be levied against each Lot for the year to be delivered to each member at least thirty (30) days prior to the due date of such general assessment. The budget and the general assessment shall become effective unless disapproved at a meeting by a majority of the Total Association Vote and the Declarant. Notwithstanding the foregoing, in the event the membership and Declarant disapprove the proposed budget or the Board fails for any reason to determine the budget for any period, then and until such time as a budget has been determined, as provided herein, the budget in effect shall continue.

The Master Declaration assessment shall be a line item in the Association's budget and the part of the Association budget attributable to the Master Declaration assessment may only be disapproved as provided in the Master Declaration so that any increase in the proposed budget and the assessment levied by the Association due to an increase in the Master Declaration assessment or otherwise pursuant to the Master Declaration shall automatically be effective.

4.4 General Assessments. General assessments shall be levied equally on all Lots and shall be paid in such manner and on such dates as may be fixed by the Board of Directors, which may include, without limitation, acceleration, upon ten (10) days' written notice for delinquents. Unless otherwise provided by the Board, the general assessment

shall be paid in one annual installment. General assessments include any sums the Board determines necessary for the continued ownership, operation and maintenance of the Common Property, improvements to the Common Property, operating expenses of the Association, payment for any items of betterment and the establishment of reserve funds as the Board shall deem proper. General assessments may include, without limitation, the following: (a) sums for property taxes for the Common Property; (b) insurance premiums; (c) legal and accounting fees; (d) management fees; (e) charges for utilities and other services provided by the Association, if any; (f) costs to maintain the Community entry features, including landscaping and any electricity and/or irrigation expenses associated therewith; (g) landscaping to the Common Property; (h) landscaping to Lots as provided in Section 5.3 hereof; (i) costs associated with the maintenance of the storm water detention/retention pond(s) and storm water drainage facilities serving the Community; (j) the Master Declaration assessment as set forth in Section 4.7 hereof; (k) costs incurred to use the gardens in StableGate at Mountain Crest pursuant to the Easement and Cost Sharing Agreement; (l) costs to operate, maintain and insure the Community recreational facilities as provided in the Easement and Cost Sharing Agreement; (m) costs to operate and maintain the Gate System; (n) costs to maintain and repair the private Community streets, sidewalks and street signs; and (o) expenses and liabilities incurred as provided herein, in the Articles of Incorporation and Bylaws for the indemnification of officers and directors and in connection with the enforcement of rights and duties of the Association against Owners and others.

4.5 Special Assessments. The Association, acting through the Board of Directors, may levy a special assessment against all Owners in the Community for any unbudgeted or unanticipated expenses or expenses in excess of those budgeted. So long as the total amount of special assessments allocated to each Lot in a single fiscal year does not exceed the amount of the annual general assessment in such fiscal year, the Board may impose the special assessment without a vote of the Owners. Except for special assessments levied pursuant to Section 8.3 hereof, any special assessment which would cause the total amount of the special assessments allocated to any one Lot in a single fiscal year to exceed the amount of the annual general assessment must be approved by two-thirds (2/3) of the Total Association Vote and the Declarant in order to be effective. Special assessments shall be paid as determined by the Board. The Board may permit a special assessment to be paid in installments extending beyond the fiscal year in which the special assessment is imposed.

4.6 Specific Assessments. The Board shall have the power to levy specific assessments as, in its discretion, it shall deem appropriate. The failure of the Board to exercise its authority under this Section shall not be grounds for any action against the Association and shall not constitute a waiver of the Board's right to exercise its authority under this Section in the future with respect to any expenses, including an expense for which the Board has not previously exercised its authority under this Section. By way of explanation, and not limitation, the following shall constitute specific assessments: (a) fines levied pursuant to this Declaration; (b) the working capital contribution as provided in Section 4.13 hereof; and (c) the cost of maintenance performed by the Association for which an Owner is responsible.

The Board of Directors may also specifically assess Owners for Association expenses as follows: (a) expenses of the Association which benefit less than all of the Lots may be specifically assessed equitably among all of the Lots which are benefited according to the benefit received; (b) expenses of the Association which benefit all Lots, but do not provide an equal benefit to all Lots, may be specifically assessed equitably among all Lots according to the benefit received; and (c) expenses of the Association which are attributable to or incurred as a result of the conduct of an Owner or the Occupants, guests, tenants, invitees or licensees of the Owner may be specifically assessed against the Lot of such Owner.

4.7 Master Declaration Assessments.

(a) General. The Master Declaration assessment is the Association's share of the annual expenses incurred by the Master Association under the Master Declaration and includes those costs incurred to operate and maintain the Amenity Area. The Master Declaration assessment shall be: (i) a line item in the Association's budget; (ii) included in the general assessment to be paid by all Owners; and (iii) paid by the Association to the Master Association as provided in the Master Declaration. Unless otherwise notified in writing by the Master Association, the Association shall collect all assessments and charges levied against the Lots within the Community by the Master Association and shall disburse the full amount of the Master Association's assessment and charges to the Master Association in accordance with the Master Declaration regardless of whether one or more Owners is delinquent all or any portion in the payment thereof.

(b) Special and Specific Assessments. The Master Association may also levy special assessments and specific assessments against Owners in accordance with the provisions of the Master Declaration. Owners shall be responsible for the payment of such special and specific assessments to the Master Association as provided in the Master Declaration and the Master Association shall have those rights and remedies as may be set forth in the Master Declaration for nonpayment of the same, including, without limitation, the right to levy and collect fines and suspend the right of an Owner or Occupant to use and enjoy the Amenity Area.

4.8 Subordination of Liens to Mortgages. Notwithstanding anything to the contrary in this Declaration or any other document related thereto or executed in connection therewith, the lien of all assessments authorized herein is hereby made subordinate to the lien of any first Mortgage placed on a Lot if, but only if, all assessments and charges with respect to such Lot authorized herein having a due date on or prior to the date of the Mortgage as filed of record have been paid. The lien hereby subordinated is only such lien as relates to assessments and charges authorized hereunder having a due date subsequent to the date such Mortgage is filed of record and prior to the foreclosure of such Mortgage. Such subordination is merely a subordination and: (a) shall not relieve the Owner of the Lot of the personal obligation to pay all assessments coming due during such period of ownership; (b) shall not relieve such Lot from the lien provided for herein (except to the extent a subordinated lien is extinguished as a result of such subordination as against a Mortgagee or such Mortgagee's assignee or transferee by foreclosure); and (c) no sale or transfer of such Lot to the Mortgagee or to any other Person pursuant to a decree of foreclosure, or pursuant to any other proceeding in lieu of foreclosure,

shall relieve any existing or previous Owner of such Lot of any personal obligation or relieve such Lot or the then Owner of such Lot from liability for any assessment authorized hereunder that becomes due after such sale and transfer.

4.9 Remedies of the Association. Any assessments or installments thereof which are not paid when due shall be delinquent. In addition to the lien rights, the personal obligation of the then Owner to pay such assessments shall remain such Owner's personal obligation and shall also pass to such Owner's successors-in-title. Such Owner shall nevertheless remain as fully obligated as before to pay to the Association any and all amounts which such Owner was obligated to pay immediately preceding the transfer or conveyance; and such Owner and such successors-in-title shall be jointly and severally liable with respect thereto, notwithstanding any agreement between such Owner and such successors-in-title creating any indemnification of the Owner or any relationship of principal and surety as between themselves.

Any assessment or installment thereof delinquent for a period of more than ten (10) days shall incur a late charge (in an amount equal to the greater of Ten and No/100 Dollars (\$10.00) or ten percent (10%) of the amount of the assessment or installment not paid when due) and interest (at a rate of ten percent (10%) per annum on the principal amount due). As provided in O.C.G.A. Section 44-5-60(e), the obligation for the payment of assessments and fees arising hereunder shall include costs of collection, including, without limitation, reasonable attorneys' fees actually incurred, and the award of attorneys' fees shall not be construed in accordance with O.C.G.A. Section 13-1-11(a)(2).

The Association may cause a notice of delinquency to be given to any Owner who has not paid within ten (10) days following the due date. In the event that the assessment remains unpaid after sixty (60) days, the Association may institute suit to collect such amounts and/or to foreclose its lien. The Association may file a notice of a claim of lien with the Office of the Clerk of Superior Court of Forsyth County, Georgia, but no notice of a claim of lien shall be required to establish or perfect the lien for unpaid assessments.

Each Owner, by acceptance of a deed, vests in the Association the right and power to bring all actions against such Owner personally, for the collection of such charges as a debt or to foreclose the lien. The lien provided for in this Declaration shall be in favor of the Association and shall be for the benefit of all Owners. The Association shall have the power to bid on the Lot at any foreclosure sale and to acquire, hold, lease, mortgage and convey the same. The Association may also: (a) suspend the membership rights of the delinquent Owner, including the right to vote; (b) suspend the right of an Owner to use and enjoy Common Property, including, without limitation, the Community recreational facilities; (c) suspend the right of an Owner to receive and enjoy such services and other benefits as may then be provided by the Association, if any; (d) notify the Master Association to suspend the right of such Owner to use and enjoy the Amenity Area; or (e) deactivate any card access system, remote, gate code or other equipment used in connection with the operation of the Gate System. Any suspension shall not affect an Owner's obligation to pay assessments coming due during the period of such suspension and shall not affect the permanent lien on such Lot in favor of the Association.

4.10 Date of Commencement of Assessments. Assessments shall commence when the Board of Directors first determines a budget and levies assessments. The assessments provided for herein shall commence as to a Lot on the date that such Lot has been improved with a dwelling for which a certificate of occupancy has been issued and has been conveyed to an Owner who intends to occupy the dwelling, or, if the dwelling is occupied as a residence before such conveyance, the date of such occupancy. Any Lot which has been approved by Declarant for use as a model home for marketing and sales purposes shall not be deemed to be occupied for residential purposes and shall not be subject to assessments under this Declaration whether owned by Declarant or any other Person, so long as such Lot is approved for use as a model home and is not occupied for residential purposes. Master Declaration assessments shall commence as to a Lot as provided in the Master Declaration.

4.11 Budget Deficits During Declarant Control. For so long as the Declarant has the authority to appoint and remove the directors and officers of the Association, Declarant may, but shall have no obligation to: (a) advance funds or contributions of services or materials or a combination of services and materials, rather than money (herein collectively called "in kind contribution"), or a combination of these, to the Association sufficient to satisfy the deficit, if any, between the actual operating expenses of the Association (but specifically not including an allocation for capital reserves), and the sum of the general, special and specific assessments collected by the Association in any fiscal year (such advances shall be evidenced by promissory notes from the Association in favor of the Declarant); or (b) cause the Association to borrow such amount from a commercial lending institution at the then prevailing rates for similar loans in the local area of the Community; provided, however, no Mortgage secured by the Common Property or any of the structures or improvements maintained by the Association shall be given in connection with such loan unless the same has been approved by Owners of at least two-thirds (2/3) of the Lots as provided in Section 9.2(d) hereof.

4.12 Failure to Assess. The omission or failure of the Board to fix the assessment amounts or rates or to deliver or mail to each Owner an assessment notice shall not be deemed a waiver, modification, or a release of any Owner from the obligation to pay assessments. In such event, each Owner shall continue to pay assessments on the same basis as the last year for which an assessment was made, if any, until a new assessment is made, at which time any shortfalls in collections may be assessed retroactively by the Association.

4.13 Estoppel Letter. Any Owner, Mortgagee, or a Person having executed a contract for the purchase of a Lot, or a lender considering a loan to be secured by a Lot, shall be entitled, upon written request, to a statement from the Association or its managing agent setting forth the amount of assessments past due and unpaid, including any late charges, interest, fines, or other charges against that Lot. Such request shall be delivered to the registered office of the Association, and shall state an address to which the statement is to be directed. The Association shall, within five (5) business days after receiving a written request therefor, certify to the amount of any unpaid assessments constituting a lien on a specified Lot. The Association may charge a reasonable fee as may be permitted by law as a prerequisite to the issuance of such statement. A certification letter signed by an officer of the Association or the Association's managing agent, if any, as to the amount of assessments due with respect to a Lot shall be

binding upon the Association. It is the intent of this provision to comply with O.C.G.A. Section 44-14-15(c), as amended.

4.14 Working Capital Contribution.

(a) General. Upon each and every sale of a Lot after it has been improved with a dwelling for which a certificate of occupancy has been issued, a working capital contribution in an amount determined by the Board from time to time, but not to exceed the amount of the general assessment applicable to the Lot for the year of such conveyance, shall be collected from the new Owner at the closing of such transaction and disbursed to the Association; or if not collected at closing, shall be paid immediately upon demand to the Association.

The working capital contribution shall constitute a specific assessment against the Lot, shall be in addition to, not in lieu of, the general assessment and shall not be considered an advance payment of such assessment. The working capital contribution may be used by the Association for any purpose which provides a direct benefit to the Community, including, without limitation, for the payment of operating expenses of the Association and other expenses incurred by the Association pursuant to the provisions of this Declaration. Notwithstanding the foregoing, the working capital contribution shall not apply to the holder of any first Mortgage on a Lot who becomes the Owner of a Lot through foreclosure or any other means pursuant to the satisfaction of the indebtedness secured by such Mortgage, but shall apply to the Owner acquiring title to the Lot from the foreclosing Mortgagee.

(b) Capital Contributions Under Master Declaration. Notwithstanding anything to the contrary herein, each Owner acknowledges that such Owner may be required to pay a working capital contribution to the Master Association in accordance with the Master Declaration. Unless otherwise provided by the Board of Directors of the Master Association, the Association shall be responsible for collecting such capital contribution and remitting the same to the Master Association as provided in the Master Declaration.

Article 5

Maintenance; Common Property

5.1 Association's Maintenance Responsibility. The Association shall maintain and keep in good repair the Common Property, if and to the extent the same is not maintained by the Master Association pursuant to the Master Declaration, which shall include, without limitation, the maintenance, repair and replacement of all landscaping, structures and improvements located thereon. The Association shall also maintain (whether or not constituting Common Property, if and to the extent the same is not maintained by the Master Association pursuant to the Master Declaration) the following: (a) all entry features which exclusively serve the Community, including, without limitation, entrance monuments and any landscaping associated therewith and any irrigation system and/or lighting system which provides water and/or electricity to such entry features and landscaping, regardless of whether such entry features and related landscaping are located on a Lot, Common Property or public right-of-way; (b) all Community green space and open space; (c) all storm water detention/retention pond(s) and storm water drainage facilities

serving the Community and any gate, wall, fence or other enclosure surrounding said storm water detention/retention pond(s), if and to the extent such facilities are not maintained on an ongoing basis by a governmental entity or third party; provided, however, the Association shall not be responsible for the maintenance, repair and replacement of any storm water drainage facilities which exclusively serve a Lot; (d) the centralized mailbox area and the mailboxes located thereon; (e) the Community recreational facilities in accordance with the Easement and Cost Sharing Agreement; (f) lawn and landscaping to Lots as provided in Section 5.3(a) hereof; (g) costs to operate and maintain the Gate System; and (h) all private Community streets, roads, sidewalks, street median and islands and street signs.

All maintenance performed by the Association shall be consistent with the Community-Wide Standard. The Board of Directors may authorize the officers of the Association to enter into contracts with any Person or Persons to perform maintenance hereunder on behalf of the Association.

In the event that the Association determines that the need for maintenance, repair, or replacement, which is the responsibility of the Association hereunder, is caused through the willful or negligent act of an Owner, or the Occupants, family, guests, lessees or invitees of an Owner, then the Association may perform such maintenance, repair or replacement and all costs thereof, not paid for by insurance, shall be assessed against the Lot of such Owner as a specific assessment.

The Association shall have the right, but not the obligation, to maintain property that it does not own, regardless of whether such property is located within or outside of the Community, where the Board has determined that such action would benefit the Owners. In addition to the foregoing, the Board shall also have the right, with the consent of the Declarant and without a vote of the members, to enter into easements and/or covenant to share cost agreements where the Board has determined that such action would benefit the Owners.

5.2 Owner's Maintenance Responsibility. Except for maintenance performed on or to a Lot by the Association pursuant to Section 5.1 and Section 5.3, all maintenance of and repair and replacement to the Lot and all structures, landscaping, and other improvements located thereon shall be the sole responsibility of the Owner thereof, who shall maintain such Lot in a manner consistent with the Community-Wide Standard and this Declaration. Such maintenance obligation shall include, without limitation, the following: (i) lawn and landscaping as provided in Section 5.3(b) hereof; (ii) keeping improvements and exterior lighting in good repair and working order; (iii) keeping driveways and walkways in good repair; (iv) complying with all governmental health and police requirements; (v) maintaining grading and storm water drainage as originally established on the Lot; (vi) periodic maintenance and repair of exterior damage to improvements; (vii) all maintenance, repair and replacement to the residential dwelling located on the Lot, including, without limitation, periodic painting and pressure washing as needed; (viii) maintaining, repairing and replacing all storm water drainage facilities, including, all pipes, wires and conduits related thereto which exclusively serve a Lot; (ix) maintaining, repairing and replacing all pipes, wires and conduits, including, without limitation, electrical and plumbing systems which exclusively serve the Lot; and (x) all maintenance, repair or replacement to any

deck, balcony or patio located on a Lot, including, without limitation, the painting, staining and/or sealing of the same.

5.3 Lawn and Landscaping Maintenance to Lots.

(a) By the Association. As provided in Section 5.1 above, the Association shall provide lawn and landscaping to and on Lots in the Community which shall include, but not be limited to: (a) lawn mowing on a regular basis; and (b) tree and shrub pruning. The Board of Directors may change the level of yard maintenance performed so long as all Lots are maintained according to the same standard. The Board of Directors may promulgate rules setting forth the extent of landscaping maintenance to be performed by the Association and the rights of Owners with respect to adding or modifying landscaping improvements, including, for example allowing seasonal flowering plants in certain areas of the Community at the expense of the Owner.

(b) By Owners. Each Owner shall be responsible for all lawn and landscaping to a Lot which is not provided by the Association pursuant to subsection (a) above, which shall include, but not be limited to, the following: (i) shrub fertilization; (ii) pruning and weeding, as applicable; (iii) monitoring plants, shrubs and lawns for insecticide and disease; (iv) watering landscaped areas; and (v) keeping lawn and garden areas generally alive and attractive. All lawn and landscape maintenance to Lots shall be performed in a manner consistent with the Community-Wide Standard. Any landscaping improvements originally installed by an Owner which are not properly maintained, including, without limitation, dead, diseased, damaged or dying plants, trees and shrubs may, at the sole discretion of the Board and subject to the notice provisions in Section 5.4 hereof, be removed from the Community and all costs associated therewith shall be a specific assessment against the Lot of such Owner.

(c) Fences. In the event that a fence is erected or installed on a Lot by Declarant or an Owner pursuant to the provisions of Article 6 hereof, the Association shall continue to maintain the area enclosed by said fence; provided, however, the Owner must allow access through an unlocked gate and no pet or other obstacle shall be present in the area at the time of such maintenance in order for the area enclosed by said fence to be maintained by the Association. In the event that the Lot Owner refuses access to the area enclosed by the fence, the gate is locked or a pet or other obstacle is present in such area at the time that maintenance is performed by the Association or its agents, said Owner shall not be entitled to a reduction in the liability for assessments due in the event the Association is unable to maintain the enclosed property and such Owner shall be obligated to maintain such area in a manner consistent with the Community-Wide Standard.

5.4 Failure of Owner to Maintain. In the event that the Board of Directors determines that any Owner has failed or refused to discharge properly any of such Owner's obligations with regard to the maintenance, repair or replacement of items for which such Owner is responsible hereunder, the Association shall, except in an emergency situation, give the Owner written notice of the Association's intent to provide such maintenance, repair or replacement at the Owner's sole cost and expense. The notice shall set forth with reasonable particularity the maintenance, repair or replacement to be performed. The Owner shall have ten (10) days after receipt of such notice

within which to complete such maintenance, repair or replacement, or, in the event that such maintenance, repair or replacement is not capable of completion within a ten (10) day period, to commence such work which shall be completed within a reasonable period of time. If an Owner does not comply with the provisions hereof, the Association may provide such maintenance, repair or replacement to the Lot and all costs associated therewith shall be assessed against the Owner and the Lot of such Owner as a specific assessment. This provision shall not apply to any Lot(s) owned by the Declarant, unless improved with a dwelling and occupied as a residence.

5.5 Conveyance of Common Property by Declarant to Association; No Implied Rights. Declarant may transfer or convey to the Association at any time and from time to time any personal property and any interest in improved or unimproved real property. Such conveyance shall be deemed to be accepted by the Association upon delivery of any personal property or upon recordation of an instrument of conveyance of any interest in real property, and the property shall thereafter be Common Property to be used and, if and as provided in Section 5.1 hereof, maintained by the Association for the benefit of its members. So long as Declarant owns any property primarily for development and/or sale in the Community or owns any property which may be added to the Community, Declarant may, upon written notice to the Association, require the Association to reconvey to Declarant all or any portion of the Common Property, improved or unimproved, at no charge to Declarant, without a vote of the members of the Association, if all or any portion of the Common Property is: (a) found by Declarant to have been conveyed in error; (b) needed by Declarant to make adjustments in property boundary lines; or (c) needed by Declarant due to changes in the overall scheme of development for the Community.

The Association hereby constitutes and appoints Declarant as its agent and attorney-in-fact to accept on behalf of the Association any such conveyance to the Association, to reconvey any such property on behalf of the Association and to execute on behalf of the Association any and all documents, including, without limitation, deeds, necessary or convenient to effectuate and document any such conveyance to or reconveyance from the Association. The power and agency hereby granted are coupled with an interest and are irrevocable by death or otherwise. Declarant shall not be required to make any improvements whatsoever to property to be conveyed and accepted pursuant to this Section and shall have no duty or obligation to convey any property or property rights to the Association regardless of whether such property has been made available for the use of Owners. Declarant may reserve, by lease, license, easement or otherwise, such rights of use and enjoyment in and to all or any portion of the property so conveyed as Declarant may reasonably require so long as such reservation is not materially inconsistent with the overall scheme of development for the Community. Neither the recordation of any subdivision plat nor the use by the Owners or maintenance by the Association of any property shall create any rights, easements or licenses, in the Association or the Owners, express or implied, unless and until any such property rights, easements or licenses are conveyed by the Declarant or the owner of such property to the Association or the Owners, as the case may be, by an instrument recorded in the Forsyth County, Georgia land records.

5.6 Partition of Common Property. The Common Property shall remain undivided and no Owner shall bring any action for partition or division of the whole or any part thereof without

the written consent of: (a) all Owners of all portions of the property located within the Community; and (b) all holders of all Mortgages encumbering any portion of the property, including, but not limited to, the Lots located within the Community.

5.7 Condemnation of Common Property. In the event of a taking by eminent domain of all or any portion of the Common Property on which improvements have been constructed, the Association shall, if reasonably possible, restore or replace such improvements on the remaining Common Property, unless within sixty (60) days after such taking an alternative plan is approved by at least seventy-five percent (75%) of the Total Association Vote and the Declarant. The provisions of this Declaration applicable to the replacement or restoration of damaged improvements on the Common Property shall also apply to and govern the actions to be taken in the event that the improvements are not restored or replaced after a condemnation.

5.8 Limitation of Liability. Owners, Occupants and their guests shall use the common areas maintained by the Association and all other Common Property and all portions of the Community not contained within a Lot, including, without limitation, the Community recreational facilities, private streets and Gate System, at their own risk and shall assume sole responsibility for their personal belongings used or stored thereon. All Owners and Occupants shall have an affirmative duty and responsibility to inspect the Common Property and all portions of the Community not contained within a Lot, including, without limitation, the Community recreational facilities, private streets and Gate System, for any defects, perils or other unsafe conditions relating to the use and enjoyment thereof. The Association, the Declarant and their respective officers, directors, employees, representatives and agents shall not be held liable for: (a) personal injury to any person occurring on the Common Property; (b) loss or damage to personal belongings used or stored on the Common Property or on any other portion of the Community; or (c) loss or damage, by theft or otherwise, of any other property of such Owner or Occupant.

In addition to the foregoing, the Association, the Declarant and their respective officers, directors, employees, representatives and agents shall not be liable for injury or damage to any Person or property: (a) caused by the elements or by an Owner or any other Person; (b) resulting from any rain or other surface water which may leak or flow from any street, pipe, plumbing, drain, conduit, appliance, equipment, security system, or utility line or facility, the responsibility for the maintenance of which is that of the Association or from any portion of the Common Property; or (c) caused by any street, pipe, plumbing, drain, pond, lake, dam, conduit, appliance, equipment, security system, or utility line or facility, the responsibility for the maintenance of which is that of the Association, becoming out of repair.

5.9 Use of Community Gardens in Stablegate at Mountain Crest. Stablegate at Mountain Crest is part of the Mountain Crest residential community and is an adjacent "Neighborhood" as such term is defined in the Master Declaration. Stablegate at Mountain Crest contains a garden area and pursuant to the Easement and Cost Sharing Agreement, Owners and Occupants in the Community have the right to use and enjoy such gardens. Similarly, members of the Stablegate at Mountain Crest Homeowners Association, Inc. shall have the right to use and enjoy the Community recreational facilities. All costs associated with the use of the gardens in Stablegate

at Mountain Crest and with the use of the Community recreational facilities by members of the Stablegate at Mountain Crest Homeowners Association, Inc. are set forth in the Easement and Cost Sharing Agreement. Owners and Occupants shall comply with any rules and regulations promulgated by the Stablegate at Mountain Crest Homeowners Association, Inc. relating to the use of the gardens.

5.10 Gate System. Each Owner, by accepting a deed to a Lot, shall be deemed to acknowledge and agree to the following with respect to the use and operation of the Gate System:

(a) The Board of Directors, with the consent of the Declarant, which consent shall not be unreasonably withheld, shall determine when the Gate System will be operational.

(b) The Declarant, its affiliates, the Association, the Master Association and their respective officers, directors, members, representatives or agents shall not be responsible for the security of Owners, Occupants or their family members, guests, invitees or property. NEITHER DECLARANT, ITS AFFILIATES, THE ASSOCIATION, THE MASTER ASSOCIATION NOR ANY OWNER OR OCCUPANT GUARANTEES OR ASSURES TO ANY OTHER OWNER OR OCCUPANT NOR ANY OTHER PARTY WHOMSOEVER THAT THE GATE SYSTEM WILL IN ANY MANNER WHATSOEVER PROVIDE PERSONAL PROTECTION OR SECURITY TO ANY OWNER OR OCCUPANT, THEIR PERSONAL POSSESSIONS, TO GUESTS OR INVITEES, OR TO ANY OTHER PERSON, AND EACH OWNER, BY THE ACCEPTANCE OF A DEED TO A LOT, SHALL HAVE ASSUMED THE ENTIRE RISK AS BETWEEN SUCH OWNER AND DECLARANT, THE ASSOCIATION OR THE MASTER ASSOCIATION, AS APPLICABLE, FOR ANY LOSS OR DAMAGE TO PERSON OR PROPERTY WITHIN THE COMMUNITY ARISING FROM ANY DEFICIENCY, FAILURE OR DEFECT IN THE GATE SYSTEM OR OTHERWISE.

(c) All governmental authorities shall have access to the Community for law enforcement, safety and emergency purposes. Each Owner shall look solely to the applicable governmental authority for the provision of law enforcement and police protection.

(d) The Gate System is not intended to replace or to serve in lieu of individual alarm systems or other measures designed to provide security at a residence or within any Lot. Each Owner is encouraged to install personal security devices upon and within such Owner's Lot to the same extent that would be prudent if the Gate System did not exist.

(e) The Gate System will be installed based upon the representations of vendors regarding the operation and performance capabilities of the components of the Gate System.

(f) DECLARANT AND ITS AFFILIATES DISCLAIM ANY AND ALL REPRESENTATIONS AND WARRANTIES, EXPRESS OR IMPLIED, AND MAKE NO REPRESENTATIONS OR WARRANTIES OF ANY NATURE WHATSOEVER REGARDING THE GATE SYSTEM, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR THE PURPOSES

FOR WHICH IT WAS DESIGNED. Declarant and its affiliates do not guarantee that the Gate System will avert or prevent occurrences or consequences which the Gate System is designed to avert or prevent.

(g) The Gate System shall be owned, operated, and maintained by the Association. The costs and expenses associated with such maintenance, repair and replacement shall be included in the general assessment as provided in Section 4.4 hereof. Declarant shall not be required to operate or maintain the Gate System.

(h) Each Owner shall use the Gate System in the proper manner and within the rules and regulations relating thereto as may be adopted from time to time by the Board of Directors.

(i) Each Owner and Occupant acknowledges and understands that nonpayment of assessments or a violation of any provisions of this Declaration, Bylaws, rules and regulations, use restrictions or Architectural Guidelines shall entitle the Association to deactivate any card access system, gate code or other equipment used in connection with the Gate System.

5.11 Retaining Walls.

(a) General. The Community contains several retaining walls which are located on a portion of Lots 153-156 and a portion of Lot 165, as the same are identified on one or more recorded subdivision plats for the Community. Each Owner shall be responsible, at his or her sole cost and expense, for all maintenance and repair to any portion of a retaining wall located on his or her Lot, subject to contribution from other Lot Owners as provided below.

(b) Party Wall. Each retaining wall which is located on more than one Lot shall constitute a party wall and, to the extent not inconsistent with the provisions of this Section, the general rules of law regarding party walls and liability for property damage due to negligent or willful acts or omissions shall apply thereto. The cost of reasonable repair and maintenance of a retaining wall shall be shared by the Owners who make use of the wall in equal proportions. If a party wall is destroyed or damaged by casualty, then any Owner who has benefited from the wall may restore it, and the other Owners who are benefited by the wall shall contribute their pro rata share of the cost of restoration, without prejudice, however, to the right of any Owner to call for a larger contribution from any other Owner under any rule of law regarding liability for negligent or willful acts or omissions.

(c) Easements Reserved. Declarant hereby grants to each Owner upon which any portion of a retaining wall is located an easement over, under, through and across the exterior portions of any Lots containing a portion of such retaining wall as may be reasonably necessary to maintain, repair, replace and improve the retaining wall as provided herein.

(d) Use Restrictions. Any modification or alteration on or to a Lot containing a retaining wall shall be approved pursuant to Article 6 hereof. In addition to the foregoing, the Owners of any Lot which contains a retaining wall: (i) may not make any changes in

and around the retaining walls, including, without limitation, changes to the drainage in and around said retaining walls; (ii) may not plant or install deep rooted trees or plant materials within ten (10) feet of the top of any retaining wall; or (iii) take any other action or do any other thing that may adversely affect or undermine any retaining wall, as determined by the Board in its sole discretion. Any modification or alteration to a Lot which damages any portion of the retaining wall shall be the responsibility of the Lot Owner at his or her own cost and expense.

Article 6 Architectural Standards

6.1 General. No exterior construction, alteration or addition of any improvements of any nature whatsoever (including, without limitation, staking, clearing, excavating, grading, filling, construction of impervious surfaces, building, exterior alteration of existing improvements, installing storm and screen doors, storm windows and fencing, changing the exterior color of any existing improvement and planting and removing landscaping materials) shall be commenced or placed upon any part of the Community unless: (a) installed by the Declarant or its affiliates; (b) approved in accordance with this Article; or (c) otherwise expressly permitted under this Declaration. Any Owner may remodel, paint or redecorate the interior of a structure located on a Lot without approval hereunder. However, additions and/or modifications to the interior of balconies, porches, patios, decks and similar portions of a structure which are visible from outside of a Lot shall be subject to approval. No approval shall be required to repaint the exterior of a structure located on a Lot in accordance with the originally approved color scheme or to rebuild in accordance with originally approved plans and specifications. This Article shall not apply to the activities of the Declarant or its affiliates or to improvements to the Common Property made by or on behalf of the Association.

This Article may not be amended without the written consent of the Declarant until its rights have terminated as provided in Section 10.5 hereof.

6.2 Guidelines and Procedures. Except as provided above or specifically articulated in the Architectural Guidelines established pursuant to Section 6.3 hereof, no exterior construction, addition or alteration shall be made unless and until plans and specifications shall have been submitted in writing to and approved by the Declarant. Such plans and specifications shall be of sufficient detail to allow the Declarant to make its review and to the extent required by the Declarant shall show the nature, kind, shape, height, materials and location of the proposed structure or improvement. The Declarant shall be the sole arbiter of such plans and specifications and may withhold approval for any reason, including, without limitation, purely aesthetic considerations, and it shall be entitled to stop any construction in violation of such plans and specifications, applicable Architectural Guidelines or any other provisions of the Declaration. If the Declarant fails to approve or disapprove submitted plans and specifications within forty-five (45) days after receipt of all required information, such approval shall be deemed to have been given. If construction does not commence on a project for which plans have been approved within twelve (12) months of such approval, such approval shall be deemed

withdrawn, and it shall be necessary for the Owner to resubmit the plans and specifications to the Declarant for reconsideration.

As a condition of approval under this Article, each Owner, on behalf of such Owner and such Owner's successors-in-interest, shall assume all responsibilities for the maintenance, repair, replacement and insurance to and on any improvement, change, modification, addition or alteration. In the discretion of the Declarant, an Owner may be required to verify such condition of approval by a recordable written instrument acknowledged by such Owner on behalf of such Owner and such Owner's successors-in-interest. The Declarant and its representatives and/or agents shall have the right, during reasonable hours and after reasonable notice, to enter upon any property in the Community to determine whether or not these restrictive covenants have been or are being complied with and such Persons shall not be deemed guilty of trespass by reason of such entry; provided, however, nothing herein shall be construed as permitting the Association to enter any residential dwelling located on a Lot without the consent of the Owner thereof.

6.3 Architectural Guidelines. The Declarant may adopt written architectural, landscaping and fencing guidelines (collectively, the "Architectural Guidelines") and application and review procedures, which may provide for a review fee. The Declarant shall have the sole and full authority to prepare and to amend, modify, repeal or expand, in whole or in part, from time to time at its sole discretion and without notice, the Architectural Guidelines. In the event Declarant modifies, expands or repeals all or any portion of the Architectural Guidelines, said new Architectural Guidelines shall be distributed to all Owners and Occupants prior to the date that they are to become effective and shall thereafter be binding upon all Owners and Occupants until and unless overruled, canceled or modified by a majority of the Total Association Vote and the Declarant. The Declarant shall make the Architectural Guidelines available to Owners and Occupants who seek to engage in construction upon all or any portion of the Community and such Owners and Occupants shall conduct their operations strictly in accordance therewith and with the provisions of this Article 6. The Declarant shall provide, without cost, a copy of the Architectural Guidelines then in effect to any requesting Owner or Mortgagee.

All Owners and Occupants of Lots are hereby notified that the use of their Lots is limited by the Architectural Guidelines, as they may be amended, expanded, and otherwise modified hereunder. Each Owner, by acceptance of a deed or entering into a contract of sale, acknowledges and agrees that the use and enjoyment and marketability of his or her Lot can be affected, that the Architectural Guidelines may change from time to time, and that such changed Architectural Guidelines may or may not be set forth in an instrument recorded in the Forsyth County, Georgia land records.

6.4 Limitation of Liability. Plans and specifications are not approved for engineering or structural design, quality of materials or for compliance with applicable building codes, permitting requirements, zoning conditions or other applicable governmental laws, ordinances and regulations governing construction in the Community and by approving such plans and specifications the Declarant, the Association and their respective directors, officers, members, representatives, agents or employees assume no liability or responsibility therefor or for any

defect in any structure or improvement constructed from such plans and specifications or for any violation of applicable building codes, zoning conditions, permitting requirements or for any other violation of governmental laws, ordinances and regulations governing construction in the Community. Neither Declarant, the Association, nor their respective officers, directors, members, employees, representatives and agents shall be liable in damages to anyone submitting plans and specifications for approval or to any Owner of property affected by these restrictions by reason of mistake in judgment, negligence or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any such plans or specifications. Every Person who submits plans and specifications and every Owner agrees that such Person or Owner will not bring any action or suit against the Declarant, the Association or their respective officers, directors, members, employees, representatives and agents to recover any damages and hereby releases, remises, quitclaims and covenants not to sue for all claims, demands and causes of action arising out of or in connection with any judgment, negligence or nonfeasance and hereby waives the provisions of any law which provides that a general release does not extend to claims, demands and causes of action not known at the time the release is given.

6.5 No Waiver. The approval of the Declarant of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the approval or consent of the Declarant, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications or drawings or matters whatsoever subsequently or additionally submitted for approval or consent.

6.6 Variances. Notwithstanding anything to the contrary contained herein, the Declarant shall be authorized to grant individual variances from any of the provisions of this Declaration and the Architectural Guidelines if it determines that waiver of application or enforcement of the provision in a particular case is dictated by unique circumstances, such as, but not limited to, topography, natural obstructions, hardship, aesthetic considerations or environmental considerations. No variance issued shall: (a) be effective unless in writing; (b) be inconsistent with the overall scheme of development for the Community; or (c) estop the Declarant from denying a variance in other similar circumstances. For purposes of this provision, the inability to obtain approval of any governmental agency or the issuance of any permit or the terms of any financing shall not be considered a hardship warranting a variance.

6.7 Enforcement. Any structure, improvement or landscaping improvement placed or made in violation of this Article shall be deemed to be nonconforming. Upon written request from Declarant, an Owner shall, at its own cost and expense, remove such nonconforming structure or improvement and restore the land to substantially the same condition as existed prior to the nonconforming work. Should an Owner fail to remove and restore as required, Declarant and its representatives and agents shall have the right to enter the property, remove the nonconforming structure or improvement, and restore the property to substantially the same condition as previously existed. All costs, including, without limitation, reasonable attorneys' fees actually incurred, may be assessed against the Lot as a specific assessment. In such event, neither Declarant, the Association nor their respective officers, directors, members, employees, representatives and agents shall be held liable to any Person for exercising the rights granted by this Section, including, without limitation, claims for damages resulting from the removal of the

nonconforming structure or improvement in accordance with the procedures set forth herein. Any contractor, subcontractor, agent, employee or other invitee of an Owner who fails to comply with the terms and provisions of this Article and the Architectural Guidelines, if any, may be excluded by the Declarant from the Community, subject to any applicable notice and hearing procedures contained herein or in the Bylaws. In the event of noncompliance with this Article, the Association or Declarant, respectively, may record in the appropriate land records a notice of violation hereunder naming the violating Owner. Declarant or the Association, acting through its Board, shall also have the authority and standing to pursue any and all remedies available at law and equity to enforce the provisions of this Article, including, without limitation: (a) the right to levy and collect fines against non complying Owners and Occupants in accordance with the provisions of this Declaration and the Bylaws; (b) the right to notify the Master Association to suspend the right of a violating Owner to use and enjoy the Amenity Area, subject to applicable notice provisions contained herein; and (c) the right to suspend the right of an Owner to use and enjoy the Community recreational facilities.

6.8 Architectural Review By Declarant. Until: (a) the Declarant no longer owns any property in the Community and no longer owns any property which may be added to the Community; and (b) each Lot has been improved with a dwelling for which a certificate of occupancy has been issued, the Declarant shall have the sole right, power and authority under this Article. Notwithstanding the foregoing, the Declarant may in its sole discretion relinquish architectural control as to certain types of improvements or modifications to the Board of Directors while retaining control over all other building and construction in the Community; provided, however, any right, power or authority of the Declarant which may be relinquished to the Board of Directors prior to the termination of the rights of Declarant hereunder shall only be by a written instrument executed by Declarant and recorded in the Forsyth County, Georgia land records and no such right, power or authority shall be relinquished by implication or otherwise. For example and without limitation, the Declarant may relinquish control over modifications of existing structures to the Board of Directors while retaining all authority to review and approve new home construction. Upon the surrender in writing of all or a portion of such right and authority, the Board of Directors shall then have such jurisdiction over architectural control under this Article as may have been relinquished by the Declarant. The establishment of an advisory architectural review committee shall not be deemed to be a relinquishment by Declarant of any of its right, power and authority hereunder.

After the termination or voluntary surrender of all or a portion of the rights of Declarant hereunder, the Board of Directors shall have all right, power and authority to review and approve all building and construction activity within the Community and this Article shall then be read and interpreted as if any reference to the authority of or action by the Declarant in this Article 6 were a reference to the authority of or action by the Board of Directors. The Board of Directors may, but shall have no obligation to, establish an architectural review committee ("ARC"), which shall then have such rights, powers and authority as may be granted to it by the Board of Directors. The Board of Directors may grant to the ARC all of its rights, powers and authorities hereunder, or may grant the ARC such limited rights as it deems appropriate in its sole discretion and in such event this Article or portions thereof, as appropriate, shall then be read and interpreted as if any reference to the authority of or action by the Declarant in this Article 6 were

a reference to the ARC. Notwithstanding anything herein to the contrary, the Board of Directors shall have the sole right and authority to appoint and remove the members of the ARC.

Article 7
Use Restrictions and Rules

7.1 Rules and Regulations. The Board of Directors may, from time to time, with the consent of the Declarant and without a vote of the members, promulgate, modify or delete reasonable rules and regulations applicable to the Community. Such rules and regulations shall be distributed to all Owners prior to the date that they are to become effective and shall thereafter be binding upon all Owners and Occupants until and unless overruled, canceled or modified by a majority of the Total Association Vote and the Declarant. Any rules and regulations adopted hereunder shall be in addition to, not in lieu of, any rules and regulations promulgated by the Master Association under the Master Declaration.

All Owners and Occupants of Lots are hereby notified that the use of their Lots is limited by the rules and regulations, as they may be amended, expanded, and otherwise modified hereunder. Each Owner, by acceptance of a deed or entering into a contract of sale, acknowledges and agrees that the use and enjoyment and marketability of his or her Lot can be affected by the rules and regulations, that the rules and regulations may change from time to time, and that such changed rules and regulations may or may not be set forth in an instrument recorded in the Forsyth County, Georgia land records.

7.2 Residential Use. Each Lot shall be used for residential purposes exclusively. Leasing of a Lot for residential occupancy shall not be considered a business or business activity. No trade or business of any kind may be conducted in or from a Lot, except that the Owner or Occupant residing at the Lot may conduct business activities within the residential dwelling located thereon so long as the business activity: (a) does not otherwise violate the provisions of the Declaration, Bylaws or any rules and regulations of the Association; (b) is not apparent or detectable by sight, sound or smell from the exterior of the Lot; (c) does not unduly increase traffic flow or parking congestion; (d) conforms to all zoning requirements for the Community; (e) does not increase the insurance premium paid by the Association or otherwise negatively affect the ability of the Association to obtain insurance coverage; (f) is consistent with the residential character of the Community; (g) does not constitute a nuisance or a hazardous or offensive use; (h) does not threaten the security or safety of other residents of the Community; and (i) does not involve door-to-door solicitation within the Community, all as may be determined in each case in the sole discretion of the Board of Directors.

The Board may issue rules regarding permitted business activities. The terms "business" and "trade", as used in this provision, shall be construed to have their ordinary, generally accepted meanings and shall include, without limitation, any occupation, work or activity undertaken on an ongoing basis which involves the provision of goods or services to Persons other than the provider's family and for which the provider receives a fee, compensation, or other form of consideration, regardless of whether: (x) the activity is engaged in full or part-time; (y) the activity is intended to or does generate a profit; or (z) a license is required for the activity.

Notwithstanding the foregoing, nothing in this Section 7.2 shall be construed as prohibiting the Declarant from maintaining model homes, speculative housing, sales trailers or construction trailers within the Community.

7.3 Signs. No sign of any kind shall be erected or displayed within the Community without prior written approval under Article 6 hereof or in compliance with the Architectural Guidelines; provided, however, the following signs may be erected on any Lot without approval: (a) one (1) professionally lettered "For-Sale" or "For Rent" sign consistent with the Community-Wide Standard; (b) security signs not larger than 18-inches by 18-inches consistent with the Community-Wide Standard; and (c) signs required by legal proceedings. Notwithstanding the foregoing, the Board, on behalf of the Association, or the Declarant shall have the right to erect and display reasonable and appropriate signs including, without limitation, signs relating to the development, construction, marketing or sales of residential dwellings located on Lots in the Community. The Board of Directors shall also have the right to adopt reasonable rules and regulations governing the display and placement of signs in the Community, including, without limitation, imposing reasonable time, place and manner restrictions. The Board or Declarant, as the case may be, may impose a reasonable fine for the display of any sign which violates this provision and is not removed within twenty-four (24) hours after written demand is delivered to the Owner at that Lot. Notwithstanding anything to the contrary herein, the provisions of this Section shall not apply to any Mortgagee in possession due to foreclosure of a first Mortgage or as grantee pursuant to any deed in lieu of such foreclosure.

7.4 Vehicles; Parking.

(a) General. Vehicles shall be parked only in appropriate parking spaces serving the Lot or other designated parking areas established by the Board, if any. The term "vehicles," as used herein, shall include, without limitation, motor homes, boats, trailers, motorcycles, minibikes, scooters, go carts, golf carts, trucks, campers, buses, vans and automobiles. The term "parking spaces serving the Lot" shall refer to the number of garage parking spaces and if, and only if, the Owners and Occupants of a Lot have more vehicles than the number of garage parking spaces, those excess vehicles which are an Owner's or Occupant's primary means of transportation on a regular basis may be parked on the driveway located on such Lot; provided, however, no vehicle parked on a driveway shall encroach onto any portion of a sidewalk, public right-of-way or any landscaped or grassy area. All parking shall be further subject to such reasonable rules and regulations as the Board may adopt from time to time.

(b) Garages. All homes shall contain a garage; carports shall not be permitted. Garage doors should be kept closed at all times, except during times of ingress and egress from the garage. Garages shall be used primarily for the parking of vehicles and not for storage or other purposes; provided, however, the use of a garage for storage shall be permitted provided such storage does not prevent an Owner or Occupant from parking vehicles in the garage on a regular basis. Garages shall not be converted to additional living space unless the same has been approved in accordance with Article 6 hereof.

(c) Disabled and Stored Vehicles. No vehicle may be left upon any portion of the Community, except in an enclosed garage or other area designated by the Board, if any, for a period of more than five (5) days if it is not licensed or if it is in a condition such that it is incapable of being operated upon the public highways. After such five-day period, such vehicle may be removed from the Community by the Board of Directors or the appropriate authority of Forsyth County. No towed vehicle, boat, personal watercraft, recreational vehicle, motor home, trailer, motorcycle, minibike, scooter, go cart, golf cart, commercial vehicle, camper, bus or mobile home shall be regularly stored in the Community or temporarily kept in the Community, except if kept in an enclosed garage or other area designated by the Board, if any, for periods longer than forty-eight (48) hours (the temporary removal of such vehicle from the Community shall not be sufficient to establish compliance with the forty-eight (48) consecutive hour provision provided for herein). Trucks with mounted campers which are used as a primary means of transportation shall not be considered recreational vehicles provided they are used on a regular basis for transportation and the camper is stored out of public view upon removal. No eighteen wheel trucks or the cabs of such trucks or trucks with a load capacity in excess of three-quarters of a ton shall be parked, kept or stored within the Community except as may be reasonably necessary to provide service to or delivery within the Community or as otherwise permitted by the Board of Directors.

(d) Commercial Vehicles. The term "commercial vehicles" as used in this paragraph, shall include, without limitation, any vehicle which bears any indicia of commercial use, including, but not limited to, writing, logos, ladders, ladder racks, vehicles displaying signage of a commercial or business nature or vehicles which are not primarily used for the transportation of passengers, all as determined by the Board in its sole discretion. Commercial vehicles shall not be permitted in the Community, except if kept in an enclosed garage; provided however, construction, service, and delivery vehicles shall be exempt from this provision for such period of time as is reasonably necessary to provide service to or make a delivery within the Community.

(e) Remedies of the Association for Noncompliance. If any vehicle is parked on any portion of the Community in violation of this Section or in violation of the Association's rules and regulations, the Board or agent of the Association may cause the vehicle to be towed or booted, subject to compliance with applicable law, including any notice required thereby. The notice may be a general notice by signage or may be placed on the vehicle, if and as allowed under applicable law, as the case may be. If a vehicle is parked in a fire lane, is blocking another vehicle, is obstructing the flow of traffic, is parked on any landscaped area or otherwise creates a hazardous condition, and the Board or agent of the Association may have the vehicle towed immediately, subject to compliance with applicable law. If a vehicle is towed or booted in accordance with this subparagraph and applicable law, neither the Association nor any officer or agent of the Association shall be liable to any person for any claim of damage as a result of the towing or booting activity. Notwithstanding anything to the contrary herein, the Board may elect to impose fines or use other available sanctions, rather than exercise its authority to tow or boot.

(f) Traffic Regulations. All vehicular traffic on the private streets in the Community shall be subject to the provisions of state and local laws concerning the operation of motor

vehicles on public streets. The Association is hereby authorized to promulgate, administer, and enforce reasonable rules and regulations governing vehicular and pedestrian traffic, including, without limitation, imposing reasonable safety measures and speed limits. The Association shall be entitled to enforce the same by establishing such enforcement procedures as it deems appropriate, including levying and collecting fines for the violation thereof. In the event of a conflict between such provisions of state and local laws and such rules and regulations promulgated by the Association, the rules and regulations of the Association shall govern. Only drivers properly licensed to operate motor vehicles on the public roads within the State of Georgia may operate any type of motor vehicle within the Community. All vehicles of any kind and nature which are operated on the private street in the Community shall be operated in a careful, prudent, safe, and quiet manner and with due consideration for the rights of all Owners and Occupants.

(g) Declarant Exemption. Notwithstanding the foregoing, the Declarant, and its respective agents, contractors, subcontractors and assigns shall have the right, during regular business hours, to park vehicles on any and all streets within the Community as needed in order to facilitate the construction, development, maintenance and build out of the Community.

7.5 Leasing. Lots may be leased for residential purposes. All leases shall be in writing. Lots may be leased only in their entirety; no fraction or portion may be leased without prior written Board approval. Unless otherwise provided by the Board of Directors, all leases shall have a minimum term of at least twelve (12) months.

(a) Notice. Within ten (10) days after executing a lease agreement for the lease of a Lot, the Owner shall provide the Board with the following information: (i) a copy of the fully executed lease agreement; (ii) the name of the lessee and all other Occupants of the Lot; (iii) the phone number of the lessee; (iv) the Owner's address and phone number other than at the Lot; and (v) other such information as the Board may reasonably require.

(b) General. The Owner must provide the lessee with copies of the Master Declaration, the Declaration, Bylaws, the rules and regulations of the Association and Architectural Guidelines, if any, and the lease shall provide that the Owner has made available to the lessee copies of the Master Declaration, Declaration, Bylaws, and the rules and regulations and Architectural Guidelines, if any.

(c) Compliance with Master Declaration, this Declaration, Bylaws, and Rules and Regulations. Each Owner covenants and agrees that any lease of a Lot shall contain the following language and agrees that if such language is not expressly contained therein, then such language shall be incorporated into the lease by existence of this covenant, and the lessee, by occupancy of the Lot, agrees to the applicability of this covenant and incorporation of the following language into the lease:

Lessee shall abide by and comply with all provisions of the Master Declaration, this Declaration, Bylaws, and rules and regulations and Architectural Guidelines adopted pursuant thereto and shall control the conduct of all other Occupants and guests of the leased Lot in order

to ensure such compliance. Owner agrees to cause all Occupants of his or her Lot to comply with the Master Declaration, this Declaration, Bylaws, and the rules and regulations and Architectural Guidelines adopted pursuant thereto and is responsible for all violations caused by such Occupants, notwithstanding the fact that such Occupants of the Lot are fully liable and may be sanctioned for any violation of the Declaration, Bylaws, and rules and regulations and Architectural Guidelines adopted pursuant thereto. In the event that the lessee or a person living with the lessee violates the Declaration, Bylaws, or a rule or regulation or Architectural Guideline for which a fine is imposed, notice of the violation shall be given to the Owner and the lessee, and such fine may be assessed against the lessee in accordance with the provisions contained herein. If the fine is not paid by the lessee within the time period set by the Board of Directors, the Owner shall pay the fine upon notice from the Association of the lessee's failure to pay the fine. Unpaid fines shall constitute a lien against the Lot.

(d) Use of Common Property. The Owner transfers and assigns to the lessee, for the term of the lease, any and all rights and privileges that the Owner has to use the Common Property, including, without limitation, the Community recreational facilities, the Amenity Area and the gardens located in StableGate at Mountain Crest pursuant to the Easement and Cost Sharing Agreement.

(e) Liability for Assessments; Assignment of Rent. If an Owner who is leasing his or her Lot fails to pay any general, special or specific assessment or any other charge owed to the Association for a period of more than thirty (30) days after it is due and payable, then the delinquent Owner hereby consents to the assignment of any rent received from the lessee during the period of delinquency, and, upon request by the Board of Directors, lessee shall pay to the Association all unpaid general, special and specific assessments and other charges payable during and prior to the term of the lease and any other period of occupancy by lessee. However, lessee need not make such payments to the Association in excess of, or prior to the due dates for, monthly rental payments unpaid at the time of the Board of Director's request. All such payments made by lessee shall reduce, by the same amount, lessee's obligation to make monthly rental payments to lessor. If lessee fails to comply with the Board of Director's request to pay assessments or other charges, lessee shall pay to the Association all amounts authorized under the Declaration as if lessee were an Owner. The above provision shall not be construed to release the Owner from any obligation, including the obligation for assessments, for which he or she would otherwise be responsible.

7.6 Animals and Pets. No animals, livestock or poultry of any kind may be raised, bred, kept or permitted on any Lot, with the exception of dogs, cats or other usual and common household pets in a reasonable number as determined by the Board from time to time. No animals shall be kept, bred or maintained for any commercial purpose. No dog runs, runners or exterior pens for household pets shall be erected or maintained on any Lot unless approved in accordance with the provisions of Article 6 hereof. Dogs shall at all times when outside of a dwelling located on a Lot be kept on a leash or otherwise under the physical control of a responsible person. All Owners must control their animals at all times, whether or not such Owner is present, in a manner that will prevent any pet from: (a) making noise at objectionable sound levels for extended periods of time, whether continuously or intermittently; (b)

endangering the health or safety of other Owners, their families, guests or invitees or creating fear in other Owners as to the safety of themselves, their families, guests or invitees; or (c) otherwise constituting a nuisance or inconvenience to the Owner(s) or Occupant(s) of any other Lot, all of the foregoing as determined by the Association in its sole discretion.

All animals shall be registered, licensed and inoculated if and as required by law. Animal control authorities shall be permitted to enter the Community to patrol and remove unlicensed animals. Animal waste deposited in the Community must be removed by the owner of the animal or the person responsible for the animal. The Association may adopt reasonable rules and regulations designed to minimize damage and disturbance to other Owners and Occupants, including without limitation, regulations requiring damage deposits, waste removal, leash controls and noise controls. The Association may require that an Owner remove any animal that presents an actual threat to the health or safety of residents and require abatement of any nuisance or unreasonable source of annoyance. In the event that the Owner fails to remove an animal as provided herein, the Association shall have the right to institute legal action to have the animal removed and all costs associated therewith, including, without limitation, reasonable attorneys' fees actually incurred, shall be a specific assessment against the Lot of such Owner.

7.7 Nuisance. It shall be the responsibility of each Owner and Occupant to prevent the development of any unclean, unhealthy, unsightly or unkempt condition on a Lot. No property within the Community shall be used, in whole or in part, for the storage of any property or thing that will cause such Lot to appear to be in an unclean or untidy condition or that will be obnoxious to the eye; nor shall any substance, thing or material be kept that will emit foul or obnoxious odors or that will cause any noise or other condition that will or might disturb the peace, quiet, safety, comfort or serenity of the occupants of surrounding property. No noxious or offensive activity shall be carried on within the Community, nor shall anything be done tending to cause embarrassment, discomfort, annoyance or nuisance to any Person using any property within the Community. No plants, animals, device or thing of any sort shall be maintained in the Community whose activities or existence is in any way noxious, dangerous, unsightly, unpleasant or of a nature as may diminish or destroy the enjoyment of the Community by other Owners and Occupants. Without limiting the generality of the foregoing, no exterior speaker, horn, whistle, siren, bell, amplifier or other sound device, except such devices as may be used exclusively for security purposes, screaming, shouting, excessively loud talking, fighting, raucous behavior, insobriety, playing loud music or television, use of any alarm, equipment, or device, mechanical or otherwise, which creates or produces excessively loud sounds or any vibrations, or any conduct which creates any noxious or offensive odors outside of a home shall be permitted, located, used, placed, installed or maintained upon any Lot, or any portion thereof. The inconvenience complained of shall not be fanciful, or such as would affect only one of fastidious taste, but it shall be such as would affect an ordinary, reasonable person as determined in a particular instance by the Board. Notwithstanding anything to the contrary herein, each Owner and Occupant acknowledges that the Declarant and its agents, contractors, subcontractors or employees may engage in construction activities on one or more Lots in the Community and further agrees that such construction activities shall not be deemed a nuisance as provided herein.

7.8 Unsightly or Unkempt Conditions. The pursuit of hobbies or other activities, including specifically, without limiting the generality of the foregoing, the assembly and disassembly of motor vehicles and other mechanical devices, which might tend to cause disorderly, unsightly or unkempt conditions, shall not be pursued or undertaken in any part of the Community.

7.9 Antennae. No exterior antenna, receiving dish or similar apparatus of any kind for receiving and/or transmitting audio or video signals shall be placed, allowed or maintained upon any portion of the Community, including any Lot, unless approved in accordance with the provisions of Article 6 hereof or as otherwise permitted by the Architectural Guidelines; provided, however, no approval shall be necessary to install the following on a residential dwelling located on a Lot: (a) antennae designed to receive direct broadcast satellite services, including direct-to-home satellite services or antennae designed to receive or transmit fixed wireless signals via satellite, that are one meter or less in diameter; (b) antennae designed to receive video programming services via multi-point distribution services or antennae designed to receive or transmit fixed wireless signals other than via satellite that are one meter or less in diameter or diagonal measurement; or (c) antennae that are designed and intended to receive television broadcast signals. Owners shall install any permitted antennae on the rear of the residential dwelling located on a Lot unless such installation: (x) imposes unreasonable delay or prevents the use of the antennae; (y) unreasonably increases the cost of installation; or (z) an acceptable quality signal cannot otherwise be obtained.

7.10 Tree Removal. No trees that are more than four (4) inches in diameter at a point twelve (12) inches above the ground and no ornamental or flowering trees, including, but not limited to, dogwood trees, cottonwood trees, cherry trees or apple trees, regardless of diameter shall be removed without prior written approval under Article 6 hereof or in accordance with applicable Architectural Guidelines. The Association and Owners shall also comply with all zoning conditions and local ordinances applicable to tree removal. In the event of a conflict between the provisions of this Section and any zoning condition or local ordinance, the more restrictive provision shall govern. This provision shall not apply to the removal of trees by the Declarant or the Association.

7.11 Drainage. Catch basins, retention ponds, detention ponds, drainage easement areas and related drainage facilities are for the purpose of controlling the natural flow of water only. No obstructions or debris shall be placed in these areas. No Owner may obstruct or alter drainage flow across or from their Lot after the location and installation of catch basins, retention ponds, detention ponds, drainage swales, storm sewers or storm drains without approval in accordance with Article 6 hereof. In the event storm water drainage from any Lot or Lots flows across another Lot, provisions shall be made by the Owner of such downstream Lot to permit such drainage to continue, without restriction or reduction, across the downstream Lot and into the natural drainage channel or course although no specific drainage easement for such flow of water is provided on the subdivision plat for the Community recorded in the Forsyth County, Georgia land records.

7.12 Sight Distance at Intersections. All property located at street intersections shall be landscaped so as to permit safe sight across the street corners. No fence, wall, hedge, shrub or other planting or thing shall be placed or permitted to remain where, in the opinion of the Board of Directors, it would create an unsafe condition.

7.13 Garbage Cans, Woodpiles, Etc. All garbage cans, recycling bins, woodpiles, swimming pool pumps, filters and related equipment, and other similar items shall be located or screened so as to be concealed from the view of neighboring streets and property. All rubbish, trash, garbage, recycling materials and yard waste shall be regularly removed and shall not be allowed to accumulate. Trash, garbage, debris, yard waste or other waste matter of any kind may not be burned within the Community. Unless otherwise provided by the Board, trash, recycling and yard waste receptacles shall be placed at the curb no earlier than 5:00 p.m. the day before pick up and shall be removed within twenty-four (24) hours. Trash removal, recycling and yard waste pick-up shall also be subject to such reasonable rules and regulations as the Board of Directors may adopt from time to time.

7.14 Subdivision of Lot. No Lot shall be subdivided or its boundary lines changed except with prior written approval in accordance with the provisions of Article 6 hereof. Declarant, however, hereby expressly reserves the right to subdivide and/or revise and re-record the subdivision plat of any Lot(s) with the consent of the Owner of the affected Lot(s) and to approve the revision and re-recording of any plat of any Lot(s) owned by any builder or developer, including, but not limited to, changing any Lot to Common Property or creating a public or private street over any Lot or property that was formerly a Lot, without the consent of any Person, other than the Owner(s) of such Lot(s).

7.15 Firearms. The discharge of firearms within the Community is prohibited. The term "firearms" includes, but is not limited to, "B-B" guns, pellet guns, archery equipment and firearms of all types, regardless of size.

7.16 Fences. No fence or fencing type barrier of any kind shall be placed, erected, allowed or maintained upon any Lot without prior written approval in accordance with Article 6 hereof or in compliance with applicable Architectural Guidelines. Guidelines detailing acceptable fence styles or specifications may be issued pursuant to Article 6, but in no event may a chain link or barbed wire fence be approved. Notwithstanding the foregoing, Declarant and the Association may erect any type of fence on the Common Property or elsewhere within the Community as they may deem appropriate or as necessary to satisfy the requirements of any law, regulation or governmental entity or for the health and safety of Owners and Occupants.

7.17 Utility Lines. No overhead utility lines, including lines for cable television, shall be installed within the Community.

7.18 Air-Conditioning Units. No window air conditioning units may be installed.

7.19 Lighting. Exterior lighting on any Lot visible from the street shall not be permitted, except for: (a) approved lighting as originally installed on a Lot; (b) one decorative post light; (c)

street lights in conformity with an established street lighting program for the Community; (d) seasonal decorative lights for a reasonable period of time during the holiday season as may be determined by the Board in its sole discretion, subject to such reasonable rules and regulations as the Board of Directors may adopt from time to time; (e) front house illumination of model homes; or (f) other lighting approved pursuant to Article 6 hereof or permitted under applicable Architectural Guidelines.

7.20 Artificial Vegetation, Gardens, Play Equipment, Exterior Sculpture, Water Features and Similar Items. No artificial vegetation shall be permitted on the exterior of any property in the Community. No vegetable garden, hammock, statuary, play equipment (including, without limitation, basketball goals), exterior sculpture, fountains or water features may be erected on any Lot without prior written approval in accordance with the provisions of Article 6 hereof and/or in compliance with the Architectural Guidelines established thereunder.

7.21 Flags. Except for flags installed by the Declarant, no flags may be displayed on any Lot without prior written approval in accordance with Article 6 hereof or as permitted in the Architectural Guidelines established thereunder; provided, however no approval shall be required to display the flag of the United States of America and the current flag of the State of Georgia on a Lot in accordance with the provisions of the U.S. Flag Code (36 US Code 10) and usual and customary practice. The Board of Directors of the Association may promulgate reasonable rules and regulations with respect to the display of flags in the Community, including, without limitation, regulating the size of flags that may be displayed and imposing reasonable time, place and manner restrictions pertaining to the display of the United States flag; provided, however, the Association shall not enact any rule or regulation which has the effect of prohibiting any Owner from displaying the flag of the United States of America on a Lot in the Community in contravention of the Freedom to Display the American Flag Act of 2005.

7.22 Conservation Equipment. Except as may be installed by Declarant, approved pursuant to Article 6 hereof or otherwise permitted in the Architectural Guidelines, no solar energy collector panels, attendant hardware or other conservation equipment shall be constructed or installed on a Lot; provided, however, any approved energy collector panels or attendant hardware or other conservation equipment shall be an integral and harmonious part of the architectural design of a structure or otherwise screened from view.

7.23 Swimming Pools. No swimming pool shall be constructed, erected or maintained upon any Lot without prior written approval in accordance with the provisions of Article 6 hereof and in no event shall any above-ground swimming pool be permitted; provided, however, portable or inflatable wading pools designed for use by small children shall be permitted so long as they are properly maintained and stored out of view from neighboring property or the public streets when not in use.

7.24 Clotheslines. No exterior clotheslines of any type shall be permitted upon any Lot.

7.25 Entry Features. Owners shall not alter, remove or add improvements to any entry features or streetscapes constructed or erected by or on behalf of the Declarant or the Association

on any Lot in connection with the original development of the Community, or any part of any easement area associated therewith without prior written approval in accordance with Article 6 hereof or applicable Architectural Guidelines.

7.26 Window Treatments. No foil or other reflective materials shall be used on any windows for sunscreens, blinds, shades or for any other purpose. The side of all window treatments, with the exception of stained wood blinds or shutters, which can be seen at any time from the outside of any structure located on a Lot, shall be white, off-white or such other color(s) as may be permitted in the Architectural Guidelines. Bed sheets, blankets, towels, black plastic, paper and similar type items shall not be used as window treatments.

7.27 Garage Sales. No garage sale, carport sale, yard sale, flea market, or similar activity shall be conducted in any portion of the Community without the prior written consent of the Board of Directors. If permitted, such activities shall be subject to all reasonable conditions that the Board may impose.

7.28 Outbuildings and Similar Structures. No structure of a temporary nature shall be erected or allowed to remain on any Lot, and no trailer, camper, shack, tent, garage, barn or other structure may be used as a residence, either temporarily or permanently, without written approval under Article 6 hereof or in compliance with applicable Architectural Guidelines. However, this Section shall not be construed to prevent Declarant, its representatives and agents and those engaged in development, construction, marketing, property management or sales in the Community from using sheds, trailers or other temporary structures for any of the foregoing purposes. In addition, nothing in this Section shall be construed as preventing Declarant from developing, constructing, marketing, or maintaining model homes, speculative housing, sales trailers or construction trailers in the Community.

7.29 Decks, Patios and Porches. No laundry, garments, towels or objects other than potted plants, grills and patio furniture, shall be placed on a deck, patio or porch, except as may be authorized by the Board of Directors or permitted under applicable Architectural Guidelines. Objects shall not be permitted to hang over or be attached to any deck, patio or porch or to otherwise protrude outside of the vertical plane formed by the exterior surface of any deck, patio or porch. No deck, patio or porch shall be enclosed without prior written approval in accordance with the provisions of Article 6 of the Declaration.

7.30 Storm Water Detention/Retention Ponds, Wetlands, Creeks and Streams. Except as herein provided, all storm water retention/detention ponds, wetland areas, creeks and streams within the Community shall be used for aesthetic amenities and storm water drainage only; no other use thereof, including, without limitation, swimming, ice skating, playing, or use of personal flotation devices, and other recreation, shall be permitted, without the written consent of the Board of Directors. For purposes of this Section 7.30, the term "wetlands" shall mean any area identified as "wetlands" on a recorded subdivision plat or designated as such by the Board of Directors in writing.

The Association, the Declarant and their respective representatives, agents, employees, officers or directors shall not be responsible for any loss, damage, or injury to any person or property arising out of the authorized or unauthorized use of any storm water detention/retention pond, wetland area, creek or stream within the Community. No Owner shall have any right to place rocks, stones, trash, garbage, sewage, waste water, rubbish, debris, ashes or other refuse in any body of water located within the Community. Applicable governmental agencies, the Declarant and the Association, shall have the sole right to control the water level of all bodies of water located within the Community and to control the growth and eradication of plants, fowls, reptiles, animals, fish and fungi in and around any storm water detention/retention pond, creek or stream within the Community. Owners shall not be permitted to withdraw water from any storm water detention/retention pond, creek or stream in the Community without the prior written consent of the Board of Directors and shall have no riparian or littoral rights with respect to the waters in any creek or stream within the Community.

7.31 Buffer Areas. Portions of the Community contain one or more buffer areas and/or impervious setback areas, as more particularly identified on the recorded subdivision plat(s) for the Community. No land disturbing or construction activities shall be permitted within said buffer or impervious setback areas unless approved pursuant to Article 6 hereof and in compliance with any applicable local or governmental laws, ordinances and regulations, including, without limitation, the Control of Erosion and Sedimentation Act, O.C.G.A. Section 12-7-1, *et seq.*, as amended from time to time.

7.32 Replacement of Pine Straw. Owners and Occupants shall not replace pine straw installed on a Lot with mulch, rocks, stones, pebbles, regardless of color, or any other item until the rights of the Declarant have terminated as provided herein. Thereafter, pine straw may be replaced only upon the written approval pursuant to Article 6 hereof.

Article 8 Insurance and Casualty Losses

8.1 Insurance Obtained by Association. The Association shall obtain the insurance coverage necessary to satisfy the requirements of the Federal Home Loan Mortgage Corporation, the Federal National Mortgage Association, the U.S. Department of Veterans Affairs, and the U.S. Department of Housing and Urban Development, as applicable to the Community. Accordingly, the Board of Directors shall obtain casualty insurance for all insurable improvements, whether or not located on the Common Property, which the Association is obligated to maintain. Insurance obtained and maintained by the Association shall provide, at a minimum, fire and extended coverage and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. The Board of Directors shall obtain a public liability policy applicable to the Common Property covering the Association and its members for all damage or injury caused by the negligence of the Association or any of its members or agents, and, if reasonably available, directors' and officers' liability insurance. The public liability policy shall have a combined single limit of at least One Million and No/100 Dollars (\$1,000,000.00). Policies may contain a reasonable deductible as determined by the Board of Directors. Notwithstanding the foregoing,

nothing in this Section 8.1 shall be construed as obligating the Association to obtain or maintain insurance on a Lot, including, without limitation, any structures or improvements located thereon or a Lot Owner's or Occupant's personal property.

In addition to the other insurance coverage required by this Section, the Board of Directors shall obtain workers compensation insurance, if and to the extent necessary to satisfy the requirements of applicable law, and, if available at reasonable cost, as determined in the sole discretion of the Board, a fidelity bond or employee dishonesty coverage covering directors, officers, employees and other Persons handling or responsible for the Association's funds. The amount of fidelity or employees dishonesty coverage, if obtained, shall be determined in the director's best business judgment and shall satisfy local, state or federal requirements for such coverage, if any. Such coverage, if obtained, shall contain a waiver of all defenses based upon the exclusion of Persons serving without compensation and shall not be subject to cancellation, nonrenewal or substantial modification without at least ten (10) days' prior written notice to the Association. The Association shall also obtain construction code endorsements, steam boiler coverage and flood insurance, if and to the extent necessary to satisfy the applicable requirements of the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association.

8.2 Insurance Obtained by Lot Owners. By virtue of taking title to a Lot subject to the terms of this Declaration, each Owner acknowledges that the Association has no obligation to provide any insurance for any portion of a Lot and each Owner covenants and agrees with all other Owners and with the Association that each Owner shall obtain and maintain the following: (a) all-risk casualty insurance on the Lot and all structures, dwellings and improvements located or constructed thereon, which shall cover loss or damage by fire and other hazards commonly insured under an all-risk policy and shall, if reasonably available, be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard; (b) insurance covering an Owner's or Occupant's personal property; and (c) a liability policy covering damage or injury occurring on a Lot. The policies required hereunder shall be in effect at all times.

8.3 Damage and Destruction – Insured by Association. Immediately after damage or destruction by fire or other casualty to any portion of any structure or improvement covered by insurance written in the name of the Association, the Board of Directors or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this Section, means repairing or restoring the property to substantially the same condition and location that existed prior to the fire or other casualty, allowing for any changes or improvements necessitated by changes in applicable building codes. Any damage or destruction to property covered by insurance written in the name of the Association shall be repaired or reconstructed unless, within sixty (60) days after the casualty, a proposal not to repair or reconstruct such property is approved by at least seventy-five percent (75%) of the Total Association Vote and the Declarant. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made

available to the Association within such period, then the period shall be extended until such information shall be made available; provided, however, such extension shall not exceed sixty (60) days. If the damage or destruction for which the insurance proceeds are paid is to be repaired or reconstructed and such proceeds are not sufficient to defray the cost thereof, the Board of Directors shall, without the necessity of a vote of the members of the Association, levy a special assessment against the Owner of each Lot subject to assessment under Article 4 hereof. Additional assessments may be made in like manner, as necessary, at any time during or following the completion of any repair or reconstruction. If the funds available from insurance exceed the costs of repair or reconstruction or if the improvements are not repaired or reconstructed, such excess funds shall be deposited to the benefit of the Association. In the event that it should be determined by the Association in the manner described above that the damage or destruction shall not be repaired or reconstructed and no alternative improvements are authorized, the property shall thereafter be maintained by the Association in a neat and attractive condition consistent with the Community-Wide Standard and this Declaration.

8.4 Damage and Destruction – Insured by Owners. The damage or destruction by fire or other casualty to all or any portion of any structure or improvement located on a Lot shall be repaired or reconstructed by the Owner thereof in a manner consistent with the original construction or such other plans and specifications as are approved in accordance with Article 6 of this Declaration. Said repair or reconstruction shall be completed within seventy-five (75) days after such damage or destruction occurred or, where repairs cannot be completed within seventy-five (75) days, they shall be commenced within such period and shall be completed within a reasonable period of time thereafter. Alternatively, the Owner of the Lot may elect to demolish all improvements on the Lot and remove all debris and ruins therefrom within seventy-five (75) days after such damage or destruction occurred and thereafter maintain the Lot in a neat and attractive, landscaped condition consistent with the Community-Wide Standard and this Declaration. The Owner shall pay all costs which are not covered by insurance proceeds.

Article 9 Easements

9.1 General. Each Lot shall be subject to those easements, if any, shown or set forth on the recorded subdivision plat(s) for the Community, as amended from time to time, as well as the easements now or hereafter established by the Declarant in this Declaration or by any other document recorded in the Office of the Clerk of Superior Court of Forsyth County, Georgia.

9.2 Easements for Use and Enjoyment. Every Owner of a Lot shall have a right and easement of ingress and egress, use and enjoyment by the Owner and the Occupants of the Owner's Lot in and to the Common Property which shall be appurtenant to and shall pass with the title to each Lot, subject to the following:

(a) the right of the Association to limit the number of Persons who may use the Common Property, including, without limitation, the Community recreational facilities, and to provide for the exclusive use and enjoyment of specific portions thereof at certain designated times by authorized users and their guests and invitees;

(b) the right of the Association to suspend the right of an Owner to use and enjoy the Common Property, including, without limitation, the Community recreational facilities, for any period during which any past due assessment against any Lot of the Owner remains unpaid, and for a reasonable period of time for an infraction of the Declaration, Bylaws, rules and regulations or Architectural Guidelines;

(c) the right of the Association to deactivate any card access system, remote, gate code or other equipment used in connection with the Gate System for any period during which any past due assessment against any Lot of the Owner remains unpaid; and, for a reasonable period of time for an infraction of the Declaration, Bylaws, rules and regulations or Architectural Guidelines;

(d) the right of the Association to borrow money for the purpose of improving the Common Property, or any portion thereof, or for constructing, repairing or improving any facilities located or to be located thereon and, upon the affirmative vote of Owners of at least two-thirds (2/3) of the Lots and the consent of Declarant, to give as security for the payment of any such loan a Mortgage conveying all or any portion of the Common Property; provided, however, the lien and encumbrance of any such Mortgage given by the Association shall be subject and subordinate to any rights, interests, options, easements and privileges herein reserved or established for the benefit of the Declarant or any Owner or the holder of any Mortgage encumbering any Lot or other property located within the Community (regardless of any contrary provision in this Declaration or in any such Mortgage given by the Association, the exercise of any rights by the holder of such Mortgage in the event of a default thereunder shall not cancel or terminate any rights, easements or privileges herein reserved or established for the benefit of Declarant or any Owner or the holder of any Mortgage encumbering any Lot or other property located within the Community);

(e) the right of the Association, acting through the Board of Directors and without a vote of the members, to dedicate or grant licenses, permits, easements and rights-of-way over, under and through the Common Property;

(f) the right of the Association to transfer or convey title to all or any portion of the Common Property upon the approval of Owners of at least two-thirds (2/3) of the Lots and the consent of Declarant;

(g) all other rights of the Association, Master Association, Declarant, Owners and Occupants set forth in this Declaration, in any Supplementary Declaration, or in any deed conveying Common Property to the Association;

(h) all encumbrances, zoning conditions and other matters shown by the public records affecting title to the Common Property; and

(i) the right of members of the Stablegate at Mountain Crest Homeowners Association, Inc. to use and enjoy the Community recreational facilities pursuant to the Easement and Cost Sharing Agreement.

9.3 Easements for Utilities. There is hereby reserved to the Declarant and granted to the Association a blanket easement upon, across, above and under all property within the Community for access, ingress, egress, installing, altering, repairing, replacing, and maintaining all utilities serving the Community or any portion thereof, including, but not limited to, gas, water, sanitary sewer, telephone and electricity, as well as storm drainage and any other service such as, but not limited to, a master television antenna system, cable television system, or security system which the Declarant or the Association might decide to have installed to serve the Community. Declarant, the Association or their respective designees, as the case may be, may alter drainage and water flow, install, repair, replace and maintain or authorize the installation, repair, replacement and maintenance of such wires, conduits, cables and other equipment related to the providing of any utility or service. Should any party furnishing any such utility or service request a specific license or easement by separate recordable document, Declarant or the Board shall have the right to grant such easement. The Board of Directors, without a vote of the Owners, shall have the right, power and authority to grant permits, licenses or utility easements under, through, or over the Lots and/or the Common Property as may be reasonably necessary to or desirable for the ongoing operation and maintenance of the Community.

9.4 Easement for Emergency Entry. The Association shall have the right, but not the obligation, to enter upon any Lot for emergency, security and safety reasons and to inspect for the purpose of ensuring compliance with this Declaration, any Supplementary Declaration, Bylaws, rules and regulations of the Association and Architectural Guidelines, which right may be exercised by any member of the Board, the officers, agents, employees, and managers of the Association and all policemen, firemen, ambulance personnel, and similar emergency personnel in the performance of their respective duties. Except in an emergency situation, entry shall only be during reasonable hours and after notice to the Owner. This right of entry shall include the right of the Association to enter upon any Lot to cure any condition which may increase the possibility of a fire, slope erosion or other hazard in an emergency situation and in the event an Owner fails or refuses to cure the condition within a reasonable period of time after requested by the Association, but shall not authorize entry into any single family residential dwelling located on a Lot without the permission of the Owner.

9.5 Easement for Maintenance. Declarant hereby grants to the Association a perpetual easement across all Lots as may be reasonably necessary for the maintenance required hereunder. Such maintenance shall be performed with a minimum of interference to the quiet enjoyment of Lots, reasonable steps shall be taken to protect such property and damage shall be repaired by the Association or its contractor(s) at their sole cost and expense.

9.6 Easement for Entry Features and Streetscapes. There is hereby reserved to the Declarant and granted to the Association an easement for ingress, egress, installation, construction, landscaping and maintenance of entry features and similar streetscapes for the

Community, over and upon any portion of a Lot containing such entry features or streetscapes as may be more fully described or identified on the recorded subdivision plat(s) for the Community. The easement and right herein reserved shall include the right to cut, remove and plant trees, shrubbery, flowers and other vegetation around entry features and streetscapes and the right to grade the land under and around the same.

9.7 Easement for Drainage. There is hereby reserved by the Declarant and granted to the Association an easement upon, across, above and under all storm water drainage easement areas as shown on the recorded subdivision plat(s) for the Community for access, ingress, egress, installing, altering, repairing, replacing, and maintaining the storm water drainage system and related facilities serving the Community or any portion thereof. This easement shall include the right to construct and maintain catch basins, retention ponds, detention ponds, drainage swales, storm sewers, storm drains, sloping banks, cut or fill. In addition, there is hereby reserved to the Declarant and granted to the Association a blanket easement across all Lots for creating and maintaining satisfactory drainage in the Community; provided, however, such easement area shall not include any portion of a Lot within the outer perimeter of the dwelling structure. It is anticipated that increased storm water run-off across downstream Lots will result from the construction of impervious surface within or adjacent to the Community. Neither the Declarant, the Association nor their respective officers, directors, representative or agents or any builder or Owner constructing according to plans and specifications approved under Article 6 hereof shall have any liability to any Owner due to the increased flow or increased velocity of surface water resulting from approved construction within the Community.

9.8 Easement During Construction and Sale Period. Notwithstanding any provisions now or hereafter contained in this Declaration, the Bylaws, Articles of Incorporation, use restrictions, rules and regulations, Architectural Guidelines, and amendments or revisions thereto, Declarant reserves an easement across the Community to maintain and carry on, upon such portion of the Community as it may reasonably deem necessary, such facilities and activities as in its sole opinion may be required or convenient for its development, construction and sales activities related to property hereby and hereafter subjected to this Declaration or for the development, construction or benefit of any neighboring property, including, but not limited to: (a) the right to place or authorize the placement of marketing and directional signs on Lots or right-of-way(s) at street intersections within the Community; (b) the right of access, ingress and egress for vehicular and pedestrian traffic and construction activities over, under, on or in the Community, including, without limitation, any Lot; (c) the right to tie into any portion of the Community with streets, driveways, paths, parking areas and walkways; (d) the right to tie into and/or otherwise connect and use (without a tap-on or any other fee for so doing), replace, relocate, maintain and repair any device which provides utility or similar services including, without limitation, electrical, telephone, cable television, natural gas, water, sewer and drainage lines and facilities constructed or installed in, on, under and/or over the Community; (e) the right to grant easements over, under, in or on the Community, including without limitation the Lots, for the benefit of neighboring properties for the purpose of tying into and/or otherwise connecting and using sewer and drainage lines and facilities constructed or installed in, on, under and/or over the Community; (f) the right, without the consent of any Person, to subdivide and/or revise and re-record the subdivision plat(s) of the Community, including, without limitation,

creating and/or more specifically describing any Lot, changing any Lot or portion of a Lot to Common Property or creating a public or private street over all or any portion of a Lot or other property within the Community; provided, however, the boundary lines of any Lot not owned by Declarant shall not be changed without the written consent of the Owner(s) and Mortgagee(s) of such Lot; (g) the right to construct utilities, recreational facilities and other improvements on Common Property; (h) the right to carry on sales and promotional activities in the Community; and (i) the right to construct and operate business offices, signs, construction trailers, model residences and sales offices. Declarant may use residences, offices or other buildings it owns or leases as model residences and sales offices. This Section shall not be amended without the Declarant's written consent until the rights of Declarant have terminated as provided in Section 10.5 hereof.

9.9 Easement for Private Streets, Sidewalks and Signs. Declarant hereby grants, conveys, declares, creates, imposes and establishes a perpetual, non-exclusive right-of-way easement for vehicular and pedestrian access, ingress and egress over and across the private streets and sidewalks located within the Community. At such time as one or more subdivision plats for the property submitted to this Declaration are recorded in the real estate records of the Office of the Clerk of Superior Court of Fulton County, Georgia, any reference to private streets shall then and thereafter mean a reference to the private streets as actually constructed and depicted on the recorded subdivision plat. The right-of-way easement herein granted shall permit joint usage of such easement by: (a) the Owners and Occupants; (b) the legal representatives, successors and assigns of the Owners; and (c) invitees and licensees of the Owners and Occupants. Declarant hereby expressly reserves for itself, its successors and assigns, all rights and privileges incident to the ownership of the fee simple estate of any right-of-way easement area which are not inconsistent with the rights and privileges herein granted, including, without limitation, the right to maintain one or more proprietary signs on the easement area and the right to grant additional non-exclusive easements to third parties, over, under and across the easement area. Declarant hereby reserves for the benefit of Declarant and grants to the Association as Common Property, the perpetual nonexclusive right and easement upon, over and across those utility easement areas and private streets and roads for the installation, maintenance, and use of such streets and roads, sidewalks, traffic directional signs, grading for proper drainage of said streets and roads, and related activities and improvements.

Article 10 General Provisions

10.1 Enforcement. Each Owner and Occupant shall comply strictly with the Bylaws, rules and regulations, use restrictions and Architectural Guidelines, as amended or modified from time to time, and with the covenants, conditions, easements and restrictions set forth in this Declaration, the recorded subdivision plat(s) for the Community and in the deed to such Owner's Lot, if any. Declarant or the Association, acting through the Board of Directors, may impose fines or other sanctions for violations of the foregoing in accordance with this Declaration and the Bylaws, which fines shall be collected as provided herein for the collection of assessments; provided, however, only one fine may be imposed for a single violation such that an Owner or Occupant may not be fined by Declarant and the Association for the same violation; and

provided, further, Declarant or the Association, as the case may be, may count each day a violation continues after notice thereof as a separate violation. In the event fines or other sanctions are imposed by Declarant, Declarant shall have any and all rights to collect such fines or sanctions (which fines shall be payable to the Association) and any related charges, including, without limitation, attorneys' fees actually incurred and costs of collection, in the same manner as provided herein for the collection of assessments by the Association acting through the Board.

In addition to the foregoing, Declarant and/or the Association may notify the Master Association of any violation of this Declaration and upon receipt of such notification, the Master Association shall suspend the right of such Owner and/or such Owner's Occupants, guests and invitees to use and enjoy the Amenity Area. Notwithstanding the foregoing, the Association shall only notify the Master Association after notice of the violation has been provided to the violating Owner and after any applicable cure periods have run.

The failure to comply with this Declaration, the Bylaws, use restrictions, the rules and regulations and the Architectural Guidelines shall be grounds for an action to recover sums due for damages, injunctive relief or both, and shall include, without limitation, reasonable attorneys' fees actually incurred, maintainable by the Association, Declarant or an aggrieved Owner. The failure by the Declarant, the Association or any Owner to enforce any of the foregoing shall in no event be deemed a waiver of the right to do so thereafter. Declarant or the Association shall have the right to record in the appropriate land records a notice of violation of the Declaration, Bylaws, rules and regulations, use restrictions or Architectural Guidelines and to assess the cost of recording and removing such notice against the Lot of the Owner who is responsible (or whose Occupants are responsible) for violating the foregoing.

10.2 Occupants Bound. All provisions of the Declaration, Bylaws, rules and regulations, use restrictions and Architectural Guidelines which govern the conduct of Owners and which provide for sanctions against Owners shall also apply to all Occupants and the guests and invitees of Owners and Occupants. The Owner shall be responsible for insuring that the Occupants, guests, invitees and licensees of the Owner and Occupant strictly comply with all provisions of the Declaration, Bylaws, rules and regulations, use restrictions and Architectural Guidelines. Fines may be levied against Owners or Occupants. If a fine is first levied against an Occupant and is not timely paid, the fine may then be levied against the Owner.

10.3 Self-Help. In addition to any other remedies provided for herein, the Association, acting through the Board, Declarant or their respective duly authorized agents shall have the power to enter upon any Lot or any other portion of the Community to abate or remove any structure, improvement, thing or condition which violates this Declaration, the Bylaws, the rules and regulations, the use restrictions or the Architectural Guidelines. Unless an emergency situation exists, the violating Owner shall be given ten (10) days' written notice of the intent to exercise self-help. Notwithstanding the foregoing, vehicles may be towed after giving any notice required herein or by law. All costs of self-help, including, without limitation, reasonable attorneys' fees actually incurred, shall be assessed against the Lot of the violating Owner as a specific assessment.

10.4 Duration. The covenants, conditions, restrictions and easements contained in this Declaration shall run with and bind the Community, and shall inure to the benefit of and shall be enforceable by the Association, Declarant and any Owner, their respective legal representatives, heirs, successors, and assigns, perpetually to the extent provided by law; provided, however, if and to the extent that Georgia law limits the period during which covenants restricting land to certain uses may run, any provisions of this Declaration affected thereby shall run with and bind the land so long as permitted by such law, after which time, any such provision(s) shall be automatically extended for successive periods of twenty (20) years (or the maximum period allowed by applicable law, if less), unless a written instrument signed by the then Owners of at least two-thirds (2/3) of the Lots has been recorded within the year immediately preceding the beginning of a twenty (20) year renewal period agreeing to change such provisions, in whole or in part, or to terminate the same, in which case this Declaration shall be modified or terminated to the extent specified therein.

10.5 Termination of Rights of Declarant. The rights of Declarant to take, approve or consent to actions under this Declaration, the Articles of Incorporation and the Bylaws shall cease and be of no further force and effect upon the earlier of: (a) the date that the Declarant no longer owns any property in the Community or owns any property which may be added to the Community as provided herein and a certificate of occupancy has been issued for the residential dwelling located on each Lot in the Community; or (b) the date of recording by Declarant in the Forsyth County, Georgia land records of a written instrument terminating all of Declarant's rights hereunder.

10.6 Amendment.

(a) By the Declarant. This Declaration may be amended unilaterally at any time and from time to time by Declarant if such amendment is: (i) necessary to bring any provision hereof into compliance with any applicable governmental statute, rule, regulation or judicial determination which shall be in conflict therewith; (ii) necessary to enable any reputable title insurance company to issue title insurance coverage with respect to the Lots subject to this Declaration; (iii) required by an institutional or governmental lender or purchaser of mortgage loans, including, without limitation, the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation, to enable such lender or purchaser to make or purchase Mortgage loans on the Lots subject to this Declaration; or (iv) necessary to enable any governmental agency or private insurance company, including without limitation, the U.S. Department of Housing and Urban Development and the U.S. Department of Veterans Affairs, to insure or guarantee Mortgage loans on the Lots subject to this Declaration; provided, however, such amendment shall not materially adversely affect the substantive rights of any Owner to use and enjoy his or her Lot without the consent of the affected Owner.

Further, Declarant may unilaterally amend this Declaration for any other purpose; provided, however, such amendment shall not materially adversely affect the substantive rights of any Owner to use and enjoy his or her Lot hereunder nor shall it adversely affect title to any Lot without the consent of the affected Owner.

(b) By the Board. The Board of Directors, with the written consent of the Declarant, and without a vote of the members may amend this Declaration: (i) to elect to be governed by and thereafter comply with the provisions of the Georgia Property Owners' Association Act, O.C.G.A. § 44-3-220 *et seq.*; (ii) to bring any provision hereof into compliance with any applicable governmental statute, rule or regulation or judicial determination which shall be in conflict therewith; (iii) to enable any reputable title insurance company to issue title insurance coverage with respect to the Lots subject to this Declaration; (iv) if such amendment is required by an institutional or governmental lender or purchaser of mortgage loans, including, without limitation, the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation, to enable such lender or purchaser to make or purchase Mortgage loans on the Lots subject to this Declaration; or (v) to enable any governmental agency or private insurance company, including without limitation, the U.S. Department of Housing and Urban Development and the U.S. Department of Veterans Affairs, to insure or guarantee Mortgage loans on the Lots subject to this Declaration; provided, however, such amendment shall not materially adversely affect the substantive rights of any Owner to use his or her Lot without the consent of the affected Owner.

(c) By the Association. In addition to the above, this Declaration may be amended upon the affirmative vote or written consent or any combination thereof of Owners of at least two-thirds (2/3) of the Lots and the consent of Declarant.

Amendments to this Declaration shall become effective upon recordation unless a later effective date is specified therein.

The consent of the Declarant to any amendment shall be evidenced by the execution of said amendment by Declarant. The consent of the requisite number of Owners to any amendment shall be evidenced by the execution of the amendment by said Owners, or, in the alternative, the sworn statement of the President or any Vice President or the Secretary of the Association attached to or incorporated in the amendment, which sworn statement states unequivocally that the consent of the required number of Owners was obtained and that any notices required by this Declaration, the Bylaws, the Articles of Incorporation and Georgia law were given. The amendments authorized by this Section may be of uniform or non-uniform application and Owners shall be deemed to have agreed that the Declaration may be amended as provided herein and that any rule of law requiring unanimous approval of amendments having a non-uniform application shall not apply.

10.7 Gender and Grammar. The singular, wherever used herein, shall be construed to mean the plural, when applicable, and the use of the masculine or feminine pronoun shall include the neuter, masculine and feminine.

10.8 Severability. Whenever possible, each provision of this Declaration shall be interpreted in such manner as to be effective and valid, but if the application of any provision of this Declaration to any Person or to any property shall be prohibited or held invalid, such prohibition or invalidity shall not affect any other provision or the application of any provision

which can be given effect without the invalid provision or application and, to this end, the provisions of this Declaration are declared to be severable.

10.9 Captions. The captions of each Article and Section hereof, as to the contents of each Article and Section, are inserted only for convenience and are in no way to be construed as defining, limiting, extending or otherwise modifying or adding to the particular Article or Section to which they refer.

10.10 No Merger. There shall be no merger of any of the covenants, conditions, restrictions or easements created or reserved hereby with the fee estate of Declarant, by reason of the fact that Declarant may own or hold the estate or interest both encumbered and benefited by such covenants, conditions, restrictions or easements and no such merger shall occur unless and until Declarant, while owning all of the estate or interests, shall execute a written statement or instrument affecting such merger and shall duly record the same.

10.11 Preparer. This Declaration was prepared by Rachel E. Conrad, Dorough & Dorough, LLC, Attorneys at Law, 160 Clairemont Avenue, Suite 650, Decatur, Georgia 30030.

The time period in which a response to any such notice must be given or any action taken with respect thereto, shall commence to run from the date of personal delivery or date of receipt shown on the return receipt. Rejection or other refusal to accept or the inability to deliver because of changed address of which no notice was given shall be deemed to be receipt of the notice sent.

10.13 No Discrimination. No action shall be taken by the Declarant, the Association or the Board of Directors which would discriminate against any person on the basis of race, creed, color, national origin, religion, sex, familial status or disability.

10.14 Security. ALL OWNERS, OCCUPANTS, GUESTS, LICENSEES, AND INVITEES, AS APPLICABLE, ACKNOWLEDGE THAT DECLARANT, THE MASTER ASSOCIATION, THE ASSOCIATION AND ITS BOARD OF DIRECTORS, AND THE ARCHITECTURAL REVIEW COMMITTEE, IF ANY, DO NOT REPRESENT OR WARRANT THAT ANY SAFETY OR SECURITY MEASURES WILL BE IMPLEMENTED IN THE COMMUNITY OR, IF IMPLEMENTED, THAT SUCH SAFETY OR SECURITY

MEASURES MAY NOT BE COMPROMISED OR CIRCUMVENTED, OR THAT ANY SUCH SAFETY OR SECURITY MEASURES WILL IN ALL CASES PROVIDE THE DETECTION OR PROTECTION FOR WHICH THEY ARE DESIGNED. EACH OWNER, OCCUPANT, GUEST, LICENSEE, OR INVITEE, AS APPLICABLE, ACKNOWLEDGES AND UNDERSTANDS THAT DECLARANT, THE MASTER ASSOCIATION, THE ASSOCIATION, THE BOARD OF DIRECTORS AND THE ARCHITECTURAL REVIEW COMMITTEE, IF ANY, ARE NOT INSURERS OR PROVIDERS OF SAFETY OR SECURITY AND SHALL HAVE NO DUTY TO PROVIDE ANY SAFETY OR SECURITY ON THE COMMON PROPERTY OR ANY OTHER PORTION OF THE COMMUNITY; AND THAT EACH OWNER, OCCUPANT, GUEST, LICENSEE, AND INVITEE ASSUMES ALL RISKS OF PERSONAL INJURY AND PROPERTY DAMAGE AND FURTHER ACKNOWLEDGES THAT DECLARANT, THE MASTER ASSOCIATION, THE ASSOCIATION, THE BOARD OF DIRECTORS, AND THE ARCHITECTURAL REVIEW COMMITTEE, IF ANY, HAVE MADE NO REPRESENTATIONS OR WARRANTIES, NOR HAS ANY OWNER, OCCUPANT, GUEST, LICENSEE, OR INVITEE RELIED UPON ANY REPRESENTATIONS OR WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE RELATIVE TO ANY SAFETY OR SECURITY MEASURES IMPLEMENTED OR APPROVED.

10.15 Indemnification. To the fullest extent allowed by the Georgia Nonprofit Corporation Code, and in accordance therewith, the Association shall indemnify every current and former officer, director and committee member against any and all expenses, including, but not limited to, attorneys' fees, imposed upon or reasonably incurred by any officer, director or committee member in connection with any action, suit or other proceeding (including settlement of any suit or proceeding, if approved by the then Board of Directors) to which such officer, director or committee member may be a party by reason of being or having been an officer, director or committee member. The officers, directors and committee members shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct or bad faith. The officers, directors and committee members shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association and the Association shall indemnify and forever hold each such officer, director and committee member free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall not be exclusive of any other rights to which any officer, director or committee member, or former officer, director or committee member, may be entitled. The Association shall maintain adequate general liability and officers' and directors' liability insurance to fund this obligation, if such coverage is reasonably available.

10.16 Notice of Sale or Acquisition. Owners must keep the Association apprised of their name, address and telephone number. Accordingly, prior to the sale of a Lot, the Owner shall provide the Association with written notice of the name of the purchaser and such other information as the Board may reasonably require. Upon acquisition of a Lot, each new Owner shall provide the Association with written notice of the name, mailing address and telephone number of the Owner, the names of the Occupants of the Lot, if any, and such other information

as the Board may reasonably require. All Owners shall notify the Association of any change in name, address or telephone number.

10.17 Agreements. Subject to the prior approval of Declarant, all agreements and determinations, including settlement agreements regarding litigation involving the Association, lawfully authorized by the Board of Directors, shall be binding upon all Owners, their heirs, legal representatives, successors, assigns and others having an interest in the Community or the privilege of possession and enjoyment of any part of the Community.

10.18 Variances. Notwithstanding anything to the contrary contained herein, the Declarant and the Board of Directors, with the consent of the Declarant, shall be authorized to grant individual variances from any of the provisions of this Declaration, the Bylaws and any rule, regulation or use restriction promulgated pursuant thereto, if it determines that waiver of application or enforcement of the provision in a particular case is warranted and would not be inconsistent with the overall scheme of development for the Community.

10.19 Litigation. No judicial or administrative proceeding shall be commenced or prosecuted by the Association unless approved by at least seventy-five percent (75%) of the Total Association Vote and the Declarant. This Section shall not apply to: (a) actions brought by the Association to enforce the provisions of this Declaration (including, without limitation, the foreclosure of liens); (b) the imposition and collection of assessments as provided herein; (c) proceedings involving challenges to *ad valorem* taxation; (d) counterclaims brought by the Association in proceedings instituted against it; or (e) actions brought by the Association against any contractor, vendor, or supplier of goods or services arising out of a contract for goods or services to which the Association is a party. This Section shall not be amended unless such amendment is made unilaterally by the Declarant as provided herein or is approved by the percentage votes necessary to institute proceedings as provided above.

10.20 Disclosures. Every Owner, by acceptance of a deed to a Lot, acknowledges that it will be subject to and bound by the terms and conditions of this Declaration, the Bylaws, Architectural Guidelines and any rules and regulations adopted pursuant thereto.

Each Owner and Occupant also acknowledges the following:

(a) that the Community is located adjacent to thoroughfares and may be affected by traffic and noise from time to time, and such thoroughfares may be improved or widened in the future;

(b) that the views from an Owner's Lot may change over time due to among other things, additional development and the removal or addition of landscaping;

(c) that no representations are made regarding the zoning of adjacent property or that the category to which adjacent property is zoned may not change in the future;

(d) that no representations are made regarding the schools that currently, or which may in the future, serve the Community;

(e) that because in every development there are conditions that different purchasers may find objectionable, including but not limited to traffic congestion and related noise, each Owner acknowledges that there may be conditions outside of the property that such Owner finds objectionable and that it shall be the sole responsibility of such Owner to become acquainted with neighborhood conditions that could affect the Lot; and

(f) that Declarant may be engaging in construction activities within the Community or adjacent thereto, which may, from time to time, produce certain conditions within or in the vicinity of the Community, including, without limitation: (i) noise or sound that is objectionable because of its volume, duration, frequency or shrillness; (ii) smoke; (iii) noxious, toxic, or corrosive fumes or gases; (iv) obnoxious odors; (v) dust, dirt or flying ash; (vi) unusual fire or explosion hazards; (vii) temporary interruption of utilities; and/or (viii) other conditions that may threaten the security or safety of Persons in the Community. Notwithstanding the foregoing, each Owner agrees that such conditions in the Community resulting from construction activities shall not be deemed a nuisance or discomfort to Owner and shall not cause Declarant and its representatives or agents to be deemed in violation of any provision of this Declaration.

10.21 Cumulative Effect; Conflict. The covenants, restrictions, and provisions of this Declaration shall be cumulative with those of the Master Declaration and the Association may, but shall not be required, to enforce the latter; provided, however, in the event of conflict between or among such covenants and restrictions, and provisions of any articles of incorporation, bylaws, rules and regulations, policies, or practices adopted or carried out pursuant thereto, those of the Association shall be subject and subordinate to those of the Master Association. In the event of a conflict between the provisions of this Declaration and the provisions of Georgia law, then to the extent that the provisions of Georgia law cannot be waived by agreement, Georgia law shall control.
