Your home is in a covenant restricted community. Your manager assists your Board of Directors in upholding those covenants and protecting your community and property values. One of the ways your manager assists them is with the modification process. The process may seem tedious but please know that we have your best interest in mind. It takes time to review each request, so please be patient.

The best way for you to assist your manager in handling your request is to carefully read the instructions. **Send your request in one pdf file. If it needs to be assembled on our end it will take longer to be processed.** A properly assembled request can be reviewed and forwarded on for processing much more quickly. Below you will find some useful information about the modification process. Once completed, please return to your community manager Kevon Oliver at KevonOliver@FieldstoneRP.com for review.

I. Review Process

- a. Homeowner submits a **complete modification request** package to the Association Manager via email, mail, or fax. The package should be assembled in one pdf document for faster processing. All photos should be labeled and inserted into the document.
- b. Association Manager submits the package to the **Board of Directors**.
- c. The Board of Directors reviews the application and determines whether approval or disapproval is appropriate. The Board of Directors has the final say for all requests.
- d. Association Manager notifies homeowner of the Board's decision **in writing** via letter from the association. Please note that no approvals/disapprovals are valid unless in writing. Verbal approval is not sufficient.

II. <u>Timeline</u>

a. Depending on your community's CCRs, the Board has **30-60 days** to review and respond to each modification request. Please prepare for the full processing time.

III. FAQs:

- 1. Why do I need to submit a modification request even though I am the owner of the property?
 - a. The modification request process is used to ensure that all exterior changes are held to the standards of the community. Your home is in a covenant restricted community. You agreed to abide by these covenants when you bought your home.
- 2. What if my modification request package is incomplete?
 - a. The request must be denied if the package is incomplete. Incomplete packages lead to a longer processing time. The clock starts once completed documents are received.
- 3. Must I have my neighbors' signatures even if the modification does not affect them?
 - a. Yes, all requests require neighbors' "In Favor" or "Not in Favor" signatures. If your neighbor signs "In Favor" this protects you, the homeowner, from a neighbor disputing your request in the future.
- 4. If my neighbor is not in favor of my request will it be immediately disapproved?
 - a. No, the Board reviews all requests and has the final say for all requests.
- 5. If I am re-painting the exterior of my home the same colors, do I need approval?
 - a. No, in this case you do not need approval.
