

# Did you know...

The community website is a great resource for your community. Check it out often to see if there's anything new! If there's something that you're looking for and don't see it on the website, please don't hesitate to reach out to me directly. I'd like to see everyone registered online as well. (See: Register/log in) This allows you to have access to your account history and be included in the community announcements. Please ask your neighbor if they are registered or encourage them to do so. We don't want them to miss out on important announcements!

## **Important Information to keep:**

Management contact: Fieldstone Realty Partners; Christina Tomlinson

Direct# 404-793-2291 Office#404-920-8621 x130

ComWeb support help: 866-491-5397 Option 2 or email: [support@comwebinc.net](mailto:support@comwebinc.net)

Trash Service day: Friday. Red Oak; service provider; 678-455-7819. Owners call after you close and the vendor will drop off your bins curbside. Bins should be curbside the night before to ensure bins are serviced. Bins should be stored in garage or behind lot after serviced, unless written approval has been given to owner to store on side of lot.

Clubhouse info: Coming soon!
