## Article 2

2.1 Property Hereby Subjected to This Declaration. The real property which is, by the recording of this Declaration, subject to the covenants, conditions, restrictions and easements hereinafter set forth and which, by virtue of the recording of this Declaration, shall be held, transferred, sold, conveyed, used, occupied and encumbered subject to this Declaration is the real property described in Exhibit "A" attached hereto and by this reference made a part hereof.

Notwithstanding anything to the contrary herein, the property identified on the recorded subdivision plat as Lot 1 is, as of the date this Declaration is recorded in the Cobb County, Georgia land records, not subject to the provisions of the Declaration. As a result, the owner of such Lot shall not be a member of the Association, shall not be obligated to pay assessments to the same and shall not be obligated to comply with any of the covenants, conditions and restrictions set forth herein.

2.2 Unilateral Annexation by Declarant and Approved Developer. As the owner thereof or, if not the owner, with the consent of the owner thereof, Declarant or Approved Developer shall have the unilateral right, privilege, and option from time to time at any time to subject all or any portion of the real property described in Exhibit "B" attached hereto and by this reference incorporated herein, to the provisions of this Declaration and the jurisdiction of the Association by filing for record in the Cobb County, Georgia land records a Supplementary Declaration describing the property being subjected. Any annexation shall be effective upon the filing for record of such Supplementary Declaration, unless a later effective date is provided therein. Notwithstanding anything to the contrary herein, any Supplementary Declaration executed by Declarant or Approved Developer shall also require the written consent of Approved Builder in order to be effective.

2.3 Annexation by the Association. Upon the written consent of: (a) the owner(s) thereof; (b) the Declarant; (c) Owners of at least two-thirds (2/3) of the Lots; (d) Approved Builder; and (e) Approved Developer, the Association may annex real property to the provisions of this Declaration and the jurisdiction of the Association by filing for record in the Cobb County, Georgia land records a Supplementary Declaration describing the property being annexed. Any such Supplementary Declaration shall be executed on behalf of the Association by the President of the Association whose signature shall be attested by the Secretary of the Association. The annexation shall be effective only upon the filing for record of such Supplementary Declaration in the Cobb County, Georgia land records, unless a later effective date is provided therein.

2.4 Withdrawal of Property. Declarant, Approved Developer or Approved Builder reserve the right to amend the Declaration to remove any portion of the Community then owned by Declarant, Approved Builder, Approved Developer or the Association, as the case may be, from the coverage of this Declaration and the jurisdiction of the Association, to the extent originally included in error or as a result of any changes whatsoever in the plans for the Community, provided such withdrawal is not unequivocally contrary to the overall, uniform scheme of development for the Community. Any withdrawal shall be accomplished by filing an amendment to this Declaration which describes the property to be removed. Any withdrawal shall be effective upon filing for record of such amendment in the Cobb County, Georgia land records, unless a later effective date is provided therein. Such amendment shall be executed by: (a) the Declarant; (b) Approved Builder; (c) Approved Developer; and (d) the Owner(s) of the property being removed, if not Declarant, Approved Builder or Approved Developer and shall not require the vote or consent of any other Lot Owners.

### Article 3

#### Association Membership and Voting Rights

3.1 Membership. Every Person who is the record owner of a fee or undivided fee interest in any Lot that is subject to this Declaration shall have a membership in the Association. The foregoing is not intended to include a Mortgagee and the giving of a security interest shall

not terminate an Owner's membership. No Owner, whether one or more Persons, shall have more than one (1) membership per Lot. Membership shall be appurtenant to and may not be separated from ownership of a Lot. The rights and privileges of membership, including the right to hold office, may be exercised by a member or the spouse of a member, but in no event shall more than one (1) Person representing a single membership hold office at the same time. This Section is not intended to prohibit the same individual from being both an officer and a director of the Association. Nothing in this Section shall restrict the number of votes cast or the number of officers and directors appointed by the Declarant, Approved Developer or Approved Builder as provided in the Bylaws.

3.2 Voting. Members shall be entitled to cast one (1) vote for each Lot owned. When more than one Person holds an ownership interest in a Lot, the vote for such Lot shall be exercised as those Owners themselves determine and advise the Secretary prior to any meeting or referendum. The vote attributable to a Lot shall be suspended in the event more than one Person seeks to exercise it. The Board of Directors may suspend the voting rights of an Owner for any period during which any past due assessment against any Lot of the Owner remains unpaid; and, for a reasonable period of time for an infraction of the Declaration, Bylaws, rules and regulations of the Association or Architectural Guidelines established pursuant to Article 6 hereof.

#### Article 4 Assessments

4.1 Purpose of Assessments. The assessments provided for herein shall be used for the general purposes of promoting the recreation, health, safety, welfare, common benefit, and enjoyment of the Owners of Lots, including, without limitation, the maintenance of real and personal property, all as may be more specifically authorized from time to time by the Board of Directors.

#### 4.2 Creation of the Lien and Personal Obligation for Assessments.

(a) General. Each Owner of a Lot, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, covenants and agrees to pay to the Association: (a) general assessments; (b) special assessments; and (c) specific assessments. All assessments, together with late charges (in an amount equal to the greater of Ten and No/100 Dollars (\$10.00) or ten percent (10%) of the assessment or installment not paid when due), interest (at a rate of ten percent (10%) per annum on the principal amount due) and costs of collection, including, without limitation, reasonable attorneys' fees actually incurred, shall, from the time the sums become due and payable, be a charge on the land and a continuing lien in favor of the Association on the Lot against which each assessment is made. As provided in O.C.G.A. Section 44-5-60(e), the obligation for the payment of assessments and fees arising hereunder shall include costs of collection, including, without limitation, reasonable attorneys' fees actually incurred, and the award of attorneys' fees shall not be construed in accordance with O.C.G.A. Section 13-1-11(a)(2).

(b) Creation of the Lien. The recording of this Declaration shall constitute record notice of the existence of the lien and no further recordation of any claim of lien shall be required. Each assessment, together with late charges, interest and costs of collection, including, without limitation, reasonable attorneys' fees actually incurred, shall also be the personal obligation of the Person who was the Owner of the Lot at the time the assessment fell due. Each Owner shall be personally liable for the portion of each assessment coming due while the Owner of a Lot, and each grantee of an Owner shall be jointly and severally liable for such portion thereof as may be due and payable at the time of conveyance; provided, however, the liability of a grantee for the unpaid assessments of the grantor shall not apply to any first Mortgagee taking title through foreclosure proceedings.

(c) No Exemption from Assessments. No Owner may waive or otherwise be exempt from liability for the assessments provided for herein for any reason, including, by way of illustration, and not limitation, abandonment of the Lot or nonuse of the Common Property, including, without limitation, non-use of the Community recreational facilities. No diminution or abatement of any assessment shall be claimed or allowed by reason of any failure of the Association to take some action or perform some function required to be taken or performed by the Association, the obligation to pay assessments being a separate and independent covenant on the part of each Owner. All payments shall be applied first to costs, then to late charges, then to interest and then to delinquent assessments.

4.3 Budget. It shall be the duty of the Board to prepare a budget covering the estimated costs of operating the Association during the coming year. The Board shall cause the budget and the general assessment to be levied against each Lot for the year to be delivered to each member at least thirty (30) days prior to the due date of such general assessment. The budget and the general assessment shall become effective unless disapproved at a meeting by a majority of the Total Association Vote, Declarant and Approved Builder; provided, however, the Board shall have no obligation to call a meeting of the members to consider disapproval of the budget except upon petition of the members as required for special meetings in the Bylaws. Notwithstanding the foregoing, however, in the event the membership, Declarant and Approved Builder disapprove the proposed budget or the Board fails for any reason to determine the budget for any period, then and until such time as a budget has been determined, as provided herein, the budget in effect shall continue.

4.4 General Assessments. General assessments shall be levied equally on all Lots and shall be paid in such manner and on such dates as may be fixed by the Board of Directors, which may include, without limitation, acceleration, upon ten (10) days' written notice for delinquents. Unless otherwise provided by the Board, the general assessment shall be paid in one annual installment. General assessments include any sums the Board determines necessary for the continued ownership, operation and maintenance of the Common Property, improvements to the Common Property, operating expenses of the Association, payment for any items of betterment and the establishment of reserve funds as the Board shall deem proper. General assessments may

include, without limitation, the following: (a) sums for property taxes for the Common Property; (b) insurance premiums; (c) legal and accounting fees; (d) management fees; (e) charges for utilities and other services provided by the Association, if any; (f) garbage and recycling collection costs; (g) landscape maintenance; (h) costs to maintain the Community entry features, including costs for water and/or electricity provided to such entry features; (i) costs and expenses associated with the maintenance of the storm water detention/retention ponds and storm water drainage facilities serving the Community; (j) costs to operate and maintain the Community recreational facilities; and (k) expenses and liabilities incurred as provided herein, the Articles of Incorporation and Bylaws for the indemnification of officers and directors and in connection with the enforcement of rights and duties of the Association against Owners and others.

4.5 Special Assessments. The Association, acting through the Board of Directors, may levy a special assessment against all Owners for any unbudgeted or unanticipated expenses or expenses in excess of those budgeted in an amount not to exceed twenty-five percent (25%) of the general assessment applicable to a Lot in one (1) fiscal year without a vote of the members. Except for special assessments levied pursuant to Section 8.3 hereof, a special assessment in an amount greater than twenty-five percent (25%) of the general assessment applicable to a Lot in one (1) fiscal year must be approved by two-thirds of the Total Association Vote, Declarant and Approved Builder in order to become effective. Special assessments shall be paid as determined by the Board. The Board may permit a special assessment to be paid in installments extending beyond the fiscal year in which the special assessment is imposed.

4.6 Specific Assessments. The Board shall have the power to levy specific assessments as, in its discretion, it shall deem appropriate. The failure of the Board to exercise its authority under this Section shall not be grounds for any action against the Association and shall not constitute a waiver of the Board's right to exercise its authority under this Section in the future with respect to any expenses, including an expense for which the Board has not previously exercised its authority under this Section. By way of explanation and not limitation, the following shall constitute specific assessments under the Declaration: (a) fines levied pursuant to this Declaration; (b) the working capital contribution as provided in Section 4.13 hereof; and (c) the cost of maintenance performed by the Association for which an Owner is responsible.

The Board of Directors may also specifically assess Owners for Association expenses as follows: (a) expenses of the Association which benefit less than all of the Lots may be specifically assessed equitably among all of the Lots which are benefited according to the benefit received; (b) expenses of the Association which benefit all Lots, but do not provide an equal benefit to all Lots, may be specifically assessed equitably among all Lots according to the benefit received; and (c) expenses of the Association which are incurred as a result of the conduct of an Owner or the Occupants, tenants, guests or invitees of an Owner may be specifically assessed against the Lot of such Owner.

4.7 Subordination of Liens to Mortgages. Notwithstanding anything to the contrary in this Declaration or any other document related thereto or executed in connection therewith, the

lien of all assessments authorized herein is hereby made subordinate to the lien of any first Mortgage placed on a Lot, if, but only if, all assessments and charges with respect to such Lot authorized herein having a due date on or prior to the date of the Mortgage as filed of record have been paid. The lien hereby subordinated is only such lien as relates to assessments and charges authorized hereunder having a due date subsequent to the date such Mortgage is filed of record and prior to the foreclosure of such Mortgage. Such subordination is merely a subordination and: (a) shall not relieve an Owner of the personal obligation to pay all assessments coming due during such period of ownership; (b) shall not relieve such Lot from the lien provided for herein (except to the extent a subordinated lien is extinguished as a result of such subordination as against a Mortgagee or such Mortgagee's transferee by foreclosure); and (c) no sale or transfer of such Lot to the Mortgagee or to any other Person pursuant to a foreclosure, or pursuant to any other proceeding in lieu of foreclosure, shall relieve any existing or previous Owner of such Lot of any personal obligation or relieve such Lot or any Owner of such Lot from liability for any assessment authorized hereunder that becomes due after such sale and transfer.

4.8 Remedies of the Association. Any assessments or installments thereof which are not paid when due shall be delinquent. In addition to the lien rights, the personal obligation of the then Owner to pay such assessments shall remain such Owner's personal obligation and shall also pass to such Owner's successors-in-title. Such Owner shall nevertheless remain as fully obligated as before to pay to the Association any and all amounts which such Owner was obligated to pay immediately preceding the transfer or conveyance; and such Owner and such successors-in-title shall be jointly and severally liable with respect thereto, notwithstanding any agreement between such Owner and such successors-in-title creating any indemnification of the Owner or any relationship of principal and surety as between themselves. Any assessment or installment thereof delinquent for a period of more than ten (10) days shall incur a late charge (in the amount of the greater of Ten and No/100 Dollars (\$10.00) or ten percent (10%) of the amount of the assessment or installment not paid when due) and interest (at a rate of ten percent (10%) per annum on the principal amount due). As provided in O.C.G.A. Section 44-5-60(e), the obligation for the payment of assessments and fees arising hereunder shall also include costs of collection, including, without limitation, reasonable attorneys' fees actually incurred, and the award of attorneys' fees shall not be construed in accordance with the provisions of O.C.G.A. Section 13-1-11(a)(2).

The Association may cause a notice of delinquency to be given to any Owner who has not paid within ten (10) days following the due date. In the event that the assessment remains unpaid after sixty (60) days, the Association may institute suit to collect such amounts and/or to foreclose its lien. The Association may file a notice of a claim of lien with the Office of the Clerk of Superior Court of Cobb County, Georgia, but no such notice shall be required to establish or perfect the lien for unpaid assessments. Each Owner, by acceptance of a deed, vests in the Association the right and power to bring all actions against such Owner personally for the collection of such charges as a debt or to foreclose the lien. The lien provided for in this Declaration shall be in favor of the Association and shall be for the benefit of all Owners. The

Association shall have the power to bid on the Lot at any foreclosure sale and to acquire, hold, lease, mortgage and convey the same. The Association may also suspend the membership rights of the delinquent Owner, including the right to vote, the right of use and enjoyment in and to the Common Property, including, without limitation, the right to use and enjoy the Community recreational facilities, and the right to receive and enjoy such services and other benefits as may then be provided by the Association, if any. Any suspension shall not affect an Owner's obligation to pay assessments coming due during the period of such suspension and shall not affect the permanent lien on such Lot in favor of the Association.

4.9 Date of Commencement of Assessments. Assessments shall commence when the Board of Directors first determines a budget and levies assessments. The assessments provided for herein shall commence as to a Lot on the date that the Lot is first occupied for residential purposes. A Lot shall be deemed to be occupied for residential purposes when it has been improved with a dwelling for which a certificate of occupancy has been issued and has been conveyed to an Owner who intends to occupy the dwelling, or, if the dwelling is occupied as a residence before such conveyance, the date of such occupancy. Any Lot which has been approved by Declarant or Approved Developer for use as a model home for marketing and sales purposes shall not be deemed to be occupied for residential purposes and shall not be subject to assessments under this Declaration whether owned by Declarant, Approved Builder, Approved Developer or any other Person, so long as such Lot is approved for use as a model home. Notwithstanding anything to the contrary herein, Approved Developer shall not be liable or responsible for the payment of any assessments on the Lots it owns.

4.10 Budget Deficits During Declarant Control. For so long as the Declarant has the authority to appoint and remove the directors and officers of the Association, Declarant may, but shall have no obligation to: (a) advance funds to the Association sufficient to satisfy the deficit, if any, between the actual operating expenses of the Association (but specifically not including an allocation for capital reserves), and the sum of the general, special and specific assessments collected by the Association in any fiscal year (such advances shall be evidenced by promissory notes from the Association in favor of the Declarant); or (b) cause the Association to borrow such amount from a commercial lending institution at the then prevailing rates for similar loans in the local area of the Community; provided, however, no Mortgage secured by the Common Property or any of the structures or improvements maintained by the Association shall be given in connection with such loan.

4.11 Failure to Assess. The omission or failure of the Board to fix the assessment amounts or rates or to deliver or mail to each Owner an assessment notice shall not be deemed a waiver, modification, or a release of any Owner from the obligation to pay assessments. In such event, each Owner shall continue to pay assessments on the same basis as the last year for which an assessment was made, if any, until a new assessment is made, at which time any shortfalls in collections may be assessed retroactively by the Association.

4.12 Estoppel Letter. Any Owner, Mortgagee, or a Person having executed a contract for the purchase of a Lot, or a lender considering a loan to be secured by a Lot, shall be entitled,

upon written request, to a statement from the Association or its managing agent setting forth the amount of assessments past due and unpaid, including any late charges, interest, fines, or other charges against that Lot. Such request shall be delivered to the registered office of the Association, and shall state an address to which the statement is to be directed. The Association shall, within five (5) business days after receiving a written request therefor, certify to the amount of any unpaid assessments constituting a lien on a specified Lot. The Association may charge a reasonable fee as may be permitted by law as a prerequisite to the issuance of such statement. A certification letter signed by an officer of the Association or the Association's managing agent, if any, as to the amount of assessments due with respect to a Lot shall be binding upon the Association. It is the intent of this provision to comply with O.C.G.A. Section 44-14-15(c), as amended.

4.13 Working Capital Contribution. Upon each and every transfer or conveyance of title to a Lot after it has been improved with a dwelling for which a certificate of occupancy has been issued, a working capital contribution, in an amount determined by the Board from time to time, shall be collected from the new Owner at the closing of such transaction and disbursed to the Association; or if not collected at closing, shall be paid immediately upon demand to the Association. The working capital contribution shall constitute a specific assessment against the Lot, shall be in addition to, not in lieu of, the general assessment and shall not be considered an advance payment of such assessment. The working capital contribution may be used by the Association for any purpose which provides a direct benefit to the Community, including, without limitation, for the payment of operating expenses of the Association and other expenses incurred by the Association pursuant to the provisions of this Declaration.

Notwithstanding anything to the contrary herein, the working capital contribution shall not be due from: (a) any grantee who is the spouse or former spouse of the grantor; (b) a successor partnership, corporation, company or other business entity created by a grantor which in its sole discretion may be in the best interest of said grantor for business purposes, provided that at least fifty percent (50%) of the voting power or ownership interest of such entity must be retained by the original grantor; (c) any grantee to whom a Lot is conveyed by a will or through the law of intestacy; (d) any grantee of a Lot who obtains title pursuant to judicial or nonjudicial foreclosure of any first Mortgage or secondary purchase money Mortgage (provided that neither the grantee nor any successor grantee on the Mortgage is the seller of the Lot); (e) the grantee is a trust or similar fiduciary entity established by a grantor for the benefit of said grantor or grantor's family or any member thereof; (f) Declarant if Declarant is the grantee; (g) Approved Developer if Approved Developer is the grantee; or (h) Approved Builder, if Approved Builder is the grantee.

## Article 5

### Maintenance; Common Property

5.1 Association's Maintenance Responsibility. The Association shall maintain and keep in good repair the Common Property, which shall include, without limitation, the maintenance, repair and replacement of all landscaping, structures and improvements located thereon. The

Association shall also maintain (whether or not constituting Common Property) the following: (a) all Community entry features and entry area landscaping and any irrigation and/or lighting system serving such entry features and related landscaping, regardless of whether such entry features and/or landscaping are located on a Lot, Common Property or public right-of-way, including, without limitation, any entry features located on adjacent property which the Association is obligated to maintain pursuant to one or more recorded easement agreements; (b) the storm water detention/retention pond(s) and storm water drainage facilities serving the Community and any gate, fence or other enclosure surrounding said storm water detention/retention pond(s), if and to the extent such facilities are not maintained on an ongoing basis by a governmental authority or third party and regardless of whether said storm water detention/retention pond(s) and storm water drainage facilities are located on a Lot, Common Property or public right-of-way; provided, however, the Association shall not be responsible for the maintenance, repair and replacement of any storm water drainage facilities which exclusively serve a Lot; (c) all Community green space and open space; (d) the cluster mailbox area and the mailboxes located thereon; (e) all street medians and street islands and any landscaping located therein or along the public right-of-ways in the Community, if and to the extent the same are not maintained by a governmental authority or third party; and (f) the Community recreational facilities and related parking areas.

All maintenance by the Association shall be performed consistent with the Community-Wide Standard. The Board of Directors may authorize the officers of the Association to enter into contracts with any Person or Persons to perform maintenance hereunder on behalf of the Association.

In the event that the Association determines that the need for maintenance, repair, or replacement, which is the responsibility of the Association hereunder, is caused through the willful or negligent act of an Owner, or the Occupants, family, guests, lessees or invitees of an Owner, then the Association may perform such maintenance, repair or replacement and all costs thereof, not paid for by insurance, shall be assessed against the Owner and the Lot of the Owner as a specific assessment.

The Association shall have the right, but not the obligation, to maintain property which it does not own, regardless of whether such property is located within or outside of the Community, where the Board has determined that such action would benefit the Owners. In addition to the foregoing, the Board of Directors, without a vote of the members, but with the consent of the Declarant, Approved Developer and Approved Builder, shall have the right to enter into easement and covenant to share cost agreements where the Board has determined that such action would benefit the Owners.

## 5.2 Owner's Maintenance Responsibility.

(a) General. Except for maintenance performed on or to a Lot by the Association pursuant to Section 5.1, if any, all maintenance of and repair and replacement to the Lot and all

structures, landscaping, and other improvements located thereon shall be the sole responsibility of the Owner thereof, who shall maintain such Lot in a manner consistent with the Community-Wide Standard and this Declaration. Such maintenance obligation shall include, without limitation, the following: (i) prompt removal of all litter, trash, refuse, and waste; (ii) lawn mowing on a regular basis; (iii) tree and shrub pruning; (iv) watering landscaped areas; (v) keeping improvements, and exterior lighting in good repair and working order; (vi) keeping lawn and garden areas alive, free of weeds, and attractive; (vii) keeping driveways and walkways in good repair; (viii) complying with all governmental health and police requirements; (ix) maintaining grading and storm water drainage as originally established on the Lot; (x) periodic maintenance and repair of exterior damage to improvements; (xi) maintaining, repairing and replacing the residential dwelling located on the Lot, including, without limitation, periodic painting and pressure washing as needed to such residential dwelling; (xii) maintaining, repairing and replacing all pipe(s), wire(s), conduit(s) and utility line(s) which exclusively serve the Lot; and (xiii) any deck, patio or balcony, including the painting, staining and/or sealing of such deck. Each Owner shall also be responsible for replenishing pine straw and mulch in planting beds at least twice a year in both the spring and fall seasons, as more particularly set forth in the Architectural Guidelines.

(b) Failure to Maintain. In the event that the Board of Directors determines that any Owner has failed or refused to discharge properly any of such Owner's obligations with regard to the maintenance, repair or replacement of items for which such Owner is responsible hereunder, the Association shall, except in an emergency situation, give the Owner written notice of the Association's intent to provide such maintenance, repair or replacement at the Owner's sole cost and expense. The notice shall set forth with reasonable particularity the maintenance, repair or replacement to be performed. The Owner shall have ten (10) days after receipt of such notice within which to complete such maintenance, repair or replacement, or, in the event that such maintenance, repair or replacement is not capable of completion within a ten (10) day period, to commence such work which shall be completed within a reasonable period of time. If an Owner does not comply with the provisions hereof, the Association may provide such maintenance, repair or replacement to the Lot and all costs associated therewith shall be assessed against the Owner and the Lot as a specific assessment. Notwithstanding the foregoing, the provisions of this Section 5.2 shall not apply to any Lot(s) owned by Declarant, Approved Builder or Approved Developer, unless improved with a dwelling and occupied as a residence.

5.3 Conveyance of Common Property by Declarant, Approved Builder or Approved Developer to Association; No Implied Rights. The Declarant, Approved Builder or Approved Developer may transfer or convey to the Association at any time and from time to time any personal property and any interest in improved or unimproved real property. Such conveyance shall be deemed to be accepted by the Association upon delivery of any personal property or upon recordation of an instrument of conveyance of any interest in real property, and the property shall thereafter be Common Property to be used and, if and as provided in Section 5.1 hereof, maintained by the Association for the benefit of its members. Until the rights of Declarant, Approved Builder or Approved Developer terminate as provided in Section 11.5

hereof, Declarant, Approved Builder or Approved Developer may, upon written notice to the Association, require the Association to reconvey to Declarant, Approved Builder or Approved Developer, as the case may be, all or any portion of the Common Property, improved or unimproved, at no charge to Declarant, Approved Builder or Approved Developer, without a vote of the members of the Association, if all or any portion of the Common Property is: (a) found by Declarant, Approved Builder or Approved Developer to have been conveyed in error; (b) needed by Declarant, Approved Builder or Approved Developer to make adjustments in property boundary lines; or (c) needed by Declarant, Approved Builder or Approved Developer due to changes in the overall scheme of development for the Community.

The Association hereby constitutes and appoints Declarant, Approved Builder and Approved Developer as its agent and attorney-in-fact to accept/make on behalf of the Association any such conveyance and re-conveyances and to execute on behalf of the Association any and all documents, including, without limitation, deeds, necessary or convenient to effectuate and document any such conveyances and re-conveyances, and all acts of such attorney-in-fact are hereby ratified. The power and agency hereby granted are coupled with an interest and are irrevocable by death or otherwise. The Declarant, Approved Builder and Approved Developer shall not be required to make any improvements whatsoever to property to be conveyed and accepted pursuant to this Section and shall have no duty or obligation to convey any property or property rights to the Association regardless of whether or not any such property has been made available for the use of Owners. The Declarant, Approved Builder and the Approved Developer may reserve, by lease, license, easement or otherwise such rights of use and enjoyment in and to all or any portion of the property so conveyed as Declarant, Approved Builder or Approved Developer may reasonably require so long as such reservation is not materially inconsistent with the overall scheme of development for the Community. The recordation of any subdivision plat, the use by the Owners, or maintenance by the Association of any property shall not create any rights, easements or licenses, in the Association or the Owners, express or implied, unless and until any such property rights, easements or licenses are conveyed by the Declarant, Approved Builder or Approved Developer, or the owner of such property to the Association or the Owners, as the case may be, by an instrument recorded in the Office of the Clerk of Superior Court of Cobb County, Georgia.

5.4 Partition of Common Property. The Common Property shall remain undivided and no Owner shall bring any action for partition or division of the whole or any part thereof without the written consent of: (a) all Owners of all portions of the property located within the Community; and (b) all holders of all Mortgages encumbering any portion of the Community, including, but not limited to, the Lots.

5.5 Condemnation. In the event of a taking by eminent domain of all or any portion of the Common Property on which improvements have been constructed, the Association shall, if reasonably possible, restore or replace such improvements on the remaining Common Property, unless within sixty (60) days after such taking, an alternative plan is approved by at least seventy-five percent (75%) of the Total Association Vote, the Declarant, Approved Developer

and Approved Builder. The provisions of this Declaration applicable to the replacement or restoration of damaged improvements on the Common Property shall also apply to and govern the actions to be taken in the event that the improvements are not restored or replaced after a condemnation.

5.6 Limitation of Liability. Owners, Occupants and their guests shall use the common areas maintained by the Association and all other Common Property and all portions of the Community not contained within a Lot at their own risk, including, without limitation, the Community recreational facilities, and shall assume sole responsibility for their personal belongings used or stored thereon. Each Owner and Occupant shall have an affirmative duty and responsibility to inspect the Common Property and all portions of the Community not contained within a Lot, including, without limitation, the Community recreational facilities, for any defects, perils or other unsafe conditions relating to the use and enjoyment thereof. The Association, the Declarant, Approved Builder, Approved Developer and their respective officers, directors, employees, representatives and agents shall not be held liable for: (a) personal injury to any person occurring on the Common Property; (b) loss or damage to personal belongings used or stored on the Common Property or any other portion of the Community; or (c) loss or damage, by theft or otherwise, of any other property of such Owner or Occupant.

In addition to the foregoing, the Association, the Declarant, Approved Builder, Approved Developer and their respective officers, directors, members, partners, agents and representatives shall not be liable for injury or damage to any Person or property: (a) caused by the elements or by an Owner or any other Person; (b) resulting from any rain or other surface water which may leak or flow from any street, pipe, plumbing, drain, conduit, appliance, equipment, security system, or utility line or facility, the responsibility for the maintenance of which is that of the Association or from any portion of the Common Property; or (c) caused by any street, pipe, plumbing, drain, pond, lake, dam, conduit, appliance, equipment, security system, or utility line or facility, the responsibility for the maintenance of which is that of the Association, becoming out of repair.

5.7 Garbage Pick-Up and Recycling. The Association shall have the right, but not the obligation, to designate and contract with a private trash removal company on behalf of all Owners and Occupants in the Community to pick up all usual and customary household trash and recycling on a regular basis. In the event the Association enters into a contract with a private trash removal company as provided above, all charges for usual and customary trash collection and recycling shall be assessed to each Lot equally as part of the general assessment in accordance with Section 4.4 hereof. While the removal of normal household trash and recycling will be covered by such contract, additional charges may be incurred for the removal of used appliances, other large items or any other extraordinary pick-up needs and such additional charges incurred by the Association may be specifically assessed against the applicable Lot pursuant to Section 4.6 hereof. If a Lot Owner, for any reason, refuses trash collection and recycling service provided by the Association, such Owner shall nevertheless still be obligated to pay the full amount of the general assessment. Unless otherwise provided by the Board, trash

and recycling receptacles shall be placed at the curb no earlier than 5:00 p.m. the day before pick-up and shall be removed within twenty-four (24) hours. All Community trash removal and recycling shall be subject to such further rules and regulations as the Board may adopt, including without limitation, the designation of a particular trash pick-up day throughout all or a portion of the Community.

## Article 6 Architectural Standards

6.1 General. No exterior construction, alteration or addition of any improvements of any nature whatsoever (including, without limitation, staking, clearing, excavating, grading, filling, construction of impervious surfaces, building, exterior alteration of existing improvements, changing the exterior color of any existing improvement and planting and removing landscaping materials) shall be commenced or placed upon any part of the Community unless installed by the Declarant, Approved Developer, Approved Builder or their respective affiliates, approved in accordance with this Article, or otherwise expressly permitted under this Declaration. Any Owner may remodel, paint or redecorate the interior of a structure located on a Lot without approval hereunder. However, additions and/or modifications to the interior of porches, patios, decks and similar portions of a structure visible from outside of a Lot shall be subject to approval. No approval shall be required to repaint the exterior of a structure located on a Lot in accordance with the originally approved color scheme or to rebuild in accordance with originally approved plans and specifications.

This Article shall not apply to the activities of: (a) the Declarant, affiliates of the Declarant; (b) improvements to the Common Property made by or on behalf of the Association; (c) any Approved Builder; or (d) Approved Developer.

This Article may not be amended without the written consent of the Declarant, Approved Developer, or Approved Builder until their rights have terminated as provided herein.

6.2 Guidelines and Procedures. Except as provided above or as specifically articulated in the Architectural Guidelines established pursuant to Section 6.3 hereof, no exterior construction, addition or alteration shall be made unless and until plans and specifications shall have been submitted in writing to and approved by the Declarant. Such plans and specifications shall be of sufficient detail to allow the Declarant to make its review and to the extent required by the Declarant shall show the nature, kind, shape, height, materials and location of the proposed structure or improvement. The Declarant shall be the sole arbiter of such plans and specifications and may withhold approval for any reason, including, without limitation, purely aesthetic considerations, and it shall be entitled to stop any construction in violation of such plans and specifications, applicable Architectural Guidelines or any other provisions of the Declaration. If the Declarant fails to approve or disapprove submitted plans and specifications within forty-five (45) days after receipt of all required plans and specifications, such approval shall be deemed to have been given. If construction does not commence on a project for which

plans have been approved within twelve (12) months of such approval, such approval shall be deemed withdrawn, and it shall be necessary for the Owner to resubmit the plans and specifications to the Declarant for reconsideration. As a condition of approval under this Article, each Owner, on behalf of such Owner and such Owner's successors-in-interest, shall assume all responsibilities for maintenance, repair, replacement and insurance to and on any improvement, structure, change, modification, addition or alteration. In the discretion of the Declarant, an Owner may be required to verify such condition of approval by a recordable written instrument acknowledged by such Owner on behalf of such Owner and such Owner's successors-in-interest. The Declarant and its representatives and/or agents shall have the right, during reasonable hours and after reasonable notice, to enter upon any property in the Community to determine whether or not these restrictive covenants have been or are being complied with and such Persons shall not be deemed guilty of trespass by reason of such entry; provided, however, nothing herein shall permit entry into a residential dwelling located on a Lot without the consent of the Owner thereof.

All provisions of this Declaration and any Association rules and regulations and Architectural Guidelines shall apply to all Owners, Occupants, tenants, guests, and invitees of any Lot.

6.3 Architectural Guidelines. The Declarant, with the consent of Approved Builder, may adopt written architectural and fencing guidelines ("Architectural Guidelines") and application and review procedures, which may provide for a review fee. The initial Architectural Guidelines are attached hereto as Exhibit "D" and incorporated herein by reference. The Declarant, with the consent of Approved Builder, shall have the authority to prepare, amend, expand or modify, from time to time at its sole discretion and without notice, the initial Architectural Guidelines. In the event the Architectural Guidelines are modified, expanded or repealed, in whole or in part, said new Architectural Guidelines shall be distributed to all Owners and Occupants prior to the date that they are to become effective and shall thereafter be binding upon all Owners and Occupants until and unless overruled, canceled or modified by a majority of the Total Association Vote, Declarant and Approved Builder. The Architectural Guidelines shall be made available to Owners and Occupants who seek to engage in construction upon all or any portion of the Community and such Owners and Occupants shall conduct their operations strictly in accordance therewith and with the provisions of this Article 6.

The Board shall have no obligation to call a meeting of the members to consider disapproval of the Architectural Guidelines except upon petition of the members as required for special meetings in the Bylaws. A copy of the Architectural Guidelines then in effect shall be provided to any requesting member or Mortgagee.

All Owners and Occupants of Lots are hereby notified that the use of their Lots is limited by the Architectural Guidelines as they may be amended, expanded, and otherwise modified hereunder. Each Owner, by acceptance of a deed or entering into a contract of sale, acknowledges and agrees that the use and enjoyment and marketability of his or her Lot can be

affected by the Architectural Guidelines, that the Architectural Guidelines may change from time to time, and that such changed Architectural Guidelines may or may not be set forth in an instrument recorded in the Cobb County, Georgia land records.

6.4 Limitation of Liability. Plans and specifications are not approved for engineering or structural design, quality of materials or for compliance with permitting requirements, building codes, zoning conditions applicable to the Community or other applicable local laws and ordinances governing construction in the Community and by approving such plans and specifications the Declarant, Approved Builder, Approved Developer, the Association and their respective directors, officers, members, representatives, agents or employees assume no liability or responsibility therefor or for any defect in any structure or improvement constructed from such plans and specifications or for any violation of building codes, zoning conditions, permitting requirements or for any other violation of any applicable local laws or ordinances governing construction in the Community. Neither Declarant, Approved Builder, Approved Developer, the Association, nor their respective officers, directors, members, employees and agents shall be liable in damages to anyone submitting plans and specifications to any of them for approval or to any Owner of property affected by these restrictions by reason of mistake in judgment, negligence or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any such plans or specifications. Every Person who submits plans and specifications and every Owner agrees that such Person or Owner will not bring any action or suit against Declarant, Approved Builder, Approved Developer, the Association or their respective officers, directors, members, employees and agents to recover any damages and hereby releases, remises, quitclaims and covenants not to sue for all claims, demands and causes of action arising out of or in connection with any judgment, negligence or nonfeasance and hereby waives the provisions of any law which provides that a general release does not extend to claims, demands and causes of action not known at the time the release is given.

6.5 No Waiver. The approval of the Declarant of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the approval or consent of the Declarant, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications or drawings or matters whatsoever subsequently or additionally submitted for approval or consent.

6.6 Variances. Notwithstanding anything to the contrary contained herein, the Declarant shall be authorized to grant individual variances from any of the provisions of this Declaration and the Architectural Guidelines if it determines that waiver of application or enforcement of the provision in a particular case is dictated by unique circumstances, such as, but not limited to, topography, natural obstructions, hardship or aesthetic or environmental considerations. No variance shall: (a) be effective unless in writing; (b) be inconsistent with the overall scheme of development for the Community; or (c) estop the Declarant from denying a variance in other similar circumstances. For purposes of this provision, the inability to obtain approval of any

governmental agency or the issuance of any permit, or the terms of any financing shall not be considered a hardship warranting a variance.

6.7 Enforcement. Any structure, improvement or landscaping improvement placed or made in violation of this Article shall be deemed to be nonconforming. Upon written request from the Declarant, an Owner shall, at his or her own cost and expense, remove such nonconforming structure or improvement and restore the land to substantially the same condition as existed prior to the nonconforming work. Should an Owner fail to remove and restore as required, the Declarant and its agents shall have the right to enter the property, remove the nonconforming structure or improvement, and restore the property to substantially the same condition as previously existed. All costs, including, without limitation, reasonable attorneys' fees actually incurred, may be assessed against the Lot as a specific assessment. Any contractor, subcontractor, agent, employee or other invitee of an Owner who fails to comply with the terms and provisions of this Article and the Architectural Guidelines may be excluded by the Declarant from the Community, subject to any applicable notice and hearing procedures contained in the Bylaws. Neither the Declarant, Approved Builder, Approved Developer, the Association nor their respective officers, directors, members, employees and agents shall be held liable to any Person for exercising the rights granted by this Section, including, without limitation, claims for damages resulting from the removal of the nonconforming structure or improvement as provided herein. In the event of noncompliance with this Article, the Association or the Declarant, as the case may be, may also record in the appropriate land records a notice of violation hereunder naming the violating Owner. In addition to the foregoing, the Association or the Declarant, as the case may be, shall have the authority and standing to pursue any and all remedies available at law and equity to enforce the provisions of this Article, including, without limitation, the right to levy and collect fines as provided herein and in Section 3.21 of the Bylaws.

6.8 Architectural Review by Declarant. Until: (a) the Declarant no longer owns any property in the Community and no longer has the right to unilaterally annex additional property to the Community; and (b) each Lot has been improved with a dwelling for which a certificate of occupancy has been issued, the Declarant shall have the sole right, power and authority under this Article; provided, however, this Article shall not apply to Approved Builder or Approved Developer as provided in Section 6.1 hereof.

Notwithstanding the foregoing, the Declarant may in its sole discretion relinquish architectural control as to certain types of improvements or modifications to an architectural review committee ("Architectural Review Committee") while retaining control over all other building and construction in the Community; provided, however, any right, power or authority of the Declarant which may be relinquished to the Architectural Review Committee prior to the termination of the rights of Declarant hereunder shall only be in a written instrument in recordable form executed by Declarant and recorded with the Clerk of the Superior Court of Cobb County, Georgia; and provided further, until the rights of Approved Builder have terminated as provided herein, any relinquishment or termination of the rights of Declarant hereunder shall require the prior written consent of Approved Builder. For example and without

limitation, the Declarant may relinquish control over modifications of existing structures to the Architectural Review Committee while retaining all authority to review and approve new home construction. The establishment of an advisory Architectural Review Committee shall not be deemed to be a relinquishment by Declarant of any of its right, power and authority hereunder.

Upon expiration or earlier surrender in writing of all or a portion of such right and authority by the Declarant, the Board of Directors shall appoint the members of the Architectural Review Committee, which shall then have such jurisdiction over architectural control under this Article as may have been relinquished by the Declarant. After the termination of all rights of Declarant hereunder, the Architectural Review Committee shall have all right, power and authority to review and approve building and construction activity within the Community hereunder and this Article shall then be read and interpreted as if any reference to the authority of or action by the Declarant in this Article 6 were a reference to the authority of or action by the Architectural Review Committee. Notwithstanding anything to the contrary herein, the members of the Architectural Review Committee shall be appointed by and serve at the discretion of the Board of Directors.

## Article 7

### Use Restrictions and Rules

7.1 Rules and Regulations. The Board of Directors may, from time to time, with the consent of Declarant and without a vote of the members, promulgate, modify or delete reasonable rules and regulations applicable to the Community. Such rules and regulations shall be distributed to all Owners prior to the date that they are to become effective and shall thereafter be binding upon all Owners and Occupants until and unless overruled, canceled or modified by a majority of the Total Association Vote, the Declarant and Approved Builder.

All Owners and Occupants of Lots are hereby notified that the use of their Lots is limited by any rules and regulations adopted by the Board, as they may be amended, expanded, and otherwise modified hereunder. Each Owner, by acceptance of a deed or entering into a contract of sale, acknowledges and agrees that the use and enjoyment and marketability of his or her Lot can be affected by the rules and regulations, that the rules and regulations may change from time to time, and that such changed rules and regulations may or may not be set forth in an instrument recorded in the Cobb County, Georgia land records.

7.2 Residential Use. Each Lot shall be used for residential purposes exclusively. Leasing of a Lot for residential occupancy shall not be considered a business or business activity. No trade or business of any kind may be conducted in or from a Lot, except that the Owner or Occupant residing at the Lot may conduct business activities within the residential dwelling located on such Lot so long as the business activity: (a) does not otherwise violate the provisions of the Declaration, Bylaws or any rules and regulations of the Association; (b) is not apparent or detectable by sight, sound or smell from the exterior of the Lot; (c) does not unduly increase traffic flow or parking congestion; (d) conforms to all zoning requirements for the Community;

(e) does not increase the insurance premium paid by the Association or otherwise negatively affect the ability of the Association to obtain insurance coverage; (f) is consistent with the residential character of the Community; (g) does not constitute a nuisance or a hazardous or offensive use; (h) does not threaten the security or safety of other residents of the Community; (i) does not involve door-to-door solicitation within the Community; (j) does not involve more than five individuals within the Lot at any one time, of which no more than two may reside outside the Lot; and (k) does not involve regular visitation of the Lot by employees who do not reside at the Lot, clients, customers, suppliers or other business invitees, all as may be determined in each case in the sole discretion of the Board of Directors. The Board may issue rules regarding permitted business activities. The terms "business" and "trade", as used in this provision, shall be construed to have their ordinary, generally accepted meanings and shall include, without limitation, any occupation, work or activity undertaken on an ongoing basis which involves the provision of goods or services to Persons other than the provider's family and for which the provider receives a fee, compensation, or other form of consideration, regardless of whether: (x) the activity is engaged in full or part-time; (y) the activity is intended to or does generate a profit; or (z) a license is required for the activity. Nothing in this Section 7.2 shall be construed as prohibiting the Declarant, Approved Developer or Approved Builder from maintaining model homes, speculative housing, sales trailers or construction trailers in the Community.

7.3 Signs. No sign of any kind shall be erected or displayed within the Community without prior written consent under Article 6 hereof; provided, however, the following signs may be erected or displayed on a Lot without prior approval under Article 6: (a) one (1) professionally lettered "For Sale" or "For Rent" sign consistent with the Community-Wide Standard; (b) security signs not larger than 18-inches by 18-inches and any signs required by legal proceedings; (c) one (1) "life event" sign commemorating a birth, graduation, or similar life event for a period not to exceed seven (7) days from the date of the event; (d) political signs in a reasonable number for a limited time as may be determined by the Board from time to time; and (e) such other signs as may be permitted in the Architectural Guidelines. Notwithstanding the foregoing, the Board, Approved Builder, and the Declarant shall have the right to erect reasonable and appropriate signs including, without limitation, signs relating to the development, construction, marketing and sales of residential dwellings located on Lots in the Community. The Board of Directors, on behalf of the Association, shall have the right to adopt reasonable rules and regulations governing the display and placement of signs in the Community, including, without limitation, imposing reasonable time, place and manner restrictions. The Board or Declarant, as the case may be, may impose a reasonable fine per day for the display of any sign which violates this provision and is not removed within twenty-four (24) hours after written demand is delivered to the Owner at that Lot. The provisions of this Section shall not apply to any Mortgagee in possession due to foreclosure of a first Mortgage or as grantee pursuant to any deed in lieu of such foreclosure.

#### 7.4 Vehicles; Parking.

(a) General. Vehicles shall be parked only in appropriate parking spaces serving the Lot or other designated parking areas established by the Board, if any. The term "vehicles," as used herein, shall include, without limitation, motor homes, boats, trailers, motorcycles, minibikes, scooters, go carts, golf carts, trucks, campers, buses, vans and automobiles. The term "parking areas serving a Lot" shall refer to the number of garage parking spaces and, if and only if, the Owners or Occupants of a Lot have more vehicles than the number of garage parking spaces, those excess vehicles which are an Owner's or Occupant's primary means of transportation on a regular basis may be parked on the driveway located on such Lot; provided, however, no portion of a vehicle parked on a driveway shall encroach onto any right-of-way, sidewalk or any grassy or landscaped area. Unless otherwise provided by the Board, no on street parking shall be permitted. All parking shall be subject to such further rules and regulations as may be adopted by the Board in its sole discretion.

(b) Garages. All homes shall contain a garage; carports shall not be permitted. Garage doors should be kept closed at all times, except during times of ingress and egress from the garage. Garages shall be used primarily for the parking of vehicles and not for storage or other purposes. Garages shall not be converted to additional living space except with written permission pursuant to Article 6 hereof.

(c) Disabled and Stored Vehicles. No vehicle may be left upon any portion of the Community, except in an enclosed garage or other area designated by the Board, if any, for a period longer than five (5) days if it is not licensed or if it is in a condition such that it is incapable of being operated upon the public highways. After such five-day period, such vehicle may be removed from the Community by the Board of Directors or the appropriate authority of Cobb County. Any towed vehicle, boat, personal watercraft, recreational vehicle, motor home, trailer, motorcycle, minibike, scooter, go cart, golf cart, commercial truck, camper, bus or mobile home regularly stored in the Community or temporarily kept in the Community, except if kept in an enclosed garage, for periods longer than twenty-four (24) hours may be removed from the Community by the Board of Directors (the temporary removal of such vehicle to break the continuity of the twenty-four (24) hour period shall not be sufficient to establish compliance with this restriction). Trucks with mounted campers which are used as a primary means of transportation shall not be considered recreational vehicles provided they are used on a regular basis for transportation and the camper is stored out of public view upon removal. No eighteen wheel trucks or the cabs of such trucks or trucks with a load capacity in excess of three-quarters of a ton shall be parked, kept or stored within the Community except during the time reasonably necessary to provide service to or delivery within the Community. All parking shall be subject to such other rules and regulations as the Board may adopt from time to time.

(d) Commercial Vehicles. The term "commercial vehicles" as used herein, shall include, without limitation, any vehicle which bears any indicia of commercial use, including, but not limited to, writing, logos, advertising signs, ladders, ladder racks, vehicles displaying signage of

a commercial or business nature or vehicles which are not primarily used for the transportation of passengers, all as determined by the Board of Directors in its sole discretion. Commercial vehicles shall not be permitted in the Community, except if kept in an enclosed garage; provided however, construction, service, and delivery vehicles shall be exempt from this provision for such period of time as is reasonably necessary to provide service or to make a delivery within the Community.

(e) Remedies of Association for Noncompliance. If any vehicle is parked on any portion of the Common Property in violation of this Section or in violation of the Association's rules and regulations, the Board or agent of the Association may place a notice on the vehicle specifying the nature of the violation and stating that after twenty-four (24) hours the vehicle may be towed. The notice shall include the name and telephone number of the person or entity that will do the towing and the name and telephone number of a person to contact regarding the alleged violation. If twenty-four (24) hours after such notice is placed on the vehicle the violation continues or thereafter occurs again within twelve (12) months of such notice, the Board or agent of the Association may have the vehicle towed in accordance with the notice, without further notice to the Owner or user of the vehicle.

If a vehicle is towed in accordance with this Section, the Declarant, Approved Builder, Approved Developer, the Association and their respective affiliates, directors, officers, employees or agents shall not be liable to any Person for any claim of damage resulting from the towing activity. Notwithstanding anything to the contrary herein, the Board may elect to impose fines or use other available sanctions, rather than exercise its authority to tow, which remedy shall be in addition to not in lieu of its authority to remove the violating vehicle.

(f) Declarant, Approved Developer and Approved Builder Exemption. Notwithstanding anything to the contrary in this Section 7.4, the Declarant, Approved Builder, Approved Developer and their respective agents, contractors, subcontractors and assigns shall have the right, during regular business hours, to park vehicles on any and all streets within the Community as needed in order to facilitate the construction, development, maintenance and build out of the Community.

7.5 Leasing. Lots may be leased for residential purposes only and shall strictly comply with the provisions of Article 10 of this Declaration.

7.6 Animals and Pets. No animals, livestock or poultry of any kind shall be raised, bred or kept on any Lot; provided, however, dogs or cats may be kept on a Lot, not to exceed a total of three (3) such animals, provided they are not kept, bred or maintained for any commercial purposes. In addition to the foregoing, no more than two (2) additional animals such as birds, hamsters, guinea pigs, turtles or small lizards or other constantly caged or contained animals shall be allowed within a dwelling located on a Lot. The limitation on the number of pets described above shall not apply to fish contained within an aquarium. In no event shall chickens, monkeys, snakes, pigs or exotic animals be permitted on a Lot. All Owners must control their

animals at all times, whether or not such Owner is present, in a manner that will prevent any animal from: (a) making noise at objectionable sound levels for extended periods of time, whether continuously or intermittently; (b) endangering the health or safety of other Owners, their families, guests or invitees or creating fear in other Owners as to the safety of themselves, their families, guests or invitees; or (c) otherwise constituting a nuisance or inconvenience to the Owner(s) of any other Lot; all of the foregoing as determined by the Association in its sole discretion. In the event that the Owner or person responsible for the animal fails to comply with the foregoing, such animal shall be removed upon the request of the Board of Directors or its designated committee. If the Owner of such animal fails or refuses to honor such request, the Board of Directors may institute legal action to have the animal removed and the Owner of the Lot where the animal was kept (or was brought by a guest or invitee) shall be responsible for all costs associated with the removal of said animal as provided herein, which costs may include reasonable attorneys' fees actually incurred. In the event that such Owner fails to reimburse the Association for such cost and expense within twenty-one (21) days after the Association's demand for reimbursement, such cost and expense shall become a specific assessment against such Lot. An Owner's failure to remove fecal matter or other solid waste left on any Common Property or Lot by an animal owned by an Occupant of such Owner's Lot (or their guests or invitees) shall be conclusively deemed to be a nuisance, and shall subject such Owner to such reasonable penalties as may be determined by the Association, including without limitation, upon repeated violations, the removal of such animal as described above. No dog runs, runners or exterior pens for household pets shall be erected or maintained on any Lot unless approved in accordance with the provisions of Article 6 hereof. No pet shall be kept or stored, permanently or temporarily, in any garage located on a Lot in the Community.

Every Person owning or having possession, charge, care, custody or control of any dog, cat or other uncaged pet shall keep such pet exclusively inside his own residential unit or inside the confines of such Owner's Lot; provided, however, that a dog may be off the Owner's Lot if it is under the control of a competent person and restrained by a chain, leash or other means of adequate physical control. Any Owner or Occupant who keeps or maintains any animal within the Community shall be deemed to have agreed to indemnify and hold harmless the Association, Declarant, Approved Builder and Approved Developer and each or their respective officers, directors, employees and agents from any and all loss, claim, or liability of any kind or character whatsoever arising by reason of keeping or maintaining such animal in the Community.

7.7 Nuisance. It shall be the responsibility of each Owner and Occupant to prevent the development of any unclean, unhealthy, unsightly or unkempt condition on a Lot. No property within the Community shall be used, in whole or in part, for the storage of any property or thing that will cause such Lot to appear to be in an unclean or untidy condition or that will be obnoxious to the eye; nor shall any substance, thing or material be kept that will emit foul or obnoxious odors or that will cause any noise or other condition that will or might disturb the peace, quiet, safety, comfort or serenity of the occupants of surrounding property. No noxious or offensive activity shall be carried on within the Community, nor shall anything be done tending to cause embarrassment, discomfort, annoyance or nuisance to any Person using any property

within the Community. No plants, animals, device or thing of any sort shall be maintained in the Community whose activities or existence is in any way noxious, dangerous, unsightly, unpleasant or of a nature as may diminish or destroy the enjoyment of the Community by other Owners and Occupants. Without limiting the generality of the foregoing, no horns, whistles, bells, or other sound devices, except security devices used exclusively for security purposes, screaming, shouting, excessively loud talking, fighting, raucous behavior, insobriety, playing loud music or television, use of any alarm, equipment, or device, mechanical or otherwise which creates or produces excessively loud sounds or any vibrations, or any conduct which creates any noxious or offensive odors outside of a home shall be permitted, located, used or placed on any Lot, or any portion thereof. In no event shall cigarette butts or cigar butts be permitted or deposited on the Common Property. The inconvenience complained of shall not be fanciful, or such as would affect only one of fastidious taste, but it shall be such as would affect an ordinary, reasonable person as determined in a particular instance by the Board. Notwithstanding anything to the contrary herein, each Owner and Occupant acknowledges that the Declarant, Approved Builder, Approved Developer and their respective agents, subcontractors, employees and assigns may engage in construction activities in the Community and further agrees that such construction activities shall not be deemed a nuisance as provided herein.

7.8 Unsightly or Unkempt Conditions. The pursuit of hobbies or other activities, including specifically, without limiting the generality of the foregoing, the assembly and disassembly of motor vehicles and other mechanical devices, which might tend to cause disorderly, unsightly or unkempt conditions, shall not be pursued or undertaken in any part of the Community.

7.9 Antennas. No exterior antenna, receiving dish or similar apparatus of any kind for receiving and/or transmitting audio or video signals shall be placed, allowed or maintained upon any portion of the Community, including any Lot, unless approved in accordance with the provisions of Article 6 hereof or as otherwise permitted by the Architectural Guidelines; provided, however, no approval shall be necessary to install the following on a Lot: (a) antennas designed to receive direct broadcast satellite services, including direct-to-home satellite services or antennas designed to receive or transmit fixed wireless signals via satellite, that are one meter or less in diameter; (b) antennas designed to receive video programming services via multi-point distribution services or antennas designed to receive or transmit fixed wireless signals other than via satellite that are one meter or less in diameter or diagonal measurement; or (c) antennas that are designed and intended to receive television broadcast signals.

Owners shall install any permitted antennae on the rear of the residential dwelling located on a Lot unless such installation: (a) imposes unreasonable delay or prevents the use of the antennae; (b) unreasonably increases the cost of installation; or (c) an acceptable quality signal cannot otherwise be obtained.

7.10 Tree Removal. No trees that are more than four (4) inches in diameter at a point twelve (12) inches above the ground and no ornamental or flowering trees, including, but not

limited to, dogwood trees, cottonwood trees, cherry trees or apple trees, regardless of diameter, shall be removed from a Lot unless approved in accordance with the provisions of Article 6 hereof or as may otherwise be permitted pursuant to the Architectural Guidelines; provided, however, the foregoing shall not apply to the removal of trees by the Declarant or Approved Builder. The Association and Owners shall also comply with all zoning conditions and local ordinances applicable to tree removal. In the event of a conflict between the provisions of this Section and any zoning condition or local ordinance, the more restrictive provision shall govern.

In addition to the foregoing, no tree of any size or description located within tree save areas, undisturbed buffers, or areas with similar designations, as may be identified on a recorded subdivision plat, shall be removed without written approval under Article 6 hereof and the appropriate governmental agency. Heavy equipment such as Bobcats may not be used in these areas unless otherwise permitted by the appropriate governmental agency and upon prior written approval pursuant to Article 6 hereof.

7.11 Drainage. Catch basins, retention ponds, detention ponds, drainage easement areas and related drainage facilities are for the purpose of controlling the natural flow of water only. No obstructions or debris shall be placed in these areas. No Owner may obstruct or alter drainage flows after the location and installation of catch basins, retention ponds, detention ponds, drainage swales, storm sewers or storm drains without approval in accordance with the provisions of Article 6 hereof. In the event storm water drainage from any Lot or Lots flows across another Lot, provisions shall be made by the Owner of such downstream Lot to permit such drainage to continue, without restriction or reduction, across the downstream Lot and into the natural drainage channel or course although no specific drainage easement for such flow of water is provided on the subdivision plat for the Community recorded in the Cobb County, Georgia land records. The elevation of a Lot shall not be changed so as to materially affect the surface elevation or grade of surrounding Lots. Perimeter foundation drains and sump pump drains shall be connected whenever feasible into a subsurface drainage tile. Down spouts and drains shall be designed to disperse runoff for overland flow to street or swale collection systems. Each Owner shall maintain the subsurface drains and tiles located on his Lot and shall be liable for the cost of all repairs thereto or replacements thereof.

7.12 Sight Distance at Intersections. All property located at street intersections shall be landscaped so as to permit safe sight across the street corners. No fence, wall, hedge, shrub or other planting or thing shall be placed or permitted to remain where, in the opinion of the Board of Directors, it would create an unsafe condition.

7.13 Garbage Cans, Woodpiles, Etc. All garbage cans, woodpiles, swimming pool pumps, filters and related equipment, and other similar items shall be located or screened so as to be concealed from the view of neighboring streets and property. All rubbish, trash, recycling materials, yard waste and garbage shall be regularly removed and shall not be allowed to accumulate. Trash, garbage, debris or other waste matter of any kind may not be burned within the Community.

7.14 Subdivision of Lot. No Lot shall be subdivided or its boundary lines changed except with prior written approval in accordance with the provisions of Article 6 hereof. Declarant, Approved Developer and Approved Builder, however, hereby expressly reserve the right to subdivide and/or revise and re-record the subdivision plat of any Lot(s) with the consent of the Owner(s) of the affected Lot(s) and to approve the revision and re-recording of any plat of any Lot(s) owned by Approved Builder, Approved Developer, any other builder or developer, including, but not limited to, changing any Lot to Common Property or creating a public or private street over any Lot or property that was formerly a Lot, without the consent of any Person, other than the Owner(s) of such Lot(s).

7.15 Firearms. The discharge of firearms within the Community is prohibited. The term "firearms" includes, but is not limited to, B-B guns, pellet guns, archery equipment and firearms of all types, regardless of size.

7.16 Fences. No fence or fencing type barrier of any kind shall be placed, erected, allowed or maintained upon any Lot without prior written approval in accordance with the provisions of Article 6 hereof or as may be otherwise permitted as provided in the Architectural Guidelines. Architectural Guidelines detailing acceptable fence styles or specifications are available as provided in Article 6 hereof, which Architectural Guidelines may be revised by the Declarant or the Board of Directors, as the case may be, pursuant to Article 6 hereof. In no event will a chain link or barbed wire fence be approved; provided, however, the Declarant, Approved Builder and the Association may erect any type of fence on the Common Property or elsewhere within the Community as they may deem appropriate or as necessary to satisfy the requirements of any law, regulation or governmental entity or for the health and safety of Owners and Occupants.

7.17 Utility Lines. Except as may be permitted under and pursuant to Article 6 hereof, no overhead utility lines, including lines for cable television, shall be installed within the Community.

Religious or holiday symbols and decorations may be displayed on a Lot of the kinds normally displayed in single-family residential neighborhoods; provided, however, the

Association may adopt reasonable time, place and manner restrictions with respect to said symbols and decorations visible from outside of the structures located on a Lot, including limitations on appearance, style, size, and number; and further provided, no decoration or symbol may be placed on a Lot for more than thirty (30) days in any 12-month period.

7.20 Artificial Vegetation, Gardens, Play Equipment, Exterior Sculpture, Water Features and Similar Items. No artificial vegetation or other similar item shall be permitted on the exterior of any property in the Community. No vegetable garden, bird house, bird feeder, hammock, statuary, play equipment (including, without limitation, basketball goals), exterior sculpture, fountains or water features may be erected on any Lot, without prior written approval in accordance with Article 6 hereof or as otherwise permitted in the Architectural Guidelines.

7.21 Flags. No flags may be displayed on any Lot without prior written approval in accordance with the provisions of Article 6 hereof or as otherwise permitted in the Architectural Guidelines; provided, however no approval shall be required to: (a) display the flag of the United States of America and the current flag of the State of Georgia on a Lot in accordance with the provisions of the U.S. Flag Code (36 US Code 10) and usual and customary practice; and (b) display a seasonal flag or banner no larger than two feet (2') by four feet (4') consistent with the Community-Wide Standard and other usual and customary practice for a period not to exceed one thirty (30) day period per quarter. The Board of Directors of the Association may promulgate reasonable rules and regulations with respect to the display of flags in the Community, including, without limitation, regulating the size of flags that may be displayed and imposing reasonable time, place and manner restrictions pertaining to the display of the United States flag; provided, however, the Association shall not enact any rule or regulation which has the effect of prohibiting any Owner from displaying the flag of the United States of America on a Lot in the Community in contravention of the Freedom to Display the American Flag Act of 2005. Notwithstanding anything to the contrary herein, no free standing flag poles shall be permitted on a Lot.

7.22 Conservation Equipment. No solar energy collector panels or attendant hardware or other conservation equipment, including, without limitation, rain barrels, shall be constructed or installed unless as an integral and harmonious part of the architectural design of a structure or otherwise screened from view and approved under of Article 6 hereof or otherwise permitted in the Architectural Guidelines.

7.23 Swimming Pools and Hot Tubs. No swimming pool or hot tub shall be constructed, erected or maintained upon any Lot without prior written approval in accordance with the provisions of Article 6 hereof and in no event shall any above-ground swimming pool be permitted; provided, however, portable or inflatable wading pools designed for use by small children shall be permitted so long as they are properly maintained and stored out of view from neighboring property or the public streets when not in use. Any pool or hot tub approved pursuant to Article 6 hereof shall also be enclosed by a fence, also approved pursuant to Article

6, and any pool or spa equipment shall be adequately screened by landscaping and not visible from the street.

7.24 Clotheslines. No exterior clotheslines of any type shall be permitted upon any Lot.

7.25 Entry Features. Owners shall not alter, remove or add improvements to any entry features or streetscapes constructed or erected by or on behalf of the Declarant, Approved Builder, Approved Developer or the Association on any Lot or any part of any easement area associated therewith.

7.26 Insects. No Person shall permit any thing or condition to exist upon any Lot which shall induce, breed or harbor noxious insects. Electric Bug Killers, "zappers", and other similar devices shall not be installed at a location or locations which result in the operation thereof becoming a nuisance or annoyance to other Owners or Occupants, and shall be operated only when outside activities require the use thereof and shall not be operated continuously.

7.27 Window Treatments and Awnings. No foil or other reflective materials shall be used on any windows for sunscreens, blinds, shades or for any other purpose. The side of all window treatments which can be seen at any time from the outside of any structure located on a Lot shall be white, off-white or such other color(s) as may be permitted in the Architectural Guidelines. Wooden or plantation shutters painted to match the interior trim may be permitted so long as the same are approved pursuant to Article 6 hereof. Except on Lots on which there is maintained a sales office or model home by the Declarant or Approved Builder, or as otherwise approved in accordance with the provisions of Article 6 hereof, no metal, wood, fabric, fiberglass or similar type material awnings or patio covers will be permitted on the front of a residential dwelling located on a Lot in the Community.

7.28 Garage Sales. No garage sale, carport sale, yard sale, flea market, or similar activity shall be conducted in any portion of the Community without the prior written consent of the Board of Directors. If permitted, such activities shall be subject to all reasonable conditions that the Board may impose.

7.29 Storm Water Detention Ponds, Creeks, Streams and Wetlands. Except as herein provided, any storm water detention/retention pond, creek, stream or wetland area within the Community shall be used for storm water drainage or aesthetic purposes only, no other use thereof, including, without limitation, swimming, ice skating, playing, or use of personal flotation devices, and other recreation, shall be permitted. For purposes of this Section 7.29, the term "wetlands" shall mean any area identified as such on the recorded subdivision plat(s) for the Community or designated as such by the Board in writing. The Association, Approved Builder, Approved Developer, the Declarant and their respective officers, directors, employees, representatives and agents shall not be responsible for any loss, damage, or injury to any person or property arising out of the authorized or unauthorized use of any storm water detention/retention pond, creek, stream or wetland area within the Community. No Owner shall

have any right to place rocks, stones, trash, garbage, sewage, waste water, rubbish, debris, ashes or other refuse in any body of water or wetland area within the Community. Applicable governmental agencies, the Declarant, Approved Builder, Approved Developer and the Association shall have the sole right to control the water level of all bodies of water located within the Community and to control the growth and eradication of plants, fowls, reptiles, animals, fish and fungi in and around any storm water detention/retention pond, stream, creek or wetland area within the Community. Owners shall have no riparian or littoral rights with respect to the waters in any creek or stream within the Community and shall not be permitted to withdraw water from any creek or stream as may exist in the Community without the prior written consent of the Board of Directors.

7.30 Outbuildings and Similar Structures. No structure of a temporary nature shall be erected or allowed to remain on any Lot, and no trailer, camper, shack, tent, garage, barn or other structure may be used as a residence without written approval in accordance with the provisions of Article 6 hereof. Notwithstanding the foregoing, permanent sheds and/or storage buildings erected and maintained on Lots within the Community shall be prohibited. However, this Section shall not be construed to prevent Declarant, Approved Developer, Approved Builder and those engaged in development, construction, marketing, property management or sales in the Community from using sheds, trailers or other temporary structures for any of the foregoing purposes. In addition, nothing in this Declaration shall be construed to prevent Declarant, Approved Developer or Approved Builder from developing, constructing, marketing, or maintaining model homes, speculative housing, sales trailers or construction trailers within the Community.

7.31 Buffer Areas. Portions of the Community contain a fifty foot (50') undisturbed county buffer and a twenty-five foot (25') state creek water buffer area, all as more particularly identified on the recorded subdivision plat(s) for the Community. No land disturbing or construction activities shall be permitted within such buffer areas unless approved pursuant to Article 6 hereof and in compliance with any applicable local or governmental laws, ordinances and regulations, including, without limitation, the Control of Erosion and Sedimentation Act, O.C.G.A. Section 12-7-1, *et seq.*, as amended from time to time.

7.32 Restricted Use of Open Space.. The Community is designated as an Open Space Community Overlay District pursuant to the Official Code of Cobb County, Georgia ("Code"). Pursuant to the Code, all open space areas, as shown on the subdivision plat(s) recorded in the Cobb County, Georgia land records, shall be permanently protected from development (such open spaces are hereinafter referred to as "Conservation Areas"), except as may be permitted by the appropriate agencies of Cobb County, Georgia and shall be subject to a conservation easement ("Conservation Easement") in favor of Cobb County, Georgia, as the same is recorded or to be recorded in the Cobb County, Georgia land records. All use of the Conservation Areas shall be consistent with the intent and purposes of the Conservation Easement and shall remain primarily as undisturbed natural areas; provided, however, portions of such property may be used for recreation or other purposes consistent with the Conservation Easement and covenants

established by the Declarant and as permitted by the Association and applicable governmental authorities.

The Board of Directors may issue rules and regulations on permissible uses of the Conservation Areas by Owners, Occupants and guests, which rules and regulations shall not be inconsistent with the purposes and intentions of the Conservation Easement and covenants established to preserve the property as a Conservation Area in accordance with the Code.

7.33 Outdoor Community Fire Pit. A portion of the Common Property may contain a outdoor fire pit for use by the Owners and their Occupants, guests, invitees and tenants. The Board of Directors shall have the right to adopt reasonable rules and regulations regarding the use of the outdoor fire pit, if any, including, without limitation the right to provide for the exclusive use and enjoyment of the outdoor fire pit at certain designated times by authorized users and their guests and invitees.

## Article 8

### Insurance and Casualty Losses

8.1 Insurance Obtained by Association. The Association shall obtain the insurance coverage necessary to satisfy the requirements of the Federal Home Loan Mortgage Corporation, the Federal National Mortgage Association, the U.S. Department of Veterans Affairs, and the U.S. Department of Housing and Urban Development, as applicable to the Community. Additionally, the Board of Directors shall obtain casualty insurance for all insurable improvements, whether or not located on the Common Property, which the Association is obligated to maintain; provided, however nothing in this Section 8.1 shall be construed as obligating the Association to obtain and/or maintain insurance on a Lot or any structures or improvements located thereon or a Lot Owner's or Occupant's personal property. Insurance obtained and maintained by the Association shall provide, at a minimum, fire and extended coverage and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. The Board of Directors shall obtain a general commercial liability policy covering the Association and its members, officers, agents and employees for occurrences commonly insured against arising out of or in connection with the use, ownership, or maintenance of the Common Property and other areas for which the Association is responsible, and, if reasonably available, directors' and officers' liability insurance. The general commercial liability policy shall have a combined single limit of at least One Million and No/100 Dollars (\$1,000,000.00). Policies may contain a reasonable deductible as determined by the Board of Directors.

In addition to the other insurance coverage required by this Section, the Board of Directors shall obtain workers compensation insurance, if and to the extent necessary to satisfy the requirements of applicable law, and, if available at reasonable cost, as determined in the sole discretion of the Board, a fidelity bond or employee dishonesty coverage covering directors, officers, employees and other Persons handling or responsible for the Association's funds. The amount of fidelity or employees dishonesty coverage, if obtained, shall be determined in the Board's best business judgment and shall satisfy local, state or federal requirements for such coverage, if any. Such coverage, if obtained, shall contain a waiver of all defenses based upon the exclusion of Persons serving without compensation and shall not be subject to cancellation, nonrenewal or substantial modification without at least ten (10) days' prior written notice to the Association. The Association shall also obtain construction code endorsements, steam boiler coverage and flood insurance, if and to the extent necessary to satisfy the applicable requirements of the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association.

8.2 Insurance Obtained by Lot Owners. By virtue of taking title to a Lot subject to the terms of this Declaration, each Owner acknowledges and understands that the Association has no obligation to provide any insurance for any portion of a Lot and each Owner covenants and agrees with all other Owners and with the Association that each Owner shall obtain and maintain the following: (a) all-risk casualty insurance on the Lot and all structures, dwellings and improvements located or constructed thereon, which shall cover loss or damage by fire and other hazards commonly insured under an all-risk policy, and, if reasonably available, shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard; (b) insurance covering an Owner's or Occupant's personal property; and (c) a liability policy covering damage or injury occurring on a Lot. The policies required hereunder shall be in effect at all times.

8.3 Damage and Destruction -- Insured by Association. Immediately after damage or destruction by fire or other casualty to any portion of any structure or improvement covered by insurance written in the name of the Association, the Board of Directors or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this Section, means repairing or restoring the property to substantially the same condition and location that existed prior to the fire or other casualty, allowing for any changes or improvements necessitated by changes in applicable building codes. Any damage or destruction to property covered by insurance written in the name of the Association shall be repaired or reconstructed unless, within sixty (60) days after the casualty, a proposal not to repair or reconstruct such property is approved by at least seventy-five percent (75%) of the Total Association Vote, the Declarant, Approved Developer and Approved Builder. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within such period, then the period shall be extended until such information shall be made available; provided, however, such

extension shall not exceed sixty (60) days. If the damage or destruction for which the insurance proceeds are paid is to be repaired or reconstructed and such proceeds are not sufficient to defray the cost thereof, the Board of Directors shall, without the necessity of a vote of the members of the Association, levy a special assessment against the Owner of each Lot. Additional assessments may be made in like manner, as necessary, at any time during or following the completion of any repair or reconstruction. If the funds available from insurance exceed the costs of repair or reconstruction or if the improvements are not repaired or reconstructed, such excess funds shall be deposited to the benefit of the Association. In the event that it should be determined by the Association in the manner described above that the damage or destruction shall not be repaired or reconstructed and no alternative improvements are authorized, the property shall thereafter be maintained by the Association in a neat and attractive condition consistent with the Community-Wide Standard and this Declaration.

8.4 Damage and Destruction -- Insured by Owners. ## Article 10

### Restrictions on Leasing of Lots

10.1 Purposes. In order to protect the equity of the individual Lot Owners, to carry out the purpose for which the Community was formed by preserving the character of the Community as a homogenous, adult, residential community of predominantly owner-occupied homes and by preventing the Community from assuming the character of a renter-occupied neighborhood, leasing of Lots shall be governed by the restrictions imposed by this Article. The Board of Directors shall have the authority to make and enforce reasonable rules and regulations in order to enforce this Article.

### 10.2 Definitions.

(a) Leasing means the regular, exclusive occupancy of a Lot by any person(s) other than the Owner for which the Owner received any consideration or benefit, including, but not limited to, a fee, rent, gratuity or emolument. For purposes hereof the following shall not constitute leasing: (i) occupancy of the residential dwelling located on the Lot by a roommate of an Owner Occupant; (ii) occupancy of the residential dwelling located on the Lot by a member of the Owner's family; (iii) occupancy of the residential dwelling located on the Lot by one or more wards if the Lot is owned by their legal guardian; (iv) occupancy of the residential dwelling located on the Lot by one or more beneficiaries of a trust if the Lot is owned in trust by the trustee; or (v) use of the residential dwelling located on a Lot by Declarant or Approved Builder as a model home.

(b) Open Leasing Status. Any Lot that is designated as being in "Open Leasing Status" shall authorize a Lot to be leased at any time. A Lot designated as being in Open Leasing Status shall remain in Open Leasing Status until such time as title to the Lot is conveyed or transferred to another Person, after which conveyance the Lot shall be converted to Restricted Leasing

Status regardless of the continued occupancy by the same lessee unless the new Owner requests that the Lot remain in Open Leasing Status within ninety (90) days of said conveyance. Notwithstanding anything to the contrary herein, any Lot in Open Leasing Status shall automatically be converted to Restricted Leasing Status if the Lot is not subject to a lease for ninety (90) or more consecutive days.

Any Lot in Open Leasing Status shall automatically be converted to Restricted Leasing Status upon the happening of the following events: (i) the sale or transfer of a Lot to a third party (excluding sales or transfers to an Owner's spouse); (ii) the failure of an Owner to lease his or her Lot within ninety (90) consecutive days at any time after the conversion of a Lot to Open Leasing Status; or (iii) the occupancy of the Lot by the Owner.

(c) Restricted Leasing Status. Any Lot that is designated as being in "Restricted Leasing Status" shall prohibit a Lot Owner from leasing his or her Lot except for cases of undue hardship as provided below. All Lots shall be in Restricted Leasing Status unless converted to Open Leasing Status as provided herein.

10.3 General. No Owner of a Lot in Restricted Leasing Status may lease his or her Lot if fifteen percent (15%) or more of the Lots in the Community are in Open Leasing Status, except as provided below for cases of undue hardship. Any Owner of a Lot in Restricted Leasing Status may apply in writing to the Board of Directors for conversion to Open Leasing Status in accordance with rules and regulations promulgated by the Board of Directors. Upon receipt of such written application, the Lot shall automatically be converted to Open Leasing Status if less than fifteen percent (15%) of the Lots in the Community are in Open Leasing Status and such Owner shall have ninety (90) days within which to lease the Lot or it shall automatically revert to Restricted Leasing Status. In the event that more than fifteen percent (15%) of the Lots in the Community are leased, upon receipt of such written application to the Board, the Board shall place the Owner of the Lot on a waiting list for conversion to Open Leasing Status and at such time as less than fifteen percent (15%) of the Lots are leased, the Lot shall be removed from the waiting list and converted to Open Leasing Status and such Owner shall have ninety (90) days within which to lease such Lot or it shall automatically be converted to Restricted Leasing Status.

10.4 Undue Hardship. Notwithstanding the provisions above, the Board shall be empowered to allow reasonable leasing of a Lot upon application in accordance with this Section to avoid undue hardship. Any Owner who believes that he or she must lease his or her Lot to avoid undue hardship shall submit a written application to the Board of Directors setting forth the circumstances necessitating the leasing, a copy of the proposed lease, and such other information as the Board of Directors may reasonably require. Leasing in the case of undue hardship shall be permitted only upon the Board of Director's written approval of the Owner's application. Those Owners who have complied with this Section, have demonstrated that the inability to lease their Lot would result in undue hardship, and have obtained the requisite written

Board approval may lease their Lots for such duration as the Board reasonably determines is necessary to prevent undue hardship.

For purposes of this Section 10.4, undue hardship shall include, but not be limited to, the following situations: (a) a Lot Owner must relocate his residence outside the greater Atlanta metropolitan area and cannot, within six (6) months from the date that the Lot was placed on the market, sell the Lot except at a price below the current appraised market value, after having made reasonable efforts to do so; (b) the Owner is deceased and the Lot is being administered by a personal representative; or (c) the Owner takes a leave of absence from employment or temporarily relocates for employment purposes and intends to return to reside in the Lot, in which case the Lot Owner must reapply every year for renewal of the hardship exception.

In determining whether to permit an Owner to lease a Lot for undue hardship the Board may consider the following factors, which include, but are not limited to: (a) the nature, degree and likely duration of the hardship; (b) the harm, if any, which will result to the Community if the hardship leasing permit is approved; (c) the number of hardship leasing permits which have been issued to other Owners; (d) the Owner's role in causing the hardship or ability to cure the hardship; and (e) whether previous hardship leasing permits have been issued to the Owner.

10.5 Transient Rentals. Notwithstanding anything herein to the contrary, under no circumstances shall a Unit be leased, rented or used for short-term transient or hotel purposes or rented through short-term internet rental services, including, without limitation, VRBO, Airbnb, HomeAway, or such other similar rental services.

10.6 Leasing Provisions. Lots permitted to be leased under this Article may be leased only in their entirety; no fraction or portion of a Lot may be leased. With the exception of a lender in possession of a Lot following a default in a first Mortgage, a foreclosure proceeding, or any deed or other arrangement in lieu of foreclosure, no Lot Owner shall be permitted to lease his Lot for transient or hotel purposes. There shall be no subleasing or assignment of leases. All leases must be for an initial term of at least one (1) year, except with written approval by the Board of Directors, which shall not be unreasonably withheld in cases of undue hardship. The Owner must provide the lessee with copies of the Declaration, Bylaws, the rules and regulations and the Architectural Guidelines and the lease shall provide that the Owner has made available to the lessee copies of the Declaration, Bylaws, the rules and regulations and Architectural Guidelines.

(a) Notice. Within ten (10) days after executing a lease agreement for the lease of a Lot, the Owner shall provide the Board of Directors with the following information: (i) a copy of the fully executed lease agreement; (ii) the name of the lessee and all other people occupying the Lot; (iii) the phone number of the lessee; (iv) the Owner's address and telephone number other than at the Lot; and (v) other such information as the Board of Directors may reasonably require.

(b) Liability for Assessments, Use of Common Property, and Compliance with Declaration, Bylaws, Rules and Regulations and Architectural Guidelines. Each Owner covenants and agrees that any lease of a Lot shall contain the following language and agrees that if such language is not expressly contained therein, then such language shall be incorporated into the lease by existence of this covenant, and the lessee, by occupancy of the Lot, agrees to the applicability of this covenant and incorporation of the following language into the lease:

(i) Compliance with Declaration, Bylaws, Rules and Regulations and Architectural Guidelines. Lessee shall abide by and comply with all provisions of the Declaration, Bylaws, rules and regulations adopted pursuant thereto and the Architectural Guidelines and shall control the conduct of all other Occupants and guests of the leased Lot in order to ensure such compliance. Owner agrees to cause all Occupants of his or her Lot to comply with the Declaration, Bylaws, the rules and regulations adopted pursuant thereto and the Architectural Guidelines and is responsible for all violations caused by such Occupants, notwithstanding the fact that such Occupants of the Lot are fully liable and may be sanctioned for any violation of the Declaration, Bylaws, rules and regulations adopted pursuant thereto and the Architectural Guidelines. In the event that the lessee or a person living with the lessee violates the Declaration, Bylaws, or a rule or regulation or Architectural Guideline for which a fine is imposed, notice of the violation shall be given to the Owner and the lessee, and such fine may be assessed against the Owner. Unpaid fines shall constitute a lien against the Lot.

Any violation of the Declaration, Bylaws, rules and regulations adopted pursuant thereto or the Architectural Guidelines by the lessee, any Occupant, or any guest of the lessee, is deemed to be a default under the terms of the lease and authorizes the Owner to terminate the lease without liability and to evict the lessee in accordance with Georgia law.

(ii) Use of Common Property. The Owner transfers and assigns to the lessee, for the term of the lease, any and all rights and privileges that the Owner has to use and enjoy the Common Property, including, without limitation, the right to use and enjoy the Community recreational facilities.

(iii) Liability for Assessments; Assignment of Rent. If an Owner who is leasing his or her Lot fails to pay any general, special or specific assessment or any other charge owed to the Association for a period of more than thirty (30) days after it is due and payable, then the delinquent Owner hereby consents to the assignment of any rent received from the lessee during the period of delinquency, and, upon request by the Board of Directors, lessee shall pay to the Association all unpaid general, special or specific assessments and other charges payable during and prior to the term of the lease and any other period of occupancy by lessee. However, lessee need not make such payments to the Association in excess of, or prior to the due dates for, monthly rental payments unpaid at the time of the Board of Director's request. All such payments made by lessee shall reduce, by the same amount, lessee's obligation to make monthly rental payments to lessor. If lessee fails to comply with the Board of Director's request to pay assessments or other charges, lessee shall pay to the Association all amounts authorized under

the Declaration as if lessee were an Owner. The above provision shall not be construed to release the Owner from any obligation, including the obligation for assessments, for which he or she would otherwise be responsible.

10.7 Mortgagee Exemption. The provisions of this Article shall not apply to any Mortgagee in possession of a Lot through foreclosure or otherwise as a result of the exercise of any rights arising out of a first priority Mortgage on a Lot.

10.8 Rights Reserved by Declarant, Approved Developer and Approved Builder. Notwithstanding the restriction on the leasing of Lots as described herein, Declarant, Approved Developer or Approved Builder may lease a Lot or grant an Owner the right to lease a Lot for any reason and the extent and duration of said privilege granted by Declarant, Approved Developer or Approved Builder shall be determined solely by Declarant, Approved Builder or Approved Developer, respectively. Any ability to lease a Lot granted by the Declarant, Approved Developer or Approved Builder which extends beyond the termination of Declarant's, Approved Developer's or Approved Builder's rights under this Declaration shall be valid and may not be terminated by the Association so long as the Owner complies with the terms and conditions imposed by Declarant, Approved Developer or Approved Builder, as the case may be. Leasing authorized pursuant to this Section 10.8 shall not be counted towards the leasing cap set forth in this Article 10.

## Article 11 General Provisions

11.1 Enforcement. Each Owner and Occupant shall comply strictly with the Bylaws, rules and regulations, Architectural Guidelines and use restrictions, as amended or modified from time to time, and with the covenants, conditions, easements and restrictions set forth in this Declaration, the recorded subdivision plat(s) for the Community and in the deed to such Owner's Lot, if any. The Declarant or the Association, acting through the Board of Directors, may impose fines or other sanctions for violations of the foregoing, which fines shall be collected as provided herein for the collection of assessments; provided, however, only one fine may be imposed for a single violation such that an Owner or Occupant may not be fined by the Declarant and the Association for the same violation; and provided, further, Declarant or the Association, as the case may be, may count each day a violation continues after notice thereof as a separate violation. In the event fines or other sanctions are imposed by Declarant hereunder, Declarant shall have any and all rights to collect such fines or sanctions (which fines shall be payable to the Association) and any related charges, including, without limitation, reasonable attorneys' fees actually incurred and costs of collection, in the same manner as provided herein for the collection of assessments by the Association acting through the Board.

Failure to comply with this Declaration, the Bylaws, the rules and regulations or Architectural Guidelines shall be grounds for an action to recover sums due for damages or injunctive relief or both, including, without limitation, reasonable attorney's fees actually

incurred, maintainable by the Association, the Declarant or an aggrieved Owner. The Declarant or the Association, as the case may be, shall have the right to record in the appropriate land records a notice of violation of the Declaration, Bylaws, rules and regulations, use restrictions or Architectural Guidelines, and to assess the cost of recording and removing such notice against the Lot of the Owner who is responsible (or whose Occupants are responsible) for violating the foregoing.

Notwithstanding anything to the contrary herein, the Declarant, the Board and Approved Builder shall not be obligated to take action to enforce any covenant, restriction or rule which they reasonably determine is, or is likely to be construed as, inconsistent with applicable law, inconsistent with the overall scheme of development for the Community or in any case in which the Declarant, the Board or Approved Builder, as applicable, reasonably determines that the Association's position is not strong enough to justify taking such enforcement action. Any such determination shall not be construed as a waiver of the right to enforce such provision in the future or under other circumstances or estop the Association from enforcing any other covenant, restriction or rule.

11.2 Occupants Bound. All provisions of the Declaration, Bylaws, rules and regulations, use restrictions and Architectural Guidelines which govern the conduct of Owners and which provide for sanctions against Owners shall also apply to all Occupants and the guests and invitees of Owners and Occupants. The Owner shall be responsible for insuring that the Occupants, the guests, invitees and licensees of the Owner and Occupant strictly comply with all provisions of the Declaration, Bylaws, rules and regulations, use restrictions and Architectural Guidelines. Fines may be levied against Owners or Occupants. If a fine is first levied against an Occupant and is not timely paid, the fine may then be levied against the Owner. Unpaid fines shall constitute a lien against the Lot.

11.3 Self-Help. In addition to any other remedies provided for herein, the Association, acting through the Board, the Declarant or their respective duly authorized agents shall have the power to enter upon any Lot or any other portion of the Community to abate or remove any structure, improvement, thing or condition which violates this Declaration, the Bylaws, the rules and regulations, the use restrictions or the Architectural Guidelines. Unless an emergency situation exists, the violating Owner shall be given ten (10) days' written notice of the intent to exercise self-help. Notwithstanding the foregoing, vehicles may be towed after giving any notice required herein or by law. All costs of self-help, including, without limitation, reasonable attorney's fees actually incurred, shall be assessed against the violating Owner as a specific assessment.

11.4 Duration. The covenants, conditions, restrictions and easements contained in this Declaration shall run with and bind the Community, and shall inure to the benefit of and shall be enforceable by the Association, the Declarant, Approved Builder, Approved Developer and any Owner, their respective legal representatives, heirs, successors, and assigns, perpetually to the extent provided by law; provided, however, if and to the extent that, Georgia law limits the

period during which covenants restricting land to certain uses may run, any provisions of this Declaration affected thereby shall run with and bind the land so long as permitted by such law, after which time, any such provision(s) shall be: (a) automatically extended for successive periods of twenty (20) years (or the maximum period allowed by applicable law, if less), unless a written instrument signed by the then Owners of at least two-thirds (2/3) of the Lots, Approved Builder, Declarant and Approved Developer, if they are the Owners of any real property subject to this Declaration, has been recorded within the year immediately preceding the beginning of a twenty (20) year renewal period agreeing to change such provisions, in whole or in part, or to terminate the same, in which case this Declaration shall be modified or terminated to the extent specified therein; or (b) extended, renewed, modified or terminated as otherwise provided herein or by applicable law.

11.5 Termination of Rights of Declarant, Approved Builder and Approved Developer.

(a) Termination of Rights of Declarant. The rights of Declarant to take, approve or consent to actions under this Declaration, the Articles of Incorporation and the Bylaws shall cease and be of no further force and effect upon the earlier of: (a) the date that the Declarant no longer owns any property in the Community, no longer has the option pursuant to a contract to acquire additional property within the Community and a certificate of occupancy has been issued for a residential dwelling located on each Lot in the Community; or (b) the date of recording by Declarant in the real estate records of Cobb County, Georgia of a written instrument terminating all of Declarant's rights hereunder; provided, however, until the rights of Approved Builder have terminated as provided below, such written instrument shall also be signed by Approved Builder in order to be effective.

(b) Termination of Rights of Approved Builder. The rights of an Approved Builder to take, approve or consent to actions under this Declaration, the Articles of Incorporation and the Bylaws shall cease and be of no further force and effect upon the earlier of: (a) the date that such Approved Builder no longer owns any property in the Community or no longer has the option pursuant to a contract to acquire additional property within the Community; or (b) the date of recording by such Approved Builder in the Cobb County, Georgia land records of a written instrument terminating all of such Approved Builder's rights hereunder.

(c) Termination of Rights of Approved Developer. The rights of an Approved Developer to take, approve or consent to actions under this Declaration, the Articles of Incorporation and the Bylaws shall cease and be of no further force and effect upon the earlier of: (a) the date that such Approved Developer no longer owns any property in the Community; or (b) the date of recording by such Approved Developer in the Cobb County, Georgia land records of a written instrument terminating all of such Approved Developer's rights hereunder.

### 11.7 Amendment.

(a) By Declarant. This Declaration may be amended unilaterally at any time and from time to time by Declarant if such amendment is: (i) necessary to bring any provision hereof into compliance with any applicable governmental statute, rule or regulation or judicial determination which shall be in conflict therewith; (ii) necessary to enable any reputable title insurance company to issue title insurance coverage with respect to the Lots subject to this Declaration; (iii) required by an institutional or governmental lender or purchaser of mortgage loans, including, without limitation, the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation, to enable such lender or purchaser to make or purchase Mortgage loans on the Lots subject to this Declaration; or (iv) necessary to enable any governmental agency or private insurance company, including without limitation, the U.S. Department of Housing and Urban Development and the U.S. Department of Veterans Affairs, to insure or guarantee Mortgage loans on the Lots subject to this Declaration; provided, however, any such amendment shall not adversely affect the title to any Lot unless the Owner of such Lot consents thereto in writing.

Further, Declarant may unilaterally amend this Declaration for any other purpose; provided, however, no amendment shall materially adversely affect the substantive rights of any Owner to use and enjoy his or her Lot hereunder without the consent of such Owner or adversely affect title to any Lot without the consent of the affected Owner.

(b) By the Board. The Board of Directors may, with the written consent of the Declarant and without a vote of the members, amend the Declaration for the following purposes: (i) if such amendment is necessary to bring any provision hereof into compliance with any applicable governmental statute, rule or regulation or judicial determination which shall be in conflict therewith; (ii) if such amendment is necessary to enable any reputable title insurance company to issue title insurance coverage with respect to the Lots subject to this Declaration; (iii) if such amendment is required by an institutional or governmental lender or purchaser of mortgage loans, including, without limitation, the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation, to enable such lender or purchaser to make or purchase Mortgage loans on the Lots subject to this Declaration; or (iv) if such amendment is necessary to enable any governmental agency or private insurance company, including without limitation, the U.S. Department of Housing and Urban Development and the U.S. Department of Veterans Affairs, to insure or guarantee Mortgage loans on the Lots subject to this Declaration; provided, however, any such amendment shall not adversely affect the title to any Lot unless the Owner of such Lot consents thereto in writing; and (v) for the purpose of electing to be governed by and thereafter complying with the provisions of the Georgia Property Owners' Association Act, O.C.G.A. § 44-3-220, *et seq.*

(c) By the Association. In addition to the above, this Declaration may be amended upon the affirmative vote or written consent or any combination thereof of Owners of at least two-thirds (2/3) of the Lots and the consent of Declarant.

(d) Consent of Approved Builder Required. Until the rights of Approved Builder terminate as provided herein, any amendment to the Declaration shall require the prior written approval of Approved Builder.

(e) Consent of Approved Developer Required. So long as Approved Developer is the owner of any property subject to the Declaration, any amendment to the Declaration shall require the prior written approval of Approved Developer, which consent shall not be unreasonably withheld, conditioned or delayed.

Amendments to this Declaration shall become effective upon recordation unless a later effective date is specified therein. The consent of the Declarant, Approved Developer or Approved Builder to any amendment shall be evidenced by the execution of said amendment by Declarant, Approved Developer or Approved Builder, respectively. The consent of the requisite number of Owners to any amendment shall be evidenced by the execution of the amendment by said Owners, or, in the alternative, the sworn statement of the President or any Vice President or the Secretary of the Association attached to or incorporated in the amendment, which sworn statement states unequivocally that the consent of the required number of Owners was obtained and that any notices required by this Declaration, the Bylaws, the Articles of Incorporation and Georgia law were given. The amendments authorized by this Section may be of uniform or non-uniform application and Owners shall be deemed to have agreed that the Declaration may be amended as provided herein and that any rule of law requiring unanimous approval of amendments having a non-uniform application shall not apply.

11.8 Gender and Grammar. The singular, wherever used herein, shall be construed to mean the plural, when applicable, and the use of the masculine or feminine pronoun shall include the neuter, masculine and feminine.

11.9 Severability. Whenever possible, each provision of this Declaration shall be interpreted in such manner as to be effective and valid, but if the application of any provision of this Declaration to any Person or to any property shall be prohibited or held invalid, such prohibition or invalidity shall not affect any other provision or the application of any provision which can be given effect without the invalid provision or application and, to this end, the provisions of this Declaration are declared to be severable.

11.10 Captions. The captions of each Article and Section hereof, as to the contents of each Article and Section, are inserted only for convenience and are in no way to be construed as defining, limiting, extending or otherwise modifying or adding to the particular Article or Section to which they refer.

11.11 No Merger. There shall be no merger of any of the covenants, conditions, restrictions or easements created or reserved hereby with the fee estate of Approved Developer, by reason of the fact that Approved Developer may own or hold the estate or interest both encumbered and benefited by such covenants, conditions, restrictions or easements and no such merger shall occur unless and until Approved Developer, while owning all of the estate or interests shall execute a written statement or instrument affecting such merger and shall duly record the same.

11.12 Preparer. This Declaration was prepared by Lisa A. Crawford, Dorrough & Dorrough, LLC, 160 Clairemont Avenue, Suite 650, Decatur, Georgia 30030.

11.13 Notices. Except as otherwise specifically provided in such document(s), as the case may be, notices provided for in this Declaration or the Articles or Bylaws shall be in writing, and shall be addressed to an Owner at the address of the Lot and to the Declarant, Approved Builder, Approved Developer and to the Association at the address of their respective registered agent on file with the Secretary of State of the State of Georgia. Any Owner may designate a different address, including an electronic mail address, for notices to such Owner by giving written notice to the Association. Owners shall keep the Association advised of their current address and phone number(s) where they can be reached. Notices addressed as above shall be mailed by United States Registered or Certified Mail, return receipt requested, postage paid, or delivered in person, including delivery by Federal Express or other reputable commercial courier service, or issued electronically in accordance with Chapter 12 of Title 10 of the Official Code of Georgia Annotated, the "Uniform Electronic Transactions Act". The time period in which a response to any such notice must be given or any action taken with respect thereto, shall commence to run from the date of personal delivery or date of receipt shown on the return receipt. Rejection or other refusal to accept or the inability to deliver because of changed address of which no notice was given shall be deemed to be receipt of the notice sent.

11.14 No Discrimination. No action shall be taken by the Declarant, Approved Builder, the Association or the Board of Directors which would discriminate against any person on the basis of race, creed, color, national origin, religion, sex, familial status or disability.

11.15 Security. ALL OWNERS, OCCUPANTS, GUESTS, LICENSEES, AND INVITEES, AS APPLICABLE, ACKNOWLEDGE THAT DECLARANT, APPROVED BUILDER, APPROVED DEVELOPER, THE ASSOCIATION AND ITS BOARD OF DIRECTORS, AND THE ARCHITECTURAL REVIEW COMMITTEE DO NOT REPRESENT OR WARRANT THAT ANY SAFETY OR SECURITY MEASURES WILL BE IMPLEMENTED IN THE COMMUNITY OR, IF IMPLEMENTED, THAT SUCH SAFETY OR SECURITY MEASURES MAY NOT BE COMPROMISED OR CIRCUMVENTED, OR THAT ANY SUCH SAFETY OR SECURITY MEASURES WILL IN ALL CASES PROVIDE THE DETECTION OR PROTECTION FOR WHICH THEY ARE DESIGNED. EACH OWNER, OCCUPANT, GUEST, LICENSEE, OR INVITEE, AS APPLICABLE, ACKNOWLEDGES AND UNDERSTANDS THAT DECLARANT, APPROVED BUILDER,

APPROVED DEVELOPER, THE ASSOCIATION, THE BOARD OF DIRECTORS AND THE ARCHITECTURAL REVIEW COMMITTEE ARE NOT INSURERS OR PROVIDERS OF SAFETY OR SECURITY AND SHALL HAVE NO DUTY TO PROVIDE ANY SAFETY OR SECURITY ON THE COMMON PROPERTY OR ANY OTHER PORTION OF THE COMMUNITY; AND THAT EACH OWNER, OCCUPANT, GUEST, LICENSEE, AND INVITEE ASSUMES ALL RISKS OF PERSONAL INJURY AND PROPERTY DAMAGE AND FURTHER ACKNOWLEDGES THAT DECLARANT, APPROVED BUILDER, APPROVED DEVELOPER, THE ASSOCIATION, THE BOARD OF DIRECTORS, AND THE ARCHITECTURAL REVIEW COMMITTEE HAVE MADE NO REPRESENTATIONS OR WARRANTIES, NOR HAS ANY OWNER, OCCUPANT, GUEST, LICENSEE, OR INVITEE RELIED UPON ANY REPRESENTATIONS OR WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE RELATIVE TO ANY SAFETY OR SECURITY MEASURES IMPLEMENTED OR APPROVED.

11.16 Indemnification. To the fullest extent allowed by the Georgia Nonprofit Corporation Code, and in accordance therewith, the Association shall indemnify every current and former officer, director and committee member against any and all expenses, including, but not limited to, attorney's fees, imposed upon or reasonably incurred by any officer, director or committee member in connection with any action, suit or other proceeding (including settlement of any suit or proceeding, if approved by the then Board of Directors) to which such officer, director or committee member may be a party by reason of being or having been an officer, director or committee member. The officers, directors and committee members shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct or bad faith. The officers, directors and committee members shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association and the Association shall indemnify and forever hold each such officer, director and committee member free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall not be exclusive of any other rights to which any officer, director or committee member, or former officer, director or committee member, may be entitled. The Association shall maintain adequate general liability and officers' and directors' liability insurance to fund this obligation, if such coverage is reasonably available.

11.17 Notice of Sale or Acquisition. Owners must keep the Association apprised of their name, address and telephone number. Accordingly, prior to the sale of a Lot, an Owner shall provide the Association with written notice of the name of the purchaser and such other information as the Board may reasonably require. Upon the acquisition of title to a Lot, each new Owner shall provide the Association with written notice of the name, mailing address and telephone number of the Owner, the names of the Occupants of the Lot, if any, and such other information as the Board may reasonably require. All Owners shall notify the Association of any change in name, address or telephone number.

11.18 Agreements. Subject to the prior approval of Declarant and Approved Builder, so long as it owns a Lot in the Community, all agreements and determinations, including settlement agreements regarding litigation involving the Association, lawfully authorized by the Board of Directors, shall be binding upon all Owners, their heirs, legal representatives, successors, assigns and others having an interest in the Community or the privilege of possession and enjoyment of any part of the Community.

11.19 Variances. Notwithstanding anything to the contrary contained herein, the Declarant and the Board of Directors, with the consent of the Declarant, shall be authorized to grant individual variances from any of the provisions of this Declaration, the Bylaws, any rule, regulation, use restriction or Architectural Guideline promulgated pursuant thereto, if it determines that waiver of application or enforcement of the provision in a particular case is warranted and would not be inconsistent with the overall scheme of development for the Community.

11.20 Litigation. No judicial or administrative proceeding shall be commenced or prosecuted by the Association unless approved by at least seventy-five percent (75%) of the Total Association Vote, the Declarant, Approved Developer and Approved Builder. This Section shall not apply to: (a) actions brought by the Association to enforce the provisions of this Declaration (including, without limitation, the foreclosure of liens); (b) the imposition and collection of assessments as provided herein; (c) proceedings involving challenges to *ad valorem* taxation; (d) counterclaims brought by the Association in proceedings instituted against it; or (e) actions brought by the Association against any contractor, vendor, or supplier of goods or services arising out of a contract for goods or services to which the Association is a party. This Section shall not be amended unless such amendment is made unilaterally by the Declarant as provided herein or is approved by the percentage votes necessary to institute proceedings as provided above.

BYLAWS  
OF  
CADENCE HOMEOWNERS ASSOCIATION, INC.

Article 1  
Name, Membership, Applicability and Definitions

1.1 Name. The name of the corporation shall be Cadence Homeowners Association, Inc. (hereinafter sometimes referred to as the "Association").

1.2 Membership. The Association shall have one class of membership, as is more fully set forth in that certain Declaration of Protective Covenants, Conditions, Restrictions and Easements for Cadence (such Declaration, as amended, supplemented, renewed, or extended from time to time, is hereinafter sometimes referred to as the "Declaration"), the terms of which pertaining to membership are specifically incorporated by reference herein.

1.3 Definitions. The words used in these Bylaws shall have the same meaning as set forth in the Declaration, unless the context shall prohibit or the meaning set forth in the Georgia Nonprofit Corporation Code, O.C.G.A. Section 14-3-101, *et seq.* ("Nonprofit Code"). Statutory references shall be construed as meaning the referenced statute or portion thereof as the same may exist from time to time.

Article 2  
Association: Meetings, Quorum, Voting, Proxies

2.1 Place of Meetings. Meetings of the Association shall be held at the principal office of the Association or at such other suitable place convenient to the members as may be designated by the Board of Directors, either in the Community or as convenient thereto as possible and practical.

2.2 Annual Meetings. There shall be an annual meeting of the members at such date, place and time as the Board of Directors shall determine to receive the reports of the outgoing Board of Directors, to install directors for the ensuing year and to transact such other business as may come before the meeting.

2.3 Special Meetings. The President or the Board of Directors may call special meetings. In addition, it shall be the duty of the President to call a special meeting of the Association upon the delivery of a petition signed and dated by members entitled to cast at least fifty percent (50%) of the Total Association Vote and describing the purpose or purposes for which it is to be held. The notice of any special meeting shall state the date, time, and place of such meeting and the purpose(s) thereof. No business shall be transacted at a special meeting, except those matters that are within the purpose or purposes described in the notice.

2.4 Record Date. The Board of Directors shall fix in advance a record date for a determination of members entitled to notice of and to vote at any meeting of members or any adjournment thereof, or to make a determination of members for any other purpose, such date to be not more than seventy (70) days before the date on which the particular action requiring such determination of members is to be taken.

2.5 Notice of Meetings. It shall be the duty of the Secretary or such other agent as the Association may designate to mail or to cause to be delivered to each member (as shown in the records of the Association as of the record date) a written notice of each annual or special meeting of the Association stating the date, time and place where it is to be held and, if and to the extent required by the Nonprofit Code or other applicable law (the "Governing Law"), the purpose(s) thereof. Such notice shall be delivered personally or sent by United States mail, postage prepaid, statutory overnight delivery, or sent by electronic transmission in accordance with the Nonprofit Code to all members of record at the address shown in the Association's current records. If an Owner wishes notice to be given at an address other than the Lot, the Owner shall designate by notice in writing to the Secretary such other address. Notices shall be mailed or delivered not less than ten (10) days (or if notice is mailed by other than first-class or registered mail, thirty (30) days) nor more than sixty (60) days in advance of any annual, regularly scheduled or special meeting. If any meeting of the members is adjourned to a different date, time or place, notice need not be given of the new date, time or place, if the new date, time or place is announced at the meeting before adjournment. If, however, a new record date is or must be fixed under the Governing Law, notice of the adjourned meeting shall be given to persons who are members of record as of the new record date.

2.6 Waiver of Notice. Waiver of notice of a meeting of the members shall be deemed the equivalent of proper notice. Any member may, in writing or by electronic transmission signed by the member entitled to notice and delivered to the Association for inclusion in the minutes for filing with the Association's records, waive notice of any meeting of the members, either before or after such meeting. Attendance at a meeting by a member, whether in person or by proxy, shall be deemed waiver by such member of lack of notice or defective notice, unless such member specifically objects to lack of proper notice at the time the meeting is called to order.

2.7 Adjournment of Meetings. If any meeting of the Association cannot be held because a quorum is not present, a majority of the members who are present at such meeting, either in person or by proxy, may adjourn the meeting to a time not less than five (5) nor more than thirty (30) days from the time the original meeting was called. At such adjourned meeting at which a quorum is present, any business which might have been transacted at the meeting originally called may be transacted without further notice.

2.8 Membership List. After the record date for any meeting is established by the Board of Directors, the Secretary shall prepare an alphabetical list of the names and addresses of all of the members who are entitled to notice of the meeting. Beginning at least two (2) business days after notice is given of the meeting for which the list was prepared, the list of members shall be available for inspection by any member or a member's agent or attorney: (1) on a reasonably accessible electronic network, provided that the information required to gain access to such list is

included with the notice of the meeting or upon request; or (2) during ordinary business hours at the Association's principal office or at such other reasonable place as may be specified in the notice in the city where the meeting will be held. In the event that the Association makes the list available on an electronic network, the Association may take reasonable steps to ensure that such information is available only to members of the Association. In addition, the list shall be available for inspection at the meeting or any adjournment thereof.

2.9 Voting. The voting rights of the members shall be as set forth in the Articles of Incorporation and the Declaration, and such voting rights are specifically incorporated herein.

2.10 Proxies. At all meetings of members, each member may vote in person or by proxy. All proxy appointment forms shall be in writing, signed either personally or by an electronic transmission, dated, and filed with the Secretary before the appointed time of each meeting. Proxies may be delivered to the Board of Directors by personal delivery, U.S. mail or electronic transmission to the Secretary or other officer or agent authorized to tabulate votes. An electronic transmission must contain or be accompanied by information acceptable to the Board from which it can be determined that the member, the member's agent, or the member's attorney-in-fact authorized the electronic transmission. Every proxy shall be revocable and shall automatically cease upon: (a) receipt of notice by the Secretary of the death or judicially declared incompetence of a member; (b) receipt by the Secretary or other officer or agent authorized to tabulate votes of written revocation signed by the member; (c) receipt by the Secretary or other officer or agent authorized to tabulate votes of a subsequent appointment form signed by the member; (d) attendance by the member and voting in person at any meeting; or (e) the expiration of eleven (11) months from the date of the proxy appointment form.

2.11 Quorum. The presence, in person or by proxy, of members entitled to cast at least twenty-five percent (25%) of the votes entitled to be cast at the meeting shall constitute a quorum at all meetings of the Association. The members present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of enough members to leave less than a quorum.

2.12 Action by Written Consent. Any action required or permitted to be approved by the members may be approved without a meeting if one (1) or more consents, in writing or by electronic transmission, setting forth the action so taken, shall be signed, either personally or by an electronic transmission, and dated by members (including the Declarant, if the consent of the Declarant is required) holding the voting power required to pass such action at a meeting held on the record date for such action. The record date for such action shall be the date that the first member signs a consent. Such action shall be approved when the Secretary receives a sufficient number of such consents dated within seventy (70) days of the record date for such action. If less than unanimous consent is obtained, the approval shall be effective ten (10) days after the Secretary gives written notice of the approval to all members who did not sign a consent. Each consent in writing or by electronic transmission shall be included in the minutes of meetings of members filed in the permanent records of the Association. No consent in writing or by electronic transmission shall be valid unless: (1) the consenting member has been furnished the same material that, pursuant to the Nonprofit Code, would have been required to be sent to members in a notice of a meeting at which the proposed action would have been submitted to the

members for action; or (2) the written consent contains an express waiver of the right to receive the material otherwise required to be furnished.

2.13 Action By Written Ballot. Any action that may be taken at any annual, regular or special meeting of members may be taken without a meeting if approved by ballot in writing or by electronic transmission as provided herein. The Association shall deliver a ballot in writing or by electronic transmission to each member entitled to vote on the matter. The ballot in writing or by electronic transmission shall set forth each proposed action and provide an opportunity to vote for or against each proposed action. All solicitations for votes by ballot in writing or electronic transmission shall indicate the number of responses needed to meet the quorum requirements; state the percentage of approvals necessary to approve each matter other than election of directors; and specify the time by which a ballot must be received by the Association in order to be counted. A timely ballot in writing or by electronic transmission received by the Association may not be revoked. Approval by ballot in writing or by electronic transmission of an action shall only be valid when the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting held to authorize such action and the number of approvals equals or exceeds the number of votes that would be required to approve the matter at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot. The results of each action by ballot shall be certified by the Secretary and shall be included in the minutes of meetings of members filed in the permanent records of the Association.

### Article 3

#### Board of Directors: Number, Powers, Meetings

3.1 Governing Body; Composition. The affairs of the Association shall be governed by a Board of Directors. Directors shall be natural persons who are eighteen (18) years of age or older. Except for directors appointed by the Declarant or Approved Builder, each director must reside in the Community and be a member or the spouse of a member; provided, however, no Person may serve on the Board at the same time with such Person's spouse or any co-Owner or Occupant of such Person's Lot.

3.2 Directors Appointed by Declarant. The Declarant shall have the right to appoint or remove any member or members of the Board of Directors or any officer or officers of the Association until such time as the first of the following events shall occur: (a) the date on which all of the Lots planned by Declarant to be a part of the Community shall have been improved with a dwelling and conveyed to an Owner for occupancy as a residence; or (b) the surrender by Declarant in writing of the authority to appoint and remove directors and officers of the Association. The directors appointed by the Declarant need not be Owners or residents in the Community.

The total number of Lots planned for the Community shall initially be the number of Lots shown on the land use plan for the development as it may be amended from time to time. Inclusion of property on the land use plan shall not obligate the Declarant to subject such property to the Declaration, nor shall exclusion of property from the initial land use plan bar Declarant from subjecting such property to the Declaration. The final total number of Lots

planned for the Community shall be the actual number of Lots shown on the recorded subdivision plats for the Community regardless of any different number of Lots shown from time to time on the land use plan.

Notwithstanding anything to the contrary herein, during the period that the Declarant has the right to appoint the members of the Board as provided herein and Approved Builder owns a Lot in the Community or has the right under a contract to acquire one (1) or more Lots or any real property described on Exhibit "B" attached to the Declaration, Approved Builder shall have the right, but not the obligation, to appoint one (1) member of the Board. Such representative cannot be removed by Declarant or the members of the Association as provided in Section 3.6 of these Bylaws, and can only be removed by Approved Builder. In the event of death or resignation of the director appointed by the Approved Builder, Approved Builder shall have the sole right to appoint the director to fill the vacancy created thereby. Notwithstanding anything provided herein to the contrary: (a) Approved Builder's and Declarant's rights hereunder cannot be altered or deleted without each's consent, by amendment or otherwise; and (b) Declarant shall not surrender its authority to appoint the directors of the Association as provided above, without the prior written consent of Approved Builder.

During the period that the Declarant has the right to appoint and remove the directors and officers of the Association as provided herein, all decisions of the Board shall be unanimous.

3.3 Number of Directors. During the period that the Declarant has the right to appoint and remove the officers and directors of the Association as provided above, the Board of Directors shall consist of three members as determined by Declarant and Approved Builder in writing from time to time as provided in Section 3.2 above. Thereafter, the Board shall consist of three members, who shall be elected as provided in Section 3.5 below.

3.4 Nomination of Directors. Elected directors may be nominated from the floor, if a meeting is held for the election of directors and may also be nominated by a nominating committee, if established by the Board. All candidates shall have a reasonable opportunity to communicate their qualifications to the members and to solicit votes.

3.5 Election and Term of Office.
